OZONO AND Cedroline

The new, non-falling and infallible combined treatment for the human hair, OZONO and CEDROLINE, used jointly, cannot fail to lend to the hair length, lustre, life and beauty. One year ago the directors of the BOSTON CHEMICAL CO., with the sole purpose and intention to produce an absolutely perfect and reliable treatment for the hair, appropriated the sum of \$2,000 for this purpose alone. The services of three of the world's most noted chemists were secured, who, after twelve months of investigation and costly experiments, have successfully formulated a treatment so potent and powerful, yet so harmless and innocent, that its immediate effects upon the hair border upon the miraculous. This treatment can be used in all falls and conditions as it is certain to produce results most gratifying, causing the hair to grow long and luxuriant, straight, and of a most delicate and pliable texture. It prevents the tendency of the hair to draw up, contract, curl, and tangle, thus making it easy to dress the hair in any style desired. It causes the hair to grow out on all bald spots, scant partings, thin places, and bare temples. It is sure to prevent the hair from falling, breaking off, and splitting at the ends. This great combined treatment is now the most wonderful remedy for the hair in the whole wide world.

The most generous offer ever made by any firm on earth. Cut out this advertisement, and send to us, with only \$1.50, and immediately upon receipt of same, we will send to you a full and complete treatment, consisting of two extra large bottles of OZONO, King of all Hair Tonics, worth \$2.00; also two large bottles of CEDROLINE, the lightning hair grower, worth \$2.00; also one large package of our latest discovery, POWDERED EGG SHAMPOO, worth \$2.00; and one small package of ANTI-DANDRUFF, the most wonderful toilet specialty of the day, worth \$2.00. This grand collection, worth in all \$10.00, will be sent on receipt of \$1.50 and your name and address, with full, plain, and complete directions, together with our beautiful Souvenir Catalogue, just issued the latest edition of the day.

NOTE: To all who have ever bought OZONO we will send this great bargain offer for only \$1.00. Your word will be sufficient. Simply tell us when and where you bought it. This liberal offer is made with the object of securing good Agents, who can simply coin money selling our preparations. No matter where you live, we can get our goods safely to you. Do not delay; order to-day. Address

SUCCESS SAYINGS.

You may follow luck to ruin, but not to success.—Garfield.

To succeed one must sometimes be very bold and sometimes very prudent.—Napoleon.

Success is the realization of the estimate which you place upon yourself.—Elbert Hubbard.

Don't believe the world owes you a living. The world owes you nothing. It was here first.—Burdette.

The success of the greater part of things depends upon knowing how long it takes to succeed.—Montquiere.

Success does not consist in never making blunders, but in never making the same one a second time.—H. W. Shaw.

Success never yet came to the man who habitually used the motto of the makeshift, "That will do."—The Brown Book.

A successful man—He leaves clean work behind him, and requires no sweeper up of chips.—Elizabeth Barrett Browning.

Successful men are like a watch; they have open faces enough, but don't show their works in their faces.—H. W. Shaw.

It is said fortune knocks once at every man's door. In most cases it must have knocked when the man was out.—Page.

Making love, advertising and success in life is like the principle of fly-fishing—persevere and change your fly.—Walter Mitchell.

Men may have merit without rising to eminence, but no one has ever reached eminence without some degree of merit.—La Rochefoucauld.

Success, like a trolley car, is liable to strike us unexpectedly. When it does we want no fender, and guarantee there'll be no suit against the company.—Ida Young Cliff.

Sir Thomas Lipton's receipt for success: "Work hard, deal honestly, be enterprising, exercise careful judgment, advertise freely, but judiciously, never despair, keep pushing on."

Opportunity has all her hair on her forehead; but when she has passed you cannot call her back. She has not tuft where you can lay hold on her, for she is bald on the back part of her head and never returns.—Labelais.

Believe me, the talent of success is nothing more than doing what you can do well, and doing well whatever you do—without a thought of fame. If it comes at all, it will come because it is deserved, not because it is sought after.—Hyperion.

—The Brown Book.

CLEANED FROM CONFERENCES.

Tact is wisdom in contact.
Mechanical repetition is the bane of primary work.
Nothing is good enough to do at the wrong time.
Tact is learned by stumping our toes against fact.
The child is more important than what you teach him.
A lesson may be logical at the cost of being psychological.
There is no virtue in the world which cannot be cultivated.
Unless you love and are loveable, you can do nothing with other people.
What the child now knows becomes the background of what he is to know.
If you cannot hold a child through his interest, you cannot hold him any other way.
Appeal to what the child already knows, because there is nothing else to appeal to.
The primary teacher must have love for her work, light on her work, and liberty in her work.
Anything that is attached may be detached. That is why a moral should never be "tacked on" to a lesson.
The mind was made for truth.—Sunday School Times.

DOMESTIC CHECKS.

If you are a lover don't be too fond. A husband, don't be miserly. A wife, don't be extravagant. A mother, don't be too lenient. A father, don't be too harsh. A son or daughter, don't be ashamed of your parents. An employer, don't be afraid of overpaying. An employe, don't be afraid of overworking. As a tradesman, don't overrate your goods. As a purchaser, don't underrate your purchases. As a friend, don't be captious. As a foe, don't be unmerciful. If a neighbor, don't be too intimate. If you are quick-witted, don't be vain; if dull, don't talk incessantly. If poor, don't be envious or suspicious; if rich, don't be heartless. As a giver, don't parade; as a recipient, don't be ungrateful.

MERE OPINION.

Industry is fortune's right hand, and frugality her left.
The man who wins real greatness is too busy to be self-conscious.
They say that every genius has an empty spot somewhere. Generally it is his pocket.
The court should never hold a man responsible for what he does to stop a woman's tears.
He that wonders what he has to be thankful for wouldn't be likely to know if he had a million dollars.
If one-half of the world knew how the other half lives it would be surprised that there are not more divorce cases.
