FOOD AGAIN

A mighty good breakfast is always a welcome thing. It is more than breakfast food and it will be a good beginning to the day. We have a lot of good food to eat and we have a lot of good friends to eat with.

PROLOGUE OF THE #1

The story of the Negro is a story of struggle and progress. It is a story of sacrifice and victory. It is a story of triumph and survival. It is a story of hope and despair. It is a story of fight and flight. It is a story of success and failure. It is a story of adventure and endurance. It is a story of courage and endurance. It is a story of hope and despair. It is a story of achievement and aspiration.

She got what she wanted.
