CHARLES KLEIN'S Stage Success

"THE THIRD DEGREE"

starring

ALICE JOYCE

stands at the TOP of smashing, powerful, heart-pictures.

Produced by VITAGRAPH with an all star-cast supporting Miss Joyce

Starring Alice Joyce, supported by an all star cast including many other great movie actors. A great stage success brought to the screen. A picture with a gulp and a throb, produced by Vitagraph. Alice Joyce adds new fame to an already famous role, that of Annie Sands in "THE THIRD DEGREE" and portrays a waitress who marries the son of a millionaire, a college youth. She and her husband are disowned and when he is accused of murdering a chum, and a confession is extorted by police "THIRD DEGREE" methods, his father refuses to help him. The story centers about her heroic and successful fight against such tremendous odds to save him from the chair, her sacrifice including even her willingness to swear away her own honor, to shield her mother-in-law trying to keep hidden a chapter in her own past life. Tom Terriss has brought out all the big dramatic highlights in this picture by his direction, and there is a supporting cast of exceptional strength, including Gladden James, Anders Randolph, Miss Hedda Hopper, Herbert Evans, George Backus, J. T. Wade, L. Rogers Lytton and Edward McGuire, shown two days, Tuesday and Wednesday, June 10th and 11th.
