stacles. Mother Allen Chapel continues to grow both in finances and the membership. Six persons joined the church, Sunday, Prince Kala Rega, preached at 11 a. m. and Dr. A. B. Harris preached at night. Spiritual tide ran high in each service. Now we are looking for Bishop Joshua H. Jones, the matchless leader, financier and the peoples bishop. Sunday will be the red lettered day of days. All are invited to be with us. The exhibition of Prince Kala Rega, on Tuesday night was great and the people turned out in great numbers to see the moving pictures and to hear the lecture. Wednesday night Dr. W. T. Vernon, lifted the flood gates of his eloquence and carried the great concourse of the elite populace of the Panther City to the intellectual heights of never and fresher thoughts upon "The American Negro and World Wide Democracy." Dr. Vernon will be elected one of the bishops for the A. M. E. church, at St. Louis, May, 1920. It is now, get in the Vernon column or be left out in the cold negative of defeat. The Allen Chapel Sunday school is growing to greater influence. Mr. Will Davis is a brilliant star as a superintendent, the classes are now meeting in their designated rooms each Sunday it is

truly a great benefit to all. Come out next Sunday and hear Bishop Jones. That introduction, given Dr. W. T. Vernon by the Honorable W. M. McDonald in Allen Chapel will long be remembered the graphic and picturesque paintings of eloquence was great. Dr. M. E. Spencer, master of ceremonies. Dr. A. L. Dotson officiated prayer.

PEACE REVEALS 20 YANKS WILL WED GERMANS.

Coblentz, June 28.—The army of occupation can now fraternize. The rule against it was declared a dead letter today by Col. Dodge, provost marshal, as it applied only during the state of war. Twenty officers and soldiers who were secretly engaged to German girls can now make the engagement public. (Copyright 1919 by The Tribune Co.)

"VODOO DOCTORS LYCHED AFTER A BATTLE.

Havana, July 3.—Five alleged Negro "voodoo worshippers" held in San Serrino prison at Matanzas on a charge of complicity in the murder of a little girl were shot and killed tonight by soldiers when they attempted to escape. They were being removed from prison to a place of greater safety

after a mob had attempted to storm the castle for the purpose of lynching the prisoners. Two members of the mob were killed and eleven injured when the soldiers fired on the would-be lynchers a couple of hours earlier.

ETERNAL TRUTH.

The man who does not entertain a good opinion of the lodge to which he belongs and speaks of it in an uncomplimentary way, should be kicked out of it. A house divided against itself cannot stand.

A WEALTHY NEGRO AND PROGRESSIVE FAMILY.

Prof. J. Phillips, A. B., the renown elocutionist while filling engagement in Bowie County, Texas, recently and taking observations as to racial uplift and progress was elected to know that Mr. H. Frank Smith owned 2,400 acres of Red river bottomland and lives at Oquden, Ark., 600 or 700 acres there with 40 or 50 comfortable houses, also own eight or ten brick houses rented in Arkansas. Mrs. Ino. L. Bernx, being a daughter of Mr. Smith. She and brother run the Texas side. It was the elocutionist pleasure to visit and be recipient of some of the rich hospitality of these well-to-do southern Negroes with bank accounts.
