DALLAS TO HAVE FINEST PLAY HOUSE IN SOUTHWEST.

The work of remodeling and improving the Palace Theatre which is to be located at 2407 Elm St., on the site formerly occupied by the Star Theatre was begun today. After extensive repairs the new theatre will be furnished with new and modern equipment throughout. When opened it will be the finest Colored theatre in the South and will not be surpassed except in seating capacity by any theatre in Dallas. The owners are sparing no expense in purchasing equipment and arranging service for the new Palace, as they are convinced that this theatre will fill a want long felt by the Colored people of Dallas for a high class amusement enterprise and that they will therefore receive a good return on their investment.
