DECLARE CARPENTER-SIKI FIGHT NOT FRAMED.

Paris, Oct. 19.—"I deny emphatically on my honor as a boxer, the infamous accusation that my fight with Siki was arranged by the referee. I broke the arrangement by knocking me out," declared Georges Carpentier to Universal Service.

From Amsterdam Universal Service received the following answer from Siki:

"The lying report was started by a sportsman who lost on Carpentier. I demand the fullest investigation. I never faked a fight in my life."

PUT UP FIDDLE AND BOW.

And now that the nineteen twenty-two baseball season has served its usefulness to fandom and makes its place among events of the past, promoters of its sport are forecasting extensive preparation for the upstart future while others are endeavoring to establish alibis why their clubs lost the pennant.

The bus of the big loop ran as follows:

Dallas Black Giants in the Texas Negro League; Tulsa in the Southern Negro League; Tulsa in the Western League; Mobile in the Southern (White) League; St. Paul in the American Association, Baltimore in the International League, New York Yankees in the American League and New York Giants in the National League.

LETTER OF MILLHOLLAND TO LODGE URGED PASSAGE OF DYER BILL.

(By A. N. P.)

WASHINGTON, D. C., Oct. 19.—That the fight to pass the Dyer Anti-Lynching bill had the cordial support of many of the leading and patriotic white citizens is discussed in a typical letter sent to Senator Lodge by John Harrison, of the Dyer bill, which is made public by The Associated Negro Press. This letter was sent to Senator Lodge the day before Congress adjourned, and is remarkable for its frank appeal for justice. It says: "Hotel Lafayette, Washington, D. C., September 21, 1932. Hon. Henry Cabot Lodge, United States Senator, Washington, D. C. My dear Senator: Don't let that DYER ANTI-LYNCHING BILL be beaten tomorrow. It should not be—it need not be, and you know that just as well as I do. After Massachusetts primaries anything is possible now in Republican politics. You know how the fearful and unbelieving shivered and shook over your prospects, and you know what was accomplished by real, resolute word.

Let this be done tomorrow: Don't hesitate to sacrifice the Dyer bill, if necessary. Of course, it is important, but nothing in comparison with the Dyer bill. The Republican Party will be held responsible for its defeat and you cannot explain it away in a hundred years. Just keep this in your mind—that every victory won by the Republican Party since 1868 is traceable to the colored vote, especially in the pivotal States. Our friends are tremendously wrought up on the subject, and they should be, for any man who would vote against the enactment of that humane legislation ought to be deported to join the Turkish Army with an especial assignment to the Kurds and the other representatives of Southeast Hell who are burning the women and the children, the old and the helpless in

NATIONAL LEAGUE.

The teams thus mentioned topped the race in their respective leagues. Many of the base ball worlds are turned to the task of lamping the dismal future for 1933.

The sport scribbles of the great Dallas Express picked four winners.

First the Dallas Black Giants to top in the Texas league.

The Memphis Red Sox to win in the inter-league class for championship of Dixie. The Tulsa Oilers to beat out the Mobile Bears for the championship of the white clubs of the south.

Picked the Giants to beat out the Yankees who were a 7 to 5 bet to win. For this we were lucky and now we hang up our fiddle and bow for nineteen and twenty-two being satisfied with the results thus accomplished and now place our future in the hands of father time, what more can a poor boy expect.

WILEY-JARVIS FOOT BALL GAME.

Wiley University opened the foot ball season Saturday with a game against Jarvis Christian College, on Wiley field. Although Wiley was forced to play several substitutes in important positions as several of the regulars were in bed with dengue fever, Wiley Jarvis had a strong line, executed several forward passes and showed considerable growth since her last appearance at Wiley. Among the new Wiley men who made good showings were McMillan, left half; Sams, right end; Owens, left end; and Orange and Braden at quarter. The game was a 7 to 0 victory for Wiley University, October 27th in Wiley Park. The first conference game will be played at Wiley field, November 4th, and then comes the great game with Prairie View on the Wiley field, Armistice Day, November 11th.

"Nacogdoches" A. B. C.'s Pitching Ace to Leave Soon For Texas.

Indianapolis, Ind., Oct. 19.—William Ross, better known as "Nacogdoches" will leave this city some time this month for Beaumont, Texas where he will spend the winter with his relatives and friends. Ross, who is the A. B. C.'s leading pitcher had one of the best seasons of his career, having won 26 and lost 10 games. He is expected to return to Wiley field in the club next season. It is the manager's intention to have him sign his 1933 contract before he leaves. The A. B. C.'s will play the Indians the local A. A. League club here and Ross is slated to pitch the game last Sunday these clubs played a 7 to 7 draw. Mahoney who started on the mound for the A. B. C.'s was wild and Jeffery relieved him and held the white boys safe. It will be remembered that the Senators of the All-Stars, the picked White club composed of players from different leagues here Sunday before last. The fans are wild to see the local white leaguers. The fans are planning to give him a big send off on the day of his departure for his home town.

KANSAS CITY, Mo., October 19.—Knights of the Ku Klux Klan thrust themselves squarely into the political arena in Missouri today, following an open meeting of the order in Convention Hall here to which 20,000 persons were admitted, while several thousand others fought in vain to gain entrance. The klansmen urged that only Protestant Americans be voted for at the coming election and that party lines be cast aside for that purpose. Senator James A. Reed was denounced and his defeat urged.

HEINOUS EFFORT. BURN WIFE ALIVE; TIED TO THE BED.

As his pain racked wife feebly tugged at her bonds, her husband savagely assaulted her again and

SAVANNAH, GA., Oct. 19.—The body of Tillman Moore, a colored man, who was slain in the Savannah River near East Broad Street last week, was recovered this week. He had been missing but it was not known he had met death. The body was bleached from being long in the water and the report to the police upon discovery of the body was that a white man had been found.

DALLAS, TEXAS, Oct. 19.—Texas is proudly declared by her native sons to be more than a state; it is a commonwealth, they say, embracing one-half of one per cent of the land area of the world, with great diversity of soil and climate and with a large variety of agricultural and mineral resources that it is more nearly self-sustaining than any other state in the Union.

Hot Springs, Ark.—"For several years I have had female trouble of the worst kind. I had severe pains and was so very nervous at my menstrual periods, usually put me in bed for two or three days. I feel much better in every way. My appetite is good, I am not so nervous and sleep better, and think it is a mighty good medicine for sick, suffering women. You have my permission to use this testimonial."—Mrs. B. B. Davis, 110 Farrell St.

After doctors had tried to relieve this lady, she found relief by using St. Joseph's G. F. P. This great woman's tonic has relieved thousands of weak and suffering women. One bottle may benefit you. GIBSON, REAL HE MAN STAR.

Busting bucking bronchos has been HOOT GIBSON'S long suit ever since he was ankle high to a grass-hopper. He is the champion horseman of the screen and there is no one to say him nay. In "THE GALLOPING KID" his latest universal starring vehicle, directed by Nat Ross, coming to the GRAND CENTRAL THEATRE, Oct. 30th-31st, Gibson's equestrian ability cannot be disproved by even an audience of the ex-Raiser's ex-Uhans. "THE GALLOPING KID" is an entirely different brand of western. The central figure in the story is a tramp cowboy who unexpectedly falls heir to a job as chaperon to a girl who is far to pretty to live in the cactus country. So the chaperon marries her to save her from the rest of the desert galeots. The leading feminine role is played by Edna Murphy who makes a very delightful opposite for Hoot Gibson. Others in the supporting cast are Lionel Belmore, Leon Barry, Jack Walters, Percy Challenger and Steve Clemente.
