"Sec. 4. The business of the company shall be conducted on the plan of DISTRIB-
UTING TO THE POLICY-HOLDERS THE PROFITS OF THE BUSINESS, as hereinafter
provided, unless by the consent of the assured the policy is non-participating."
"Sec. 5. This company may issue policies on the lives of husbands and parents, or
others, for the benefit of wives and families, and the same shall not be liable
for the debts or contracts of the assured, except as provided in the policies issued."
"Sec. 16. The company may invest policies payable IN GOLD: Provided, Premiums
are paid in the same."
"Sec. 10. The permanent investment of funds shall be in mortgages or liens on UN-
ENCUMBERED REAL ESTATE WORTH DOUBLE THE AMOUNT LOANED."
We would also call attention to the rights secured in policy as part of the contract.
Rights of party to non forfeiture in all its policies.
Rights of party to reinstatement—paid up policy, and surrender value where "inter-
vention of armies" or any other cause cuts the insured off from home office. This fea-
ture, omitted in policies of Northern companies, and the Southern people very heavily
in the late war, and should make them seek the only company that provides against such
contingency in future. Some companies now have in their policies, that parties who
"take up arms against" certain named States, "or the United States," render their pol-
icy null and void. This is making certain what was before uncertain, and is too great a
mingling of politics, war and life insurance.
"THE PIEDMONT AND ARLINGTON" has a model charter and model policy, plainly
state rights of parties and guarding those rights against sacrifice.
It gives dividends at the end of the first year, when all cash is paid, and of second year,
when part loan is taken. The all cash plan is unreservedly recommended as in every
way most satisfactory.
We now confidently appeal to every one interested in Southern prosperity to look to
their own interests, by sustaining their own institutions, and thereby establishing that
self confidence without which there can be no permanent prosperity. Bear in mind that
already over \$10,000,000 are annually sent North for Life Insurance, taking so much
from our strength, and thereby giving additional power to our competitors.
We offer a solid, reliable Life Insurance Company, thoroughly Southern, in the hands
of men of the highest integrity, with abundant assets, recent risks, the most secure of all
investments, pledged to retain within the State of South Carolina all funds accruing thereon,
and, indeed, presenting every advantage that can be desired; and we only ask a full ex-
amination into the superior merits of the "PIEDMONT AND ARLINGTON LIFE IN-
SURANCE COMPANY" to insure your patronage.
The Company has complied with the law of the State, requiring a deposit of \$50,000
in State bonds, with the State Comptroller, for the better protection of policy holders.
