

WIT AND HUMOR.

Why is matrimony like a patern? Because it's a clog with a ring to it. A splendid ear but a very poor voice, as the organ-grinder said to the donkey. If a small boy is called a lad, is it proper to call a bigger boy a ladder? Yes. A good way to light some cities with gas would be to sit fire to their editors. To put Puss into boots makes her a very tall cat; she stands four feet in her boots. "Are you above boarding my friend?" "No, I'm keeping house, I'm above board." Punch describes marriage as partnership without limited liability. Somebody avers that there are 550,000 grains in a bushel of wheat. He's "chaffing." A friend complaining of the "internal revenue system," says he can't put his boots on without a stamp. For finding and returning \$25,000 in gold in the street in New York, a young man was rewarded with two dollars! An editor heads his list of births, marriages and deaths thus "Hatched, matched and deatched."

Meeting of the Medical Practitioners of Spartanburg Dist.

Mn. Editor: The Medical Practitioners of this District met at Dr. Russell's Office, in the Village, and unanimously adopted the following ADDRESS TO THE PUBLIC. The exigencies of the times—the depressed state of monetary affairs—the high prices of provisions and all the necessities of life—imperatively demand that we increase our rates of charge. The credit system has long been indulged by physician in this country, and to an extent unknown in any other business. In our relations with the merchant, farmer and mechanic we are debarred from trust or credit. So that our very living now depends upon demanding the same rule of "the cash system," which is required of us. Therefore, Resolved, 1st. That the following Medical Fee Bill be adopted as our standard rates of charge. 2d. That settlement must be made in some satisfactory manner when the case is dismissed; and that for advice or medicine obtained at the office, payment must be made immediately.

Medical Fee Bill

Physicians in Spartanburg Dist. For visit and advice (Medicines extra) in the day, \$1.50 For visit and advice, after 10 o'clock at night, 3.00 Verbal advice and prescription at the office, 1.00 to 5.00 Written advice and prescription at the office, 5.00 to 10.00 For detention for more than one hour, 1.00 an hour Midwifery—natural labor, 10.00 to 20.00 "complicated, 20.00 to 50.00 Consultation Fee, 10.00 Mileage, 50 cents in the day, and \$1. at night. Student's fee for use of book and instruction per year, 100.00 Resolved, That all the regular physicians of the district are respectfully invited and requested to meet at Dr. Russell's office on Saturday in March, 1895, at 12 o'clock, to consult in reference to our mutual interests, and the welfare of our profession.
