Diamond SQUEEGEE TREAD Tires

Safe and Sane Business Methods

They are never extravagant methods, —they are conservative—but sure, —the sturdy, winning, determined methods of success. The safe and sane automobile tires are not extravagant in features, —but, like safe and sane business methods, are the conservative, sure, steady, winning, determined successes of tiredom—

Diamond SQUEEGEE TREAD Tires

—the tires with the red sidewalls, —that, well-rounded and well-balanced, are absolutely dependable. DIAMOND TIRES are not "featured" in any one particular direction; —but, like an all-round athlete, they do their all-round work 'way above the average, —at a low cost per mile of service. If you want a tire that will make you come back for more, buy one DIAMOND.

MORE HOUSES NEEDED FOR ELIZABETH CITY

The Chamber of Commerce has taken hold of one problem that sorely demands a solution. One of the greatest needs of this community, if it hopes to grow in numbers and wealth, is more houses. There is probably not another city in the country more seriously handicapped for want of houses. The problem, so far as Elizabeth City is concerned, is one of serious import. Those who are interested in the future of this city, and who come into frequent contact with newcomers, have the housing problem brought to their attention almost daily. The time has come to face this problem. The community no longer has the war for an excuse, and something should be done, and done at once. That the Chamber of Commerce is alive to the need of more houses was demonstrated by the interest manifested at Tuesday night's meeting, and it is confidently believed that a committee will be named that will be able to work out a solution of the housing problem in this community.

MRS. J. B. WALSTON

Mrs. J. B. Walston died at her home at Weesville Saturday night at 10:30 p.m., following a brief illness. The funeral services were conducted by Rev. Rufus Bradley at Newbegin Methodist Church Sunday afternoon. A very large crowd of sympathizing friends was present. Mrs. Walston's sudden decease was a shock to all who knew her. A true Christian wife and devoted mother, she combined with these qualities a kindly and sympathetic nature, a loving and generous disposition. She was ever ready to help those in trouble, and her neighborly ministrations will always be remembered by her numerous friends. Mrs. Walston is survived by a husband and the following children: Mrs. C. C. Meads, Mrs. J. E. Palmer and Mr. Leon Pendleton, of Weesville; Mrs. J. A. Harris, of Norfolk; Mrs. Thomas Meads, of Simond's Creek; Irving Walston, now serving with the American Army in France; and Johnnie Walston now at a training camp in Texas; also by a sister, Mrs. S. M. Brothers, and a brother, Mr. William Modlin, both of Weesville. (By a loving friend.)

CARD OF THANKS

We wish to express our sincere appreciation to all our friends for the many kindnesses rendered us during the recent illness and death of our dear wife and mother.

LEARN STENOGRAPHY

This war has opened up untold advantages to men and women in every branch of trade and business. You never know when you may need the experience of a business education. All up to date business houses demand skilled help.

Those who are holding high positions are many who began as Stenographers and were so competent they soon proved themselves invaluable to their employers.

We place our pupils just as soon as they prove they are capable, and are constantly being asked for capable pupils to fill positions. Good stenographers were never in greater demand than at the present time. The odds are too great against the incompetent. New and rapidly expanding business houses do not employ the unprepared. Classes in SHORTHAND, TYPE-WRITING, BOOKKEEPING, FRENCH and ENGLISH are being formed now at the ELIZABETH CITY BUSINESS COLLEGE.
