HIS TURN.

I've decided not to get an opera cloak or a new ball gown this year.
 Why not?
 My husband is looking so shabby by I think he simply must have a new suit.

NIPPED IN THE BUD.

Why did you start smoking again?
 Because Dobbs asked me if my wife forbid me to, and next I know she'll be telling her friends she did!

A GOOD REASON.

"Why don't you take a house permanently instead of carrying that house on your back?"
 "Cheaper to move than pay rent, my boy!"

HUMILIATING.

I hear that Brown met with a most humiliating accident.
 Yes. After dodging expensive limousines for years he was run over by a jitney.

A NATURAL QUERY.

Duck—Now I wonder what kind of a bird laid those funny yellow eggs!

RECOMMENDING HIM.

What kind of a husband will he make?
 One that is perfectly safe for a woman to drive.

A MARRIED COUPLE.

"We can't all be rich in this world."
 "No. But isn't it fine that we can all know someone who hasn't quite so much money as we have?"

THE IDEA.

Miss Goose—That must be that silly Gander trying to flirt with me.

HE WASN'T A DOCTOR.

At forty a man is either a fool or a physician.
 I've never known you to write a prescription.

A RARE CASE.

You remember Johnny Jones, the bad boy everybody said would surely come to a bad end?
 Yes; what of him?
 Nothing, except that in his case for once everybody was right.

Thing That Really Counts.
 The great thing in this world is not so much where we are, but in what direction we are moving.—Oliver Wendell Holmes.
