**Farms For Sale**  
AND BUYING FARMS  
I Now Have Over **\$1,000,000.00**  
Actual Values in Farms  
Located in a radius of 60 miles of Suffolk, Va. acreage running from 50 to 1,000 each farm  
Have the finest tobacco lands in Virginia and North Carolina, have samples of tobacco grown on farms I sold last year as bright and fine a quality as any on choicest of tobacco land in these United States. Have cotton, peanut, corn and general cropping lands, finest trucking and orchard lands in Virginia, on Nansemond River and her tributaries. Nearly every one of these trucking farms have their own wharfs, shipping direct by water to Norfolk, Baltimore, New York and other markets.  
Also the choicest of grazing and stock growing lands. These truck and stock farms have marl beds to supply and keep them fertile until the second coming of Moses. Have the most beautiful homes fronting the water, scenery cannot be excelled, selling from \$2,500.00 to \$90,000.00 each. Several of these farms have buildings which cannot be replaced for less than \$20,000.00 to \$50,000.00.  
Water as fine as can be found in Eastern Virginia and North Carolina. Uncle Sam and the City of Norfolk are spending millions of dollars on four lakes carrying water to the City of Norfolk and the Naval Base, 30 miles through pipes to Portsmouth and under the Elizabeth River, which bespeaks volumes for the estimate placed on our beautiful country by Uncle Sam's Civil Engineers and the general public.  
**Tobacco Growers—Listen**  
Something like one hundred and seventy-five acres of tobacco grown near Suffolk this year, and as soon as the farmers will increase the acreage sufficiently to justify the business men, Suffolk will see that you have a warehouse and a tobacco market worthy of the name and the City of Suffolk. We have six railroads and a river transportation line. Buyers what can you want better than we offer. Lands selling for less than half the price elsewhere and more fertile, with better advantages every way.

**FARM Bargains**

The demand for cheaper farm lands has caused us to extend our activities to other territories, and we have succeeded in securing near Norfolk, Virginia about 50 places that are remarkable bargains.

These farms are all within 10 to 25 miles of Norfolk, in an excellent community, on highly improved hard surface roads, near good churches and schools, and are equally as good as the higher priced North Carolina farms.

We have opened an office at Fentress, Virginia, 20 miles this side of Norfolk, in charge of Mr. John E. Corey, who will be glad to show you any of these properties at any time you desire. Take the Norfolk-Southern train at Elizabeth City, first informing Mr. Corey that you will be there, and he will meet you in his car and show you these properties, giving you time to catch the next train to Elizabeth City.

Mr. Corey or our home office will be glad to furnish you any particulars.
