TO BE SOLD, A LEASE for seven years, from the 25th March next, in 1801 capital and beautiful FARM, called PROSPECT-HILL, Situated within one quarter of a mile from the Brandywine Mills, and half a mile from the borough of Wilmington. The dwelling house is built of stone, two stories high, genteely finished, and contains four handsome rooms on a floor, besides an entry, with capital garrets, and convenient cellars. It is generally thought to command the most agreeable prospect of the Delaware, from the source of that river to the Cape. This prospect is greatly embellished by a full view of a vast body of meadow, through which the Chirilliana and Brandywine creeks are seen winding in beautiful meanders. Near the house are a Kitchen, a spacious stone stable and hay loft, a barn, a carriage house, milk-house, &c. and a well of as pure water as any on the continent. The garden contains an acre and quarter of land, abounding with fruit, and particularly with peach trees, of the very best kind, brought from Maryland, and in full bearing. There is, moreover, on the place, a young apple orchard beginning to bear, and several old trees that produce abundantly, besides cherry and other ornamental trees, in great numbers. The farm consists of near sixty acres of land, of good quality, and clear of incumbrances, except taxes, twenty of which are now in excellent clover and timothy, and ten more will be ready for sowing next spring. A residence of nearly 8 years has convinced the subscriber that the situation is remarkably healthy. The great post road from Philadelphia to the Southward runs within seventy yards of the house. In a word, the beauties and convenience of this situation cannot be enumerated in an advertisement, and when examined, will probably command the attention of any person who is desirous of living at one of the most elegant country seats on the continent. The purchaser may enquire on the premises next spring, or perhaps, this fall, if application be immediately made to Doctor NICHOLAS WAY, in Philadelphia, to Doctor WHARTON, on the premises, or, in his absence, to Mr. GEORGE TRUITT, in Wilmington. A quantity of excellent Hay, Grain in the ground, some Stock, &c. may be had by the purchaser at the time of sale. Nov. 7. eodf
