

Treasury of the United States.

NOTICE is hereby given to all persons who are or may be Creditors of the United States, for any sums of the *Funded Debt, or Stock, bearing a profit interest of six per centum per annum.*

That pursuant to an Act of Congress passed on the 23rd day of April, 1796, intitled an act in addition to an act, intitled "An act making further provision for the support of public credit, and for the redemption of the public debt," the said debt or stock will be reimbursed and paid in manner following, to wit: "First, by dividends to be made on the last days of March, June and September for the present year, and from the year one thousand seven hundred and ninety-seven, to the year one thousand eight hundred & eighteen inclusive, at the rate of one and one half per centum upon the original capital. Secondly, by dividends to be made on the last day of December for the present year, and from the year one thousand seven hundred and ninety-seven, to the year one thousand eight hundred and seventeen inclusive, at the rate of three and a dividend to be made on the last day of December, in the year one thousand eight hundred and eighteen, of such sum, as will be then adequate, according to the contract, for the final redemption of the said stock."

All distinction between payments on account of interest and Principal being thus abolished by the establishment of the permanent rule of reimbursement above described, it has become necessary to vary accordingly the powers of attorney for receiving dividends; the public creditors will therefore observe that the following form established for all powers of attorney which may be granted after the due promulgation of this notice, viz.

KNOW ALL MEN BY THESE PRESENTS, that I, *do make, constitute and appoint* *my true and lawful Attorney, for me, and in my name, to receive the dividends which are, or shall be payable according to law, on the (here describing the stock) standing in my name in the books of (here describing the books of the Treasury or the Commissioner of Loans, where the stock is credited) from (here insert the commencement and expiration of time for which the power of attorney is to continue) with power also an attorney or attorney under him, for that purpose to make and substitute, and to do all lawful acts requisite for effecting the premises, hereby ratifying and confirming all that my said Attorney or his substitutes, shall lawfully do, by virtue hereof.*

CAUTION.

WHEREAS very large and heavy debts are justly due and owing from messrs. Blair M'Clanahan and Patrick Moore, of the city of Philadelphia, merchants, trading under the firm of Blair M'Clanahan and P. Moore, and from Blair M'Clanahan in his separate capacity; to which, by the laws of the land, all the joint as well as separate property of the said Gentlemen, is, and ought to be, liable. And whereas it is clearly and satisfactorily ascertained, that Mr. Blair M'Clanahan, of the said firm, has conveyed away to Mr. John H. Huston, his son-in-law, to his daughter, Miss M'Clanahan, and to his son, George M'Clanahan, several large and valuable real estates, as well as considerable personal property, in the city and county of Philadelphia, in the county of Lancaster, in the county of New-Castle on Delaware, and elsewhere, with a view, as it is apprehended, to defraud the Creditors in the recovery of their just debts.— This is, therefore, to forewarn all persons whomsoever, against the purchase from the said grantees, or either of them, of any portion of the said real or personal property, as the most vigorous measures will without delay be taken to render the same liable to the just demands of the Creditors.

By order of the Creditors.

TO THE PUBLIC.

THE caution introduced into the public prints, warning all persons against purchasing from the grantees of Blair M'Clanahan, any portion of the large, real and personal estates he conveyed away to his son-in-law and to his children was the result of a deliberation had upon the subject by a general and numerous meeting of the creditors as well of Blair M'Clanahan and P. Moore as of Blair M'Clanahan individually. It was no more than an execution of that trust confided in the subscribers by those creditors: a step which it would have been a breach of duty and honor in them to have omitted. The very statement of the fact therefore must dispel the imputation that it was either "precipitate or vindictive." It originated in a desire to secure the property of the debtor as a fund for the payment of his just debts. It was sanctioned by the advice of council as a measure necessary to the safety of the creditors. As the advertisement has been injurious to Mr. M'Clanahan he owes that injury to his own unjustifiable conduct, not to the subscribers who have merely published the truth in terms as mild as the fact would admit, and who mean to investigate in a high court of justice the validity of those purchases of which Mr. M'Clanahan so confidently speaks.

The subscribers therefore are bound by a sense of duty to the creditors in general to repeat their caution against purchasing of those grantees or either of them, and to extend the terms of it to a purchase from any other persons (if such there be) to whom Mr. M'Clanahan may have made similar conveyances.

TO BE SOLD,
A LEASE for seven years, from the 25th March next, in that capital and beautiful FARM, called

PROSPECT-HILL,

Situated within one quarter of a mile from the Brandywine Mills, and half a mile from the borough of Wilmington. THE dwelling house is built of stone, two stories high, genteelly finished, and contains four handsome rooms on a floor, besides an entry, with a capital garret, and convenient cellars. It is generally thought to command the most agreeable prospect of the Delaware, from the source of that river to the Capes. This prospect is greatly embellished by a full view of a vast body of meadow, through which the Christiana and Brandywine creeks are seen winding in beautiful meanders. Near the house are a Kitchen, a spacious bone stable and hay loft, a barn, a carriage house, milk-house, &c. and a well of as pure water as any on the continent. The garden contains an acre and quarter of land, abounding with fruit, and particularly with peach trees, of the very best kind, brought from Maryland, and in full bearing. There is, moreover, on the place, a young apple orchard beginning to bear, and several old trees that produce abundantly, besides cherry and other ornamental trees, in great numbers. The farm consists of near sixty acres of land, of good quality, and clear of incumbrances, except taxes, twenty of which are now in excellent clover and timothy, and ten more will be ready for sowing next spring. A residence of nearly 8 years has convinced the subscriber that the situation is remarkably healthy. The great post road from Philadelphia to the Southward runs within seventy yards of the house. In a word, the beauties and convenience of this situation cannot be enumerated in an advertisement, and when examined, will probably command the attention of any person who is desirous of living at one of the most elegant country seats on the continent. The purchaser may enter on the premises next spring, or perhaps, this fall, if application be immediately made to Doctor NICHOLAS WAY, in Philadelphia, to Doctor WHARTON, on the premises, or, in his absence, to Mr. GEORGE TRUITT, in Wilmington.

A quantity of excellent Hay, Grain in the ground, some Stock, &c. may be had by the purchaser at the time of sale.

N. B. To favour those who may take a quantity of Tickets, the prize of 40,000 dollars will be the LAST drawn ticket, and the 30,000 the LAST but ONE.

Approved notes, securing payment in either money or prizes, in ten days after drawing, will be received for any number not less than 30 tickets.

This Lottery will afford an elegant specimen of the private buildings to be erected in the City of Washington.—Two beautiful designs are already selected for the entire fronts on two of the public squares; from these drawings it is proposed to erect two centre and four corner buildings, as soon as possible after this lottery is sold, and to convey them, when complete, to the fortunate adventurers, in the manner described in the scheme for the Hotel Lottery. A net deduction of five per cent. will be made to defray the necessary expenses of printing, &c., and the surplus will be made a part of the fund intended for the National University, to be erected within the city of Washington.

The Drawing will commence as soon as the tickets are sold off.—The money prizes will be payable in thirty days after it is finished; and any prizes for which fortunate numbers are not produced within twelve months after the drawing is closed, are to be considered as given towards the fund for the University; it being determined to settle the whole business in a year from the ending of the drawing, and to take up the bonds given as security.

The real securities given for the payment of the Prizes, are held by the President and two Directors of the Bank of Columbia, and are valued at more than half the amount of the lottery.

The twenty four gentlemen who by appointment of the late Commissioners assisted in the management of the Hotel Lottery are requested to undertake this arduous task a second time on behalf of the public; a sufficient number of these having kindly accepted, it is hoped that the friends to a National University and the other federal objects may continue to favor the design.

By accounts received from the different parts of the Continent as well as from Europe, where the tickets have been sent for sale, the public are assured that the drawing will speedily commence, and that the care and caution unavoidably necessary to insure a safe disposal of the tickets, has rendered the short suspension indispensable.

SAMUEL BLODGET.

Tickets may be had at the Bank of Columbia; of James West & Co. Baltimore; of Peter Gilman, Boston; of John Hopkins, Richmond; and of Richard Wallis Cooper's Ferry.
