For Additional City Intelligence see Fifth Page.

A SECESSION BISHOP.—The Rev. J. P. B. Wilmer, formerly Rector of St. Mark's Episcopal Church, of Philadelphia, has been chosen as the new Episcopal Bishop of Louisiana. He is a native of Alexandria, Va., and for the last year or so has resided at Elkins, where he had charge of a church. He left St. Mark's Church and returned South, and was subsequently sent to Europe to purchase Bibles and Testaments for the Confederate army. It was on his return from England that he was captured by the Lower Chesapeake by a Federal cruiser, and sent to the Old Capitol Prison, from which he was soon released. This statement, published in a Southern paper, is not altogether correct. The reverend gentleman detained at Fort Monroe. He had with him a large number of chests, filled with printed works and material of every description, some of which were exactly the reverse of Bibles and Testaments, and made for base purposes. Specimens of the same were brought to Philadelphia and exhibited in the Detective's office. He was permitted to go South, but was finally arrested as a spy, and locked up in the Old Capitol Prison, from which he was released by the clemency of President Lincoln.

THE HORTICULTURAL SOCIETY.—A monthly meeting of the Horticultural Society was held at their hall, corner Broad and Walnut streets, last evening—D. Rodney King, President, in the chair. The purpose of the meeting was to listen to an essay on the "Philosophy of Pruning," by Dr. John A. Warder, of Cincinnati, President of the Ohio Pomological Society. His remarks were somewhat elaborated. There were two objects, he said, in pruning, one which is to produce wood growth, and the other to produce fruit. Whatever tends to check the growth of the wood induces the formation of fruit spurs, and throws the tree into a bearing condition. The various methods of pruning the two results attained by the same process. A discussion among the members of the Society on the same subject then ensued, in which the value of seeding orchards down to grass for the purpose of inducing a fruit-bearing condition in the trees, and the value of inducing healthiness and longevity, was set forth. Cherries were particularly spoken of as much more subject to disease in ploughed ground than in a grass soil. It was stated that one of the most successful fruit growers in the country, who resides near Pittsburg, adopts the method of keeping his trees in grass soil, cutting the grass annually, and top-dressing the same in order to restore the waste caused by the abstraction of the nutrients. The Society then adjourned till Tuesday evening next, at which time a special rose and strawberry exhibition will take place. The competition on this occasion will be open to all.

POLICE INTELLIGENCE.—At the Central Station yesterday, Joseph Thomas had a final hearing on the charge of committing several boarding-house robberies. Mrs. Frances E. Seal testified that the defendant came to her house, No. 911 Arch street, about two weeks ago, and took board. He represented himself to be a Government agent for the detection of persons engaged in defrauding the revenue department, and wished to be allowed to use a room, and some writing to do. His request was complied with, and that was the last Mrs. Seal saw of him until she met him at the Mayor's office. At supper time a servant went up to his room to call him down, and the room was found empty. A suit of clothes had disappeared with him. James Spencer, of No. 635 V. street, testified that defendant came there and engaged boarding, and left suddenly, a watch disappearing at the same time. As a previous hearing had been had, the case was continued to the next day. James Lanney, arrested on the charge of being concerned in the theft of Government bonds to the amount of \$5000, was yesterday discharged.

V. P. Brown and Henry Alexander had a hearing before Alderman Butler, yesterday, on the charge of stealing five barrels of wine and one of vinegar from the residence of Mr. Taylor, in West Philadelphia. The evidence traced the property to the possession of the accused, and they were committed to answer.

MISSIONARY MEETING.—The Missionary Society connected with the African M. E. Church held a meeting last evening in the Bethel Church, Rev. Stephen Smith in the chair. After introductory religious exercises the Rev. John D. Brown, Corresponding Secretary of the Board of Missions, was introduced, and made an interesting statement in reference to the condition and prospects of the African Methodist Episcopal Church South, showing by figures its rapid growth within the past five years, more especially in Virginia, North and South Carolina, and Georgia. In some of the States there is a very large membership, and the church property quite valuable. Bishop Campbell was next introduced, and gave an account of his travels in the Southwest within the past two years, and spoke with special reference to the condition of the freedmen. The great need of missionaries in the valley of the Mississippi, and of the necessity of their being extensively enforced by the Bishop. Addresses were then delivered by the Rev. J. W. Jackson and Rev. Alfred Cookman, who spoke of the responsibility resting upon the colored people of the North, and the extent of their means in promoting the education and Christianization of the millions so lately released from bondage.

THE BOARD OF REVISION are now engaged in making divisions of property, and abating or increasing the assessment on properties. There have been, thus far, over five hundred applications from persons asking for a division of property, so that the same can be assessed in the own names. The Board also directed the Assessors to make a duplicate assessment of new property and additions made to old buildings. This assessment has added about \$1,400,000 to the real estate for 1866, upon which the present rate of tax will have to be paid. The abatements, duplicate assessments, and errors of quantity of land, etc., made thus far will not amount to one-third of the sum that has been added to the duplicate since the organization of the Board.

THE FLAG PRESENTATION.—The officers of the 61st Regiment P. V. met last evening at the District Court Room, and resolved to turn out on the coming Fourth of July and participate in the flag presentation on that day. The color-guard of the regiment will parade in uniform. The Third Pennsylvania Cavalry Regiment have also determined to participate in the celebration.

CASUALTIES.—William Dwyer, aged thirty-five years, residing at No. 11 Annapolis street, Philadelphia, had his leg badly injured by a barrel of coal oil falling on it, in West Philadelphia. Peter McGuire, aged four years, residing at No. 618 Charles street, had his thigh broken by falling out of a wagon. Thomas Malone, aged thirty-two years, residing at Twentieth and Spruce streets, had his body badly lacerated and his leg broken, on Twenty-third street, below Spruce. He fell from a cart which he was driving, and one of the wheels passed over his body, breaking a bottle that he had in his pocket, and thus causing the lacerated wounds. All of the above were admitted into the Penn Hospital during yesterday.

THOMAS CONDON, residing in Tenth street, above Thompson, while carrying a hod up a ladder in Richmond street, near Huntingdon, lost his hold and fell to the ground. His back was badly injured, and several of his ribs broken. He was removed to St. Joseph's Hospital.

FOURTH WARD ASSESSORSHIP.—The contested election case in regard to the Fourth Ward Assessor was brought to the notice of the Honorable Judge Ludlow yesterday morning, in the Court of Common Pleas, by Mr. John Whitehead, the contestant, in person, his counsel being absent. The contestant desired that a day be fixed to hear the testimony in the case. The application not having been made by counsel, the Judge decided the present motion to be informal, and the further consideration of the case was postponed. The subject in dispute needs no further explanation, as the assessor, who will probably submit an official report in a short time.

HOW A ROBBERY WAS COMMITTED.—Several certificates of City loan, of Germania Bank stock, with some shares of Commonwealth Bank, and other valuables, were stolen a few nights ago from the liquor store of Mr. Casper Hill, No. 258 North Third street. The property was taken from the shop, and the thieves breaking out the brickwork along the iron door-jamb, and opening the inner iron door without disturbing the outside door. A sufficiently large piece of the wall was broken away to admit of a man passing through. This is the second depredation of the kind in the Sixth Ward within a few weeks.

THE CELEBRATION OF THE FOURTH OF JULY.—The Handel and Haydn Musical Society have volunteered to assist in the ceremonies in Independence Square on the Fourth of July. A large band of music is also to be organized for the occasion, to include some of the best of our performers. This will be independent of the music on the line of parade. The committee propose to erect an immense stage in the square for the accommodation of those who will be present to take part in the ceremonies. It is expected that about twelve hundred soldiers' orphans will be on the platform.

HIGHWAY ROBBERY.—Late on Monday night a gentleman residing in the northwestern portion of the city was assailed by two men. One held the hands of the gentleman behind his back, while the other robbed him of his watch, purse, and a ring which they took from his finger. The robbers escaped.

FIRE.—A slight fire occurred about 10 o'clock last evening, in the composition roofing establishment of Warren & Co., on the first wharf above Pine street, Schuylkill. The loss will not exceed \$300.
