BOARD OF SCHOOL CONTROLLERS.—A stated meeting of the school controllers was held yesterday afternoon.

A communication was received from the Third Section asking an appropriation of \$500 for repairs to the Mount Vernon School building.

From the Sixth Section, asking that \$30,000 of the loan be set apart for the building of a school-house at Crown and Race streets.

From the Tenth Section, asking that \$20,000 of the million loan be set apart for the erection of a school-house on a lot on Ludlow street, below Thirty-sixth. Referred.

The Committee on Accounts reported their approval of bills to the amount of \$10,515.43, which are ordered to be paid.

The Committee on Property reported that an additional appropriation of \$2000 will be required for rent and additional buildings and repairs. Referred to Councils.

Mr. Haines offered a resolution closing the office of the Board for three weeks, so as to allow the clerks and messengers an opportunity to recreate.

Mr. Green thought the controllers should consider whether it is not requisite to have the office open every day in summer.

Mr. Shippen said that great inconvenience might arise from the closing of the office for several weeks, and he understood that an arrangement had been made by which the office would be kept open every day.

Mr. Haines—Not if the resolution passes. I suppose the resolution of the Board will supersede action in any other quarter. The resolution was then adopted.

Mr. Freeborn offered a resolution of inquiry, as to whether the pupils of the Lincoln Boys' Grammar School had not been allowed a vacation of several weeks while the Principal was preparing boys for the High School examination.

Mr. Levek opposed the resolution. He thought it a matter which belonged to the Sectional Board alone.

Mr. Freeborn was of the opinion that the subject was worthy of consideration. He had heard that some of the section school children were allowed to run the street while the Principals were preparing boys for the High School examination. The resolution was adopted.

The Board elected the following ladies teachers in the Girls' High and Normal Schools:—

Miss Lavinia Whitaker, teacher of Rhetoric and Moral Science, in place of Miss Mary E. Hoop, resigned; Miss Sallie A. Walker, teacher of Latin and Ancient History, in place of Miss Mary E. Tazewell, resigned; Miss Mary C. Dickes, teacher of Algebra and Theoretical Arithmetic, in place of Miss Henrietta M. Thomas, resigned; Miss Sallie W. Smith, teacher of Physical Geography and Constitution of the United States, in place of Miss Mary E. Durnett, resigned. Adjourned.

THE CENTRAL HIGH SCHOOL.—In a late edition yesterday we gave the names of the young ladies who have been successful in the recent examinations for admission into the Girls' High and Normal School. To-day we give the similar list of admissions into the Boys' Central High School, with their averages, as follows:—

Table with columns: No., Name, School, Average. Lists names of students and their respective schools and average scores.

COUNTERFEITING.—John Foster and Charles and John Moorhart have been held by Alderman Toland to answer at Court the charge of making spurious postal currency.

TAX RECEIPTS.—Below is a statement showing the amount of city tax collected on the duplicate of 1866, together with the tax assessed and the discount allowed:—

Table with columns: Date, Amount of Tax Assessed, Discount, Net Received. Shows financial data for tax collection.

THE CROSBY OPERA HOUSE ART ASSOCIATION.—We had occasion a few days since to refer to this great enterprise for the encouragement of art, and would call attention to the advertisement in to-day's issue, setting forth the whole plan, from which it will be learned that the third man arrested had been making inquiries about the box during the day. The magistrate, upon these premises, concluded to let the case go to the Grand Jury.

BROWNED.—John Hoffman, 11 years old, was drowned yesterday, by falling into the Delaware from a schooner at the foot of the Richmond wharf. John Devlin, nine years old, fell overboard yesterday, at Shippen street wharf, and was drowned. He resided at No. 614 S. Front street. The bodies of both lads were recovered.

PLACES OF AMUSEMENT LICENSED.—During the present year the Mayor has granted licenses to eighty-six places of amusement, each of which pays \$10 into the City Treasury. These establishments consist of theatres, concert saloons, dance-houses, etc.

MATTERS OVER THE RIVER.—SERIOUS ACCIDENT.—The carelessness of people seems to be on the increase. Yesterday afternoon, as a train of cars on the Camden and Amboy Railroad was approaching Camden, and when in the vicinity of Cooper's creek bridge, a woman named Amanda Wente attempted to cross the track just in front of the approaching train, when she became confused, stumbled, and fell across the track. Before she could recover herself she was struck by the engine, thrown down and embankment by the cow-catcher, and injured in a terrible manner. The engineer blew his whistle, but before he could stop the train the woman had been knocked from the track. She alone was to blame for her injuries, which ought to serve as one more warning to those who are so reckless in exposing themselves to danger.

CHURCHES IN THE FIRST DISTRICT.—In Camden county there are present 24 churches, containing a membership of 23,475 persons.

These churches, with their other property appertaining, are valued at \$228,156. Atlantic county contains 31 churches, which have 6375 members, and the buildings are held at \$66,000. Burlington county has 110 churches, valued at \$493,450.

HANDSOME REPAIRS.—The officers who founded and who are still the Managers of the Camden Home for Friendless Children, are now fitting up the new apartments of that institution, which they recently came in possession of, in a handsome and convenient manner.

The great blessings conferred by this Home upon the friendless little ones whose fathers were slain in the cause of Freedom during the bloody battles of the recent rebellion, are of the most philanthropic character, and the ladies and managers are determined to make it permanent.

with a membership of 35,000. Gloucester contains 23 churches, and 15,210 members, valuing their total property at \$845,806. Cumberland county has 20 churches, with 11,825 members, and property worth \$157,000. Cape May has 22 churches, 4000 members, and church property valued at \$50,000. Salem, 43 churches, valued at \$287,235, and containing a membership of 19,752.

There are several new churches in process of erection, which have not been included in the above enumeration, and which, when completed, will give capacity for a much larger membership.

TEMPERANCE MATTERS.—The semi-annual meeting of the Atlantic County Temperance Society was held yesterday in Atlantic City, and in the evening an interesting lecture was given. Atlantic county is a good field for labor, in for that city alone seventy-five rum shops have been licensed the present year, yielding an income to the city of some \$3000.

WIFE BEATER.—A man named Cooper was fined by Alderman Budd yesterday, for having beaten his wife in a desperate manner. It is said that he has been in the habit of doing it on various occasions, and it is hoped that his introduction to the Mayor will be of an improving nature to his future conduct in this respect.

ALL RIGHT NOW.—On Monday evening the Council of Aldermen (City passed an ordinance forbidding owners of dogs allowing said animals running at large in the streets without being securely muzzled.
