

The Hahnemann Life Insurance Company

In another column appears the statement of the finances of the above Company, as required by the laws of Pennsylvania, from which we learn that it has a well-invested capital of \$200,000, and is able to make its policy-holders secure beyond all peradventure.

Washington, July 2, 1866.

Dr. J. P. Duke.—I am well acquainted with the stockholders and managers of the Hahnemann Life Insurance Company of New York, Ohio, of whom you are anxious, etc.

This company is the first in our country to extend its lines, and to consider among other causes tending to increase or diminish the average period of human life, the results of medical treatment.

It is surprising that Actuaries of life insurance should consider it necessary to fix different rates of premium for persons following one avocation or another, or traveling in one direction or another, while they pay no attention to the effects of the direct means employed to restore health and prolong life.

With an abundance of reliable statistics showing the comparative results of different modes and means of medical practice, why should not the mathematician as readily calculate the difference in risks arising from medical treatment as from various avocations and places of travel?

This company, after collecting and examining the reports of more than eighty hospitals in this and other countries, and finding the rates of mortality, under Homoeopathic treatment, less by fifty per cent, than under the Allopathic, has had prepared a new table of mortality, by Professor Edwin Wright, of Boston.

We observe among the names recommending this Company in Washington City, the following:—Charles Knapp, Esq., George S. Gideon, Esq., Henry D. Cook, Esq., Senator Sprague, Senator Chandler, Senator Riddle, and Hon. Montgomery Blair.

MATTERS OVER THE RIVER.

THE LATE HOMICIDE.—Since the previous examinations were had in the matter of the late homicide of an aged lady near Centreville, Camden county, a heavy cloud has been found, completely obscured with blood and hair, leading to the supposition that it is the weapon used by the assassin in the bloody work of murder which he perpetrated on that occasion.

CENTENARY CAMP MEETING.—The members of the various M. E. Churches in South Jersey are busily engaged in making extensive preparations for the centenary camp meetings, soon to come off in Gloucester and Salem counties.

SUNDAY SCHOOL EXCURSION.—The Third Street Methodist Episcopal Church Sunday School have arranged to give a grand picnic excursion to Red Bank, on Thursday.

KILLING DOGS.—About fifty canines have been slaughtered in Camden since the ordinance went into effect prohibiting them from running at large in the streets without being properly and substantially muzzled.

ATLANTIC CITY.—A number of new buildings are in progress of erection in Atlantic City, which will soon be completed.

HANDSOME BUILDINGS.—There are now five large and fine new private residences nearly completed on Second street, near Cooper.

CITY INTELLIGENCE.

ADVERTISING "NOW AND THEN."—If there is one thing more than another that shows the advance in business ideas from the old fogeyism of past years, it is the increased amount of advertising that is done by our business men of all classes.

ATLANTIC CITY.—A number of new buildings are in progress of erection in Atlantic City, which will soon be completed. Others will be commenced as soon as these are finished.

A GRAND BILLIARD SALOON.—Concert Hall has done the last of its duty in the way of lectures, mass meetings, balls, and fairs.

It is now opened as a billiard room, under the management of Messrs. Leach & Hoyt. It contains twenty tables of the best make, and taken altogether, without doubt, the finest and most attractive billiard establishment in the United States.

INJURED BY A FALL.—About a quarter of 2 o'clock this morning, Andrew Fleming, employed by Barclay & Co., Delaware avenue, above Arch street, fell through the hatchway from the fifth to the first story, and broke his leg and otherwise injured himself.

DIED SUDDENLY.—At No. 2 Harrison place, a man named Henry Thomas, 63 years of age, died this morning. The Coroner will hold an inquest to-day.

CASES OF SUPPOSED COLERA.—There were five cases reported at the Board of Health to-day up to 1 P. M. Of these there were four adults and one child.

HOW TO REDUCE THE TEMPERATURE.—Although the mercury should rise to "snout in the shade," One method true we can advise is to take a cold bath.

A SWINDLER.—Yesterday a man named Namin Wolff was arrested at Third and Baitman streets, on the charge of obtaining money under false pretenses.

CLERGYMEN owe it a duty to their flocks, as well as to themselves, to maintain, as far as may be, a sound state of body. The days are gone when health was considered to be inconsistent with holy vows.

CONJUGIAL FELICITY.—Yesterday a brute rejoicing in the name of Joseph Woods was arrested for beating and maltreating the wife of his bosom.

DEFRAYING THE PUBLIC.—We do not see any reason why a corporation or an association of any kind should be used to swindle the public by obtaining their money under false pretenses, any more than any individual.

PERCY DAVIS' PAIN KILLER.—I is a real pleasure to us to speak favorably of this article, known almost universally to be a good and safe remedy for burns and other pains of the body.

"NEEDLE" CAMPION.—Indispensable to all tourists. Positive cure for Bowel Complaints, Choleraic Diarrhea, etc. Made only by C. H. NEEDLES, FINEST AND RACE STREETS, PHILADELPHIA.

HIGHWAY ROBBERY.—James Berry, a civilized Comanche, was taken up yesterday afternoon, about 3 P. M., in the neighborhood of Logan and Pratt streets, in West Philadelphia, charged with purloining horse-flesh.

SLIGHT FIRES.—Early this morning, some ladies living in the rear of a building below Sanderson's chair factory, discovered a fire breaking out in the rear of Sanderson's, No. 433 Walnut street, and promptly gave the alarm.

\$6,000,000 SEVEN PER CENT. FIRST-CLASS First Mortgage Bonds.

THE NORTH MISSOURI RAILROAD COMPANY has authorized us to sell their First Mortgage Seven Per Cent. Three Year Bonds. The whole amount is \$6,000,000.

Before consenting to this Agency, we have made a careful examination of the merits of these Bonds, by sending William Milner Roberts, and others, to report upon the condition and prospects of the Railroad.

The proceeds of these bonds will be used in extending a Road (already complete 130 miles into North Missouri) to the Iowa State line, where it is to connect with the railroads of Iowa; and to also extend it westward to the junction with the Pacific Railroad (at Leavenworth), and other roads leading up the Missouri River, so that this mortgage of \$6,000,000 will cover a completed and well-stocked Road of 389 miles in length, costing at least \$16,000,000, with a net annual revenue after the first year, of over \$1,000,000, or a sum nearly four times beyond the amount needed to pay the interest on these Bonds.

The Railroad connects the great city of St. Louis with its two hundred thousand inhabitants, not only with the richest portions of Missouri, but with the States of Kansas and Iowa, and the great Pacific Railroads.

To the first applicants we are prepared to sell FIVE HUNDRED THOUSAND DOLLARS, at the low rate of EIGHTY CENTS, desiring to obtain a better price for the remainder. This will yield about 9 per cent. income, and add 20 per cent. to principal at maturity.

Any further inquiries will be answered at our office. JAY COOKE & CO., BANKERS, No. 114 South THIRD Street.
