LATING OF A CORNER-STONE.—Yesterday afternoon, at 1 o'clock, the corner-stone of the new Mount Pisgah African Methodist Episcopal Church was laid with appropriate ceremonies.

The services were conducted by the Rev. Bishop Alexander Wayman, of Maryland. The clergy present were numerous, including the Revs. Deacon Doyle, W. Moore, E. Weaver, J. B. Hamilton, Richard B. Gibbs, M. Boyer, J. Lowry, F. J. Cooper, G. Washington, B. F. Lloyd, D. Seaton, and Henry J. Rhodes, the Pastor of the church.

The Rev. E. Weaver read the opening hymn, and the Rev. Deacon Doyle made the introductory prayer. The Ninety-sixth Psalm, as a Scripture lesson, was then read by the Rev. M. Boyer.

A formal request to the congregation for aid was made; and the members appeared not at all reluctant to contribute to the full extent of their ability. In a short time over fifty dollars were brought forward. This, added to the money thrown into the collection, swelled the amount to a respectable figure.

At the conclusion of the collection, the Bishop, clergymen, and members repaired to the stone. After an address by the Rev. Daniel P. Seaton, and a prayer by the Rev. F. J. Cooper, there was a reading in the stone the following articles:—The Bible, a hymn-book, the Discipline of the African Methodist Episcopal Church, a copy of the Recorder (the organ of the Church), the names of the ministers present, the names of the Governor of the State and the Mayor of the city, names of the elders and officers, and the name of Abraham Lincoln.

Rev. William Moore then pronounced the Benediction, and an avenue being made through the spectators, all those who desired to do so were afforded an opportunity of viewing the stone and its contents.

SEIZURE OF COTTON.—Collector Frazer, of the First Collection District, has been instrumental in seizing recently 2500 bales of cotton, the amount of which has already been made in these columns, which there is good reason to suppose was being smuggled into this port without payment of the usual tax rate. The seizures were made at three different times, within an interval of days, recently. The cotton was stored in the lower section of the city, and comes mainly from Tennessee. One hundred and ten of the bales seized were devoted to the usual "tax" which marks the freight, and by law must be attached to each bale. The parties to whom the cotton was consigned have entered security for the payment of the tax, which will amount to \$33,750 on the 2500 bales. If it should be proved that no tax has been yet paid, the tax on cotton is three cents per pound, and each bale contains about 450 pounds. The department at Washington has recently forwarded some very stringent orders regarding cotton, as it is believed that owing to the whisky distillery swindling which has claimed so much of the attention of the authorities, large quantities of it has escaped taxation.

THE ROUTE.—The following route has been adopted for the route of the Washington Engine Company, of Brooklyn, to take place on next Wednesday evening:—From Front street, right resting on Walnut to Third, up Third to Chesnut, up Chesnut to Ninth, up Ninth to Spring Garden, up Spring Garden (on north side) to Thirteenth, down Thirteenth to Arch, up Arch to Fifteenth, down Fifteenth to Fitzwater, down Fitzwater to Tenth, down Tenth to Wharton, up Wharton to Eleventh, up Eleventh to Benjamin Engine House, and there dismises. The Chief Marshal of the United States, C. W. Nuvenille, Fellowship Engineer; J. H. Shoemaker, Humane Engineer; F. B. Bolt, United States Engine, Camden; A. J. Barr, Warren Hose. The Convention elected as Division Marshals James J. B. Barr, of the Harmony, First Division, and Benjamin B. Frisnuth, Fairmount Engine Company.

SPIRITS WITHDRAWN FROM BOND.—The following withdrawal from bond, for consumption and transportation, for the month of May, as shown by the Collector's monthly statement to the Assessor of the First District, Mr. Frazer:—Withdrawn for consumption, 39,465 lbs 10-100 galls. Withdrawn for transportation, 11,434 lbs 10-100 galls. Total, 50,899 lbs 10-100 galls.

Amount of tax paid on the same, at \$2 per gallon, \$85,118.48, which being multiplied by 12, the number of months in a year, shows that the First District will pay in one year \$1,021,421.76 taxes on distilled spirits. There are now about 250 of the same districts in the United States, and were they all to do as well this district, the Government would get \$250,000,000—\$150,000,000 more than was estimated.

HOW PHILADELPHIA IS LIGHTED.—The city of Philadelphia is now lighted at night with 7632 public lamps. Of this number 7180 are supplied from the works under the charge of the Trust of the city; 427 from the Northern Liberties Gas Works; and 15 are supplied with fluid.

WATER RENTS.—There is still due the Water Department for rents of 1867 about \$60,000. All parties who neglect to pay their rents before the 1st of September will be deprived of water, and the amount due sued for, with \$2 added, for the expense of cutting off.

Why George Sand Does Not Like Caricatures.—George Sand has written the following letter, refusing her sanction to the publication of a caricature of her by one of the little pictorial journals of Paris, July 8.—"If I were free, sir, I would say 'yes' directly, for I never was vain, and I am not going to be at the age of sixty-three. But all my friends are against it, and my children would be pained by what you propose to do. Everybody who tells me this so seriously that I must say 'no.' I will excuse me, won't you? Believe that I am very sorry to refuse a request made in such friendly and amiable terms."

—Dan Bryant is going to California. —John G. Saxe has returned from Europe. —Ex-guerrilla Quantrell is living in Texas. —The Prince of Wales has assigned the pledge. —The Leland brothers have a fortune of five millions. —Tennyson has bought a retired residence near Haslemere. —Which is the business that would "swoot" everybody? Chimney sweeping.

—The reported colored candidate for Congress from South Carolina, Aaron P. Sweatt, says that he is not going to get into a pre-arrangement about politics, that he doesn't want to go to Congress, and that he spells his name with two U's.

—Mr. G. W. Bancroft, an old resident of Athens township, Pennsylvania, was badly torn and bruised by an angry bull of his a few days since. A dangerous wound laid open the left thigh, while many scars and bruises appear upon his body. Though badly injured, he will probably recover.

—In London recently a case occurred, showing the dangers of insufficient ventilation. A young man employed by the Great Western Railway Company had gone to sleep one night in a room of the Company, and was found dead next morning. It appears from the facts elicited at the inquest, that the room measured only ten feet by twelve, and that it had four gas-burners, two of which were lighted when the young man entered it to go to sleep on a bench, and becoming covered by the foulness of the air, from which all vitalizing properties had been extracted, he fell forward against a fender, and his neck striking the edge, he died of strangulation.
