There is good authority for stating that in this country one adult out of every six dies of Consumption; and, indeed, so prevalent and so fatal has this disease become, that it is deemed as the great scourge of the race; and yet, in the formative stages all Pulmonary Complaints may be readily controlled by resorting promptly to the EXPECTORANT of Dr. D. JAYNE, which soothes and strengthens the bronchial tubes, allaying inflammation and cleansing them and the lungs of all impurities.
