How Far Are We Responsible

Etc., Etc., Etc., Etc., Etc.

FROM NEW YORK.

Fenian Trials. CANANDAIGUA, June 27.—In the United States Circuit Court to-day, the Fenian raiders, General Starr and Colonel Thompson, were arraigned upon several indictments against them and pleaded not guilty.

They were indicted jointly and separately for violating the neutrality laws. General Starr appeared with his counsel, who stated to the Court that his client would not be ready for trial at the present term, that he required reasonable time to prepare for his defense, and that he had affidavits to sustain his motion to postpone the trial. The Judge said he would hear the motion at 3:30 P. M. Colonel Thompson said that his counsel had not arrived, but that he would be here some time to-morrow, when the motion will be heard. The District Attorney will oppose the motion and press the cases to trial.

MUSICAL AND DRAMATIC.

The City Amusements. AT THE WATER GATE, the most attractive drama of the week will be performed this evening and during the week, after which the theatre will be closed, and a number of extensive alterations and improvements made preparatory to the fall opening. Considering the extremely hot weather of the last week The Water Gate achieved a decided success, although it did not attract as large audiences as its merits deserved. It is an exceedingly pleasant play, interesting without being soul-harrowing—just the kind of piece in fact for the hot weather. The various characters are admirably sustained, and we commend it again to those who wish to pass a pleasant evening.

AT THE ARCH Mr. Josh Hart's Grand Triple Comedies commences its second week this evening, when the burlesque and harlequinade of Robinson Crusoe and his Man Friday will be produced in grand style. The entertainment will include Messrs. Moffitt and Bartholomew, the pantomimists, the Kiraly Troupe, and a great number of other talented performers. This kind of an entertainment is eminently suitable for the season, and it will undoubtedly secure a fair share of the public appreciation.

AT DUPREZ & BENEDICT'S Opera House this evening of the nature of which we are in total ignorance. If the curiosity of the public on the subject is equal to our own, the house will not be able to hold all who apply for admission.

IF YOUR CHILD HAS LOST ITS APPETITE, seems cross and fretful, and altogether in a bad way, without any particular disease manifesting itself, take for granted it needs a good tonic to invigorate the system, strengthen the stomach and bowels, and bring back a healthy appetite, and then obtain Dr. Jayne's Tonic Vermifuge, which, besides being one of the best general tonics, will rout all Worms from the system, and give your child a chance for enjoying good health. SEA MOSS FINE is creating a great sensation in the food market, and its uses, as set forth by the reports of scientific experts, are many and various. In the first place, when employed in the preparation of puddings, blanc mange, cream, gruels, and scores of other delicacies for the family table or the sick room, it adds largely to the quantity of nutriment derivable from the other materials, and in the second place renders the dish, whatever it may be, far more palatable and agreeable to the taste than it would have been without this cheap and pure ingredient. Such is the testimony of a large number of the most prominent hotel-keepers in New York and other cities, and it is being used largely in all the hospitals, and will prove a lasting blessing to the poor.

GLITTERING TRUTH.—Not only does SODIUM IMPART the whiteness of the purest porcelain to the teeth, but its POLISH, too. They glisten after being brushed with it, like the inner surface of an ocean shell, and the effect of this peerless dextrine is to render the enamel as hard and indestructible as adamant.
