HELMHOLD'S PREPARATIONS.

H. T. HELMHOLD'S

Concentrated Fluid Extract Buchu.—THE GREAT DIURETIC.

The proprietor trusts that his remedies, from the fact of their being advertised, may not be classed as patent medicines.

HELMHOLD'S FLUID EXTRACT BUCHU

Is a pharmaceutical preparation. The proper name is given, and it is the most active which can be made. It is indorsed as a cure by all medical works for such diseases as recommended by the proprietor.

See medical properties contained in Dispensary of the United States, of which the following is a correct copy:—BUCHU.—Its odor is strong, diffusive, and somewhat aromatic. Its taste is bitterish, and analogous to that of mint.

CURE OF KIDNEY AND BLADDER AFFECTION OF A PATIENT SEVENTY-EIGHT YEARS OF AGE.

THANKS TO MR. HELMHOLD.

EDITOR "COSMOPOLITE":—I desire as an unsolicited relief against the retention of urine, and for the benefit of those similarly afflicted as myself, to say that after consulting many eminent physicians, and trying nearly the best advertised remedies, in the vain hope of finding relief from aggravated kidney and bladder diseases, from which I have suffered excessively for many years, good fortune finally suggested to me Helmholtz's Buchu, which I commenced using with little faith, and no apparent beneficial result, for about a month.

MR. LAREN refers to the following gentlemen:—COLONEL DAN RICE, Girard, Penn. CHARLES STOW, Esq., Girard, Penn., editor Cosmopolite.
