## PATENT MEDICINES, &C.

**WINER'S CANADIAN VERMIFUGE**  
A CERTAIN REMEDY FOR WORMS.

It is a fact, established beyond the shadow of a doubt, by the experience and testimony of the most eminent physicians, more than three-fourths of the diseases with which children are afflicted, are caused by worms, and thousands of children die annually from those diseases, when the cause is either not known or attributed to something else. Various are the preparations which have been recommended as remedies for worms, but experience has proved them all more or less ineffectual; the end however has at length been attained, and a remedy found which has never failed to destroy worms, wherever they have existed. This assertion is supported by the testimony of the most eminent physicians and respectable individuals in the country. The remedy is

**WINE'S CANADIAN VERMIFUGE,**  
WARRANTED PURELY VEGETABLE.  
It is safe in its operation, and more easily administered than any other. Some of the symptoms which indicate the existence of the worms in the bowels, are as follows: the countenance is pale, of a leaden color, and suffused with occasional flushes; the eyes are heavy and dull, the breath fetid, the upper lip swollen, itching in the nostrils, which cause the patient to pick his nose; the sleep is disturbed, the patient often awakening in great fright, and is liable to starting and grinding the teeth; the appetite exceedingly irregular, being sometimes voraciously ravenous, and in some instances it is depraved.

To the following certificates numerous others might be added, but it is believed that these are sufficient to establish the fact that Winer's Canadian Vermifuge is a superior remedy for worms. MEDICAL EVIDENCE. We, the undersigned, having frequently administered a medicine prepared by Mr. John Winer of this town, designated "J. Winer's Canadian Vermifuge" and being fully satisfied with its efficacy, consider it as a safe and efficient remedy for the expulsion of worms from the intestinal canal. C. O'REILLY, Licentiate of the R. C. of Surgeons in Ireland, etc., Member of the R. C. of Surgeons in London, etc. From the Rev. J. Flanagan, of Danbrook, C. W. J. Winer—Sir: I have made the trial of your Canadian Vermifuge and with the most happy results. In my own family, and in every case which has come to my knowledge, the expulsion of worms has followed the administering of your Vermifuge, every one here prater it to any other, as its effects are certain, and children take it more readily, which is a great point gained in giving medicine to children. JOHN FLANAGAN, Physician generally now uses Winer's Canadian Vermifuge. This medicine is a simple vegetable preparation, and can always be administered with perfect safety and confidence as to the result, as it will always destroy worms and restore the patient to health. Over one thousand certificates have been sent to the Agents from planters, merchants and physicians, bearing testimony to the efficacy of this infallible remedy.—Warranted in all cases. Prepared only by JOHN WINER, Manufacturing Chemist and Wholesale Druggist, Hamilton, Canada West. Sold wholesale and retail, at manufacturer's prices by J. WRIGHT & Co., New Orleans. 151 Chartres St., under Orleans House. For sale in Opelousas, by A. J. Thompson & Co., also by John Posey.—Sold in Washington, by S. D. Ellis.
