AYER'S

CHERRY PECTORAL
For the rapid Cure of COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH, CROUP, ASTHMA, AND CONSUMPTION.

We invite the attention of the Public to the Certificate appended below, and bespeak for them that candid consideration which their honest frankness deserves.

Men in such stations as many who voluntarily bear witness to the efficacy and value of AYER'S PECTORAL do not wantonly trifle with, or distort facts, nor overstate their convictions. Judge then, whether this is not the medicine to trust when you must have relief for the throat or lungs; judge too, whether every family ought not to have it by them as a safeguard against the ever-revailing croup, which stands with fatal frequency upon almost every flock and yard of the lamb from many a home?

Jackson, C. H., Jackson City, O., 20th Nov. 1852.
Dr. J. C. AYER.
SIR—The CHERRY PECTORAL is much inquired after. Several of our best Physicians have used it, three of them in their own case, and always with the happiest effects. The numerous patent medicines every where to be had, are not only injurious to the system, but are often deadly; and it is only after unqualified evidence of value in any article, that anything like a general confidence can be excited.

The unrivaled excellence of this combination of agents (in the CHERRY PECTORAL) proved beyond question by repeated trial under their own observation, has compelled medical men to proclaim abroad its usefulness. It is beyond all doubt the best general remedy we have for the Pulmonary Affections of this climate, at the same time sedative and expectorant—a rare combination of properties.

In the hope that it will prove its own reward, I subscribe myself, Respectfully your obt. servt.,
JAS. H. C. MILLER, M. D.
Allegan, Mich., 10th Jan., 1853.

DEAR SIR—No one, so not one man, woman, or child—can be found to deny that the CHERRY PECTORAL is all that it claims to be. There is much used in this vicinity although not known, and more recently. The community should know its virtues.

Yours truly,
JOHN R. KELLOGG, M. D.
Let gentlemen of the Legal Profession mark this case.
