AYER'S
CHERRY PECTORAL
For the rapid Cure of
COUGHS, COLDS, HOARSENESS,
BRONCHITIS, WHOOPING-COUGH,
CROUP, ASTHMA, AND
CONSUMPTION.

Among the numerous discoveries Science has made in this generation to facilitate the business of life—increase its enjoyment, and even prolong the term of human existence, none can be named of more real value to mankind, than this contribution of Chemistry to the Healing Art. A vast trial of its virtues throughout this broad country, has proven beyond a doubt, that no medicine or combination of medicines yet known, can so surely control and cure the numerous varieties of pulmonary disease which have hitherto swept from our midst thousands and thousands every year. Indeed, there is now abundant reason to believe a Remedy has at length been found which can be relied on, to cure the most dangerous affections of the lungs. Our space here will not permit us to publish any proportion of the cures effected by its use; but we would present the following:—and refer further enquiry to my American Almanac, which the agent below named, will always be pleased to furnish free, wherein are full particulars, and indisputable proof of these statements.

Office of Transportation, Laurens R. R. S. C., Aug. 4, 1853.

Dear Sir—My little son, four years old has just recovered from a severe attack of malignant Scarlet Fever, his throat was rotten, and every person that visited him, pronounced him a dead child. Having used your CHERRY PECTORAL in California, in the winter of 1850, for a severe attack of Bronchitis, with entire success, I was induced to try it on my little boy. I gave him a tea-spoon-full every three hours, commencing in the morning, and by ten o'clock at night, I found a decided change for the better, and after three days use, he was able to eat and drink without pain.

Its use in the above named disease will save many a child from a premature grave, and relieve the anxiety of many a lone parent.—For all affections of the Throat and Lungs, I believe it the best medicine at hand. A feeling of the deepest gratitude, prompts me in addressing you these lines,—but for your important discovery, my little boy would now have been in another world.

I am, with great respect,
J. D. POWELL, Supt. Trans. L. R. R.
Rock Hill, (Somerset Co.) N. J., July 21, 1852.

De. J. C. AYER, Since your medicine has become known here, it has a greater demand than any other cough remedy we have ever sold. It is spoken of in terms of unmeasured praise by those who have used it, and I know of some cases where the best they can say of it, is not too much for the good it has done. I take pleasure in selling it, because I know that I am giving my customers the worth of their money, and I feel gratified in seeing the benefit it confers.

Please send me a further supply, and believe me Yours, with respect,
JOHN C. WHITLOCK.
P. S. Almost any number of certificates can be sent you, if you wish it.

Prepared and sold by James C. Ayer, Lowell Mass. and sold in Opelousas, by P. Leonce Hébrard, and John Poney; and in Washington by S. D. Allis. Opelousas, October 14th, 1854.—6m.

LIVER COMPLAINT,
DYSPEPSIA,
JAUNDICE,
CHRONIC OR NERVOUS DEBILITY, DISEASE OF THE KIDNEYS, AND ALL DISEASES ARISING FROM A DISORDERED LIVER OR STOMACH.

Such as Constipation, Inward Flies, Fullness of Blood to the Head, Acidity of the Stomach, Nausea, Heart-burn, Diarrhoea, Food, Fullness or weight in the Stomach, Sour Eructations, Sinking or Fluttering at the Pit of the Stomach, Swelling of the Head, Urine and Difficult Breathing, Fluttering at the Heart, Choking or Suffocating Sensations when in a lying posture, Dimness of Vision, Dots or Webs before the sight, Fever and Dull Pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Limbs, &c., Sudden Flushes of Heat, Burning in the Flesh, Constant Imaginings of evil, and Great Depression of Spirits.

THESE BITTERS CAN BE EFFECTUALLY CURED BY DR. HOFFLAND'S CELEBRATED GERMAN BITTERS, PREPARED BY DR. C. M. JACKSON,
No. 120 Arch Street, Philadelphia.

Their power over the above diseases is not excelled, if equally, by any other preparation in the United States, as the cures attest, in many cases, after skillful physicians had failed.

These Bitters are worthy the attention of invalids. Possessing great virtues in the rectification of diseases of the Liver and lesser glands, exercising the most searching powers in weakness and affections of the digestive organs, they are, without fail, certain and pleasant.

Testimony of the highest character! HON. GEO. STROOP, Judge of the District Court in Perry Co., Pa. November 18th, 1852 said: "Your Hoffman's German Bitters, has been in use in my place over a year past, and to the astonishment of many has performed wonders. We may notice a few instances that have come under our own immediate notice—almost every person who has stopped at the hotel of Wm. Lacey, one year since, presided from his emaciated countenance and debility, that he could not live much longer. He was unable to attend to his business, and for the greater part of his time confined to his room. We recommended him to try the German Bitters, which he did, and to the surprise of all his friends and acquaintances, he is now able to attend to his usual business and perform manual labor. The case of Henry Asper, a stone mason, whom no one supposed would ever recover from the debility of his system, but was looked upon as fast approaching the grave, took eight or nine bottles of these Bitters during the last winter, and this summer he has been to the surprise of all who knew his case) following his trade. The case of William Murphy is no less astonishing. He was so far reduced as to induce a general belief that the grave alone would be his only refuge. Mr. Lacey recommended him to try the Hoffman's German Bitters; he is now apparently a well man, and able to do a hard day's work. We could mention many other cases of a similar character, if it were necessary. I myself derived much very much benefit from these. I have given considerable of it away, not for your benefit alone, but to relieve suffering humanity, and let me assure you I am pleased to see the happy result.
