CONVENT AND ACADEMY OF THE IMMACULATE CONCEPTION, Opelousas, Louisiana.

THIS Institution will be opened by the Ladies of the "Holy Cross" in the beginning of October, in the Town of Opelousas, for the education of the young Ladies of the Parish and of the neighboring Parishes. The location is most delightful, and offers all the exterior advantages which parents may desire for their children. The system of education will embrace all the branches taught in the best Institutions of America or Europe: Reading, Spelling, Grammar, Composition, Rhetoric, Elocution, applied to the French and English languages, to both of which the utmost attention will be paid, from their first steps, until they are able to read and write with correctness, elegance and fluency.—Writing, Geography, sacred and profane, ancient and modern History, Mythology, Arithmetic, Book-keeping, the elements of Algebra and Geometry, Natural Philosophy, Natural History, Domestic Economy, Sewing, Embroidery, Artificial Flowers, Drawing, Painting, Vocal and Instrumental Music.—This last branch will be taught by a distinguished Artist just arrived from New-Orleans.

Nothing will be omitted to kindle in the pupils a vivid eagerness for learning; the greatest attention will also be paid to develop their minds, from their hearts, and elevate their character. They will have nothing to fear from evil examples or evil associations, remaining at all times within the enclosure of the house, and under the eyes of kind teachers who will watch over their morals with maternal affection. They will receive no visits, except from their parents or relations, who will be admitted to see them in the parlors, on Thursdays after the morning classes and on Sundays after the high mass.

The utmost attention will be paid to the health of the pupils, the diet will be wholesome and abundant, the sick will be nursed with maternal vigilance and tenderness.

Religion is the ground work of education. The Institution is Catholic; however, young ladies who may belong to other denominations will be received, on the only condition of conforming to the public exercises of the house.

To enable parents to send their children at an earlier age to school,—a child may profit from the age of seven or eight, and even sooner,—to keep them longer, and avoid several of the evils which attend the moderate prices have been adopted.—For Board and Tuition, \$100 per scholar for ten months, payable quarterly in advance. Day-scholars will pay \$20.80 for the school year, according to their age and the classes they will attend. Music on the Piano or the Guitar will be charged \$6 per month, \$1 per month for the use of the Piano;—\$3, per month for vocal music.

Parents will have to supply their children with books and paper, and provide for the washing of their clothes; expenses incurred in sickness will also be charged to them.

Boarders will have to be supplied, at their expense, with a musquito bar, a sufficient quantity of sheets, blankets, towels, and every day clothes; they must also bring the uniform, consisting for the whole year, in a high dress, with cap of the same color, trimmed with black velvet; two sun bonnets, 1 white, 1 of brown linen; two veils, 1 blue, 2 yoke, 1 white, 2 yoke; spoon, fork, tumbler and knife; also a small basket, a comb, a comb, a pitcher, bowl, and looking-glass.—These three last articles will be for sale in the house, to prevent interruption in the dressing room.

For further particulars apply to the undersigned, or to Rev. G. LAYTON, Superior, of the Church of Opelousas, Opelousas, August 16th, 1856.

NOTICE.
I HAVE the honor of informing the public, and parents in particular, that, from the 1st of July, my Institution will be removed to the property of the late Mr. Jacques LaFleur, and that, from that date, I shall be ready to receive the scholars, whose parents will attend to my care. That well-known property, at a short distance from Opelousas and Washington, being most advantageously situated in the most healthy part of the Parish, and not exposed to annual malarial, will assure to parents the health of their children, whose studies will never be interrupted.

So far as regards instruction and education, I shall neglect nothing to merit the continuance of the public patronage, which I have been honored heretofore to receive.

Bad weather, alone, will prevent the scholars being accompanied to Divine Service, every Sunday.
