CONVENT AND ACADEMY
OF THE
IMMACULATE CONCEPTION,
Opelousas, Louisiana.

THIS Institution will be opened by the Ladies of the "Holy Cross" in the beginning of October, in the Town of Opelousas, for the education of the young Ladies of the Parish and of the neighboring Parishes. The location is most delightful, and offers all the exterior advantages which parents may desire for their children. The system of education will embrace all the branches taught in the best Institutions of America or Europe: Reading, Spelling, Grammar, Composition, History, Geography, French, Italian, French and English languages, in both of which the utmost attention will be paid, and both of which the pupils will most carefully be trained to speak and write with correctness, elegance and fluency.—Writing, Geography, sacred and profane, ancient and modern History, Mythology, Arithmetic, Book-keeping, the elements of Algebra and Geometry, Natural Philosophy, Natural History, Domestic Economy, Sewing, Embroidery, Artificial flowers, Drawing, Painting, Vocal and Instrumental Music.—This last branch will be taught by a distinguished Artist just arrived from New-Orleans.
Nothing will be omitted to kindle in the pupils a vivid emulation for learning; the greatest attention will also be paid to develop their minds, form their habits, and elevate their character. They will have nothing to fear from evil examples or evil associations, remaining at all times within the enclosure of the house, and under the eyes of kind teachers who will watch over their morals with maternal affection. They will receive no visits, except from their parents or relations, who will be admitted to see them in the parlor, on Thursdays after the morning classes and on Sundays after the high mass.
The utmost attention will be paid to the health of the pupils, the diet will be wholesome and abundant, the sick will be nursed with maternal vigilance and tenderness.
Religion is the ground work of education. The Institution is Catholic, however, young ladies who may belong to other denominations will be received, on the only condition of conforming to the public exercises of the house.
To enable parents to send their children at an earlier age to school, a child under the age of seven or eight, and even younger,—to keep them longer, and send several of them at once, the most moderate prices have been adopted.—For Board and Tuition, \$100 per scholastic year of ten months, payable semi-annually or quarterly in advance. The scholars will pay \$20, \$30 or \$40, for the scholastic year, according to their age and the classes they will attend. Music on the Piano or the Guitar will be charged \$4 per month, \$1 per month for the use of the Piano,—\$5, per month for vocal music, in advance.
Parents will have to supply their children with books and paper, and provide for the washing of their clothes; expense incurred in sickness will also be charged to them.
Boarders will have to be supplied, at their entrance, with a muslin cap, a sufficient quantity of sheets, blankets, towels, and every day clothes; they must also bring the sum of \$100 in advance for the whole year in a blue dress, with cape of the same color, trimmed with black velvet; two sun bonnets, 1 blue, 1 of brown linen; two veils, 1 blue, 1 white; 2 pairs of shoes, 1 pair of slippers, and 1 pair of small black, brushes, combs, a pitcher, bowl and looking-glass.
