(Communicated)

By the solicitation and advice of a large number of friends, from all parts of the Parish, Capt. JAMES G. HAYES has consented to become a candidate for the Legislature at the approaching election. His numerous friends are aware of his personal condition and we call on all voters without reference to party, to come forward and select a man who has always manfully supported those principles which he believed to be right, and to give their verdict against what we consider his unjust imprisonment.

MANY VOTERS.

We are authorized to announce that Doctor CHAS. A. HARRY is a candidate to represent this Parish in the Legislature, at the election of the 6th of November next.

A week or two ago an idea came to light in New Orleans which causes a great deal of commotion in political circles. Ex-Governor ALLEN is proposed by his friends as a candidate for Governor, at the election of the 6th proximo. This is enough to ignite the political spirit, and the propriety and impropriety of electing him in lieu of the present incumbent, is vehemently discussed. In our opinion it is impolitic to bring him now as a candidate before the people. A great many difficulties were experienced in collecting the different parties in order to make a selection upon which the voters might place their confidence, and this would again create confusion in our ranks, revive jealousies now hushed and give the politicians a pretext to withdraw their support from the compromise ticket.

It is not that we deem the success of this coup de main absolutely impossible; but we sincerely believe that if the brave and generous ALLEN was consulted in this matter, he would not lend a hand to an opposition against an arrangement made by the citizens of his own State without distinction of party.

We cannot see through this new policy, and do not believe that anything but partizan and personal animosity can result from it.

We believe it to be the solemn duty of every citizen to take the amnesty oath and go and vote on the 6th of next November.

Duncan F. Kenner, recently Representative in the Confederate Congress, has just returned home with a full pardon from the President restoring to him his immense property.

The session at St. Charles College, Grand Coteau, began on Tuesday last.

For the conditions and other particulars see the notice of that excellent institution in another column of to-day's issue.

Next Tuesday there will be sold near Ville Plate, the property belonging to the estate of Omer Savant, consisting of a plantation, a tract of land, harned cattle, horses, &c.

The sale of the estate of Henry Miller, deceased, will take place on Thursday next. Any one desiring a neat little plantation, near our town, would do well to be in attendance. 323 acres of woodland, harned cattle, horses, &c., will also be sold.

For the terms of these two sales, see the advertisements published elsewhere.

Auditor of Public Accounts.—The central Executive Committee of the National Conservative Party, have nominated Col. Charles M. Olivier for this important office. This nomination is made to the vacancy created by the decision of Col. V. A. Fournet.

M. Olivier is well known throughout the Attakapas Parishes, and occupies a prominent position in the social and political sphere. He has with honor to himself and his constituents represented this Parish in the convention which framed the constitution of 1852, and has been for one term representative from this Parish to the State Legislature. He has also been the Recorder of the Parish of St. Martin for the term of four years. He is a man of a good education, of high moral standing and an excellent financier and business man.

We believe that should he be elected he would be the "right man in the right place." Mr. Olivier is very popular and will no doubt carry the Attakapas Parishes by a large majority. Courier of the Tech.
