

LE COURRIER DES OPELOUSAS. PUBLIE LE SAMEDI PAR LEONCE SANDOZ.

OPELOUSAS: SAMEDI matin, 9 JUIN, 1900

Un Mot aux Dames.

Dans notre siècle, où le prix de l'argent diminue, où les besoins de luxe et de confort augmentent, il est nécessaire que la mère de famille, la maîtresse de maison, apporte sa part dans le ménage, en utilisant les ressources qu'elle possède, et en tirant parti de tout, comme on dit vulgairement.

C'est une science qui se perd un peu aujourd'hui, ou on s'imagine volontiers que les catalogues des grands magasins, nous dispensent de toute initiative.

«Ja connais une brave mère de famille qui, à l'aide d'une forte modeste revendu entretient sa maison avec plus de luxe et de bien être que sa voisine, qui possède une petite fortune personnelle et dépense en outre le traitement de son mari.»

«A quoi cela tient-il? C'est que la première sait conduire sa maison, mettre la main à la pâte, comme on dit, se tient aussi bien à la cuisine qu'à son salon, tandis que la seconde laisse faire la domestique et trouverait indigne d'elle de s'abaisser aux travaux de l'intérieur.»

«La première est une ménagère modèle dans l'acceptation du terme, l'autre est une femme qui, non seulement n'améliore pas la situation matérielle de son foyer, mais souvent la compromet.»

«Il faut que les jeunes filles apprennent à accommoder un plat recherché; à tailler et coudre du costume nouveau dans une robe démodée; à tenir ou remettre le mobilier en bon état, à avoir une remède tout prêt pour les maladies les plus fréquentes, à savoir donner les premiers soins en cas d'accidents; à confectionner un libellot avec goût et à bon marché, etc., etc.»

«Ce que je veux avant tout, c'est un respectable père de famille, disant que mes filles aient une éducation solide. Je n'ai pas besoin qu'elles aient l'algèbre ni l'hébreu, mais je veux qu'au jour elles puissent retenir leur mari à la maison.»

«Que de sens dans ses paroles, et qu'il serait à souhaiter que tous les pères et mères fussent un aussi ferme langage. Retenir le mari à la maison: voilà bien le devoir et, en même temps le bonheur de l'épouse honnête et dévouée. C'est dans votre rêve pour l'avenir, l'œuvre des femmes gracieuses et charmantes, n'est-ce pas?»

«Fort bien; mais croyez-en le conseil déintéressé de votre vieille amie, il faut pour cela autre chose que savoir tourner son piano, se coiffer avec art, s'habiller à la dernière mode, tenir ses mains bien blanches et laisser travailler maman!»

«Que le soin de votre beauté ne vous empêche pas de mettre vaillamment la main à la besogne, et de vous former peu à peu à cette vie constamment occupée et tout de dévouement qui satisfait le lot de la bonne mère de famille. Vous éviterez ainsi une foule de chagrins que vous ne prévoyez pas maintenant, mais qui feront plus tard saigner votre cœur. Vous vous préparerez une existence tranquille, en compagnie de l'époux que vous saurez entourer de soins intelligents.»

TANTE ROSALIE.

Ramon les Meilleures. Henry Bissell de Hatton, Ark., dit: Je ne puis trouver des mots assez expressifs pour démontrer le mérite des Pilules de Ramon et de Ramon's Relief. J'ai souffert avec des coliques bilieuses pendant des années sans que les docteurs me soulagent. Je me suis guéri avec Ramon's Relief et les Pilules de Ramon. J'ai vendu des médecines pendant 27 ans ainsi que toutes sortes de médecines patentées, mais Ramon's est la suprême. J'ai vendu et me suis servi de Ramon's pendant dix ans avec la plus grande satisfaction. Des centaines de mes clients peuvent certifier que les Pilules de Ramon est le meilleur remède de famille. Je vendrai que chaque famille ait une dose dans leur maison aujourd'hui.

A vendre par Jos. Lassalle. La Convention démocratique de la Caroline du Sud s'est prononcée à l'unanimité en faveur de Bryan comme candidat à la présidence. L'administration de McKinley a été critiquée et la convention a déclaré que le programme fait par le gouvernement d'assurer l'indépendance de l'île de Cuba, devrait être tenu.

Le directeur de poste de l'île de Cuba dont on a récemment découvert le détournement de fonds, a remboursé la somme par lui acquiescée et a avoué sa culpabilité. Il a aussi réglé certaines autres irrégularités dans son administration.

L'amiral Dewey, descendant avec un représentant du Sénat de l'île de Cuba, a dit que le Président du navire allemand dans la baie, n'a été nullement exagéré.

Le Sénat a voté une résolution par laquelle le secrétaire du Trésor va être appelé à fournir des informations au sujet de l'indus d'ouvriers japonais aux Etats-Unis.

Le bonheur, nous le voulons à tout prix, et plus nous le voulons, mieux nous l'appréhendons, car c'est en cherchant dans l'oubli de soi-même qu'il réside.

Par suite de la création d'un syndicat du papier, les propriétaires de journaux ont décidé de fabriquer eux-mêmes leur papier.

Chatagnier.

The School-House was brilliantly lighted on Saturday, the 25th. Miss Lorenz, Mornington closed her school with a grand entertainment. She was ably assisted by Miss Lillian Hardey, and great credit is due to the manner in which all was managed.

The following program was presented to a crowded house: Welcome Address, Lewis Lalleur, Marsellaise, School, "After the Battle," (Tableau) 15 boys; and little Estelle Ardoin was above them as Angel of Peace.

Joan of Arc burnt at the Stake, Miss L. Hardey.

This tableau was realistic—even to the fire, made one almost tremble for the unfortunate Maid of Orleans.

Stolen Bird Nest, (tableau) Lillie Billaud (mother), Walter and Tirez Lalleur (children).

Asking a Blessing, Little Myra Mannel (tableau). She was kneeling with a large bowl of mush and milk.

Doll Drill, Twelve Little Girls. Tableau, Disgraced—school life.

Figures, Ten little girls representing the ten first numbers.

Tableau, "Caught in the Act," Miss L. Hardey, as mother, Miss M. Moncla and Eddie Lalleur as lovers in the act of kissing.

Eight Little Negrresses. This was encored again and again.

"Folks That Put on Airs," a comic song (acted) by Misses L. Mornington and L. Hardey and Mr. Charlie Lalleur.

"Women's Rights Reversed," Lewis Lalleur (tableau) rocking the cradle and peeling potatoes; Eddie Lalleur, sweeping; Leonard Lalleur, scrubbing; Henry Moncla, washing; Theo Moncla, ironing; Miss Lillie Billaud, carpenter; Miss Marie Moncla, dentist; Miss Valentin Moncla, farmer; Miss L. Mornington, lawyer at her desk; Miss Lillian Hardey, clock repairer.

This tableau was so comical that the audience could not be quieted for the next piece representing each day of the week—by little girls.

French song by Dr. and Mrs. Leon Moncla, "L'Amour est un Jour."

"Singing the Pledge," (tableau) the temperance advocate urging a drunkard father to sign the pledge in his poverty-stricken home, in the presence of his starving children and heart-broken mother.

"Where Poverty Comes in the Door, Love Flies Out of the Window," (tableau)—Mr. B. L. Lalleur, as Poverty, Miss Lorenz as Love, and Mr. Charlie Lalleur as the window, holding garlands of flowers and ribbons; above the Queen's head they held her crown.

The costumes of these three young ladies were all white, and only white flowers were to be seen.

The two young ladies giving this entertainment had taken a great deal of trouble to decorate the stage. Flowers and green branches were everywhere.

The word "Welcome," made of Green leaves, was artistically arranged on a wall, and the girls, holding garlands of flowers and ribbons, and a much enjoyed dance followed, and all expressed their delight and pleasure.

Owing to the closing of the High School in their town, Will Plate Band sent their regrets.

Ramon Beats Them All.

Henry Bissell, Hatton, Ark., says: I cannot find words to explain the worth of Ramon's Liver Pills and Ramon's Relief. I suffered with bilious colic for years, and the doctors failed to do me any good. I cured it with Ramon's Relief and Ramon's Liver Pills. I have sold drugs for 27 years and have handled all kinds of patent medicines. Ramon's beats them all. I have sold and used Ramon's for ten years with always the greatest satisfaction. Hundreds of customers will testify that Ramon's Liver Pills are the best family medicine ever used. I wish every family had a trial dose in their house to-day.

Good Time to Apply.

"Good evening, Mr. Manygirls," said the young man. "Evening!" responded Mr. Manygirls gravely. A pile of papers, bundles of bills, scattered in front of him. Hence his attention to the young man smiled. "Bills for your young daughters' spring clothes and bonnets, I presume?" said he. "Yes," replied the old man. "But is it any of your business?" he asked. "I have come to ask you if you may not take one of these daughters off your hands. I—"

The old man rose with a smile. "Take one?" he exclaimed. "Why, boy, you can move to Utah and take the whole seven!" The young man had caught him at the right time.—New York World.

A new coin three-cent piece has been authorized by act of congress to take the place of the old coin which was so much like a dime that its coinage was stopped. The new three-cent piece is ordered to be made of nickel of the size of the old bronze cent although thicker. In the center it is to be made a hole one-fourth of an inch in diameter. This will make the coin easily distinguishable by sight or touch.

Question Answered.

Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers and grandmothers never thought of using anything but August Flower for indigestion or biliousness. Doctors were scarce and they seldom heard of Appendicitis, Nervous Prostration or Heart Failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver and the stomach, and give an action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. For sale by A. S. Braud & Co., Opera House Drug Store.
