Un Médicament Parfait.

Je me suis servi du Chamberlain's Colic, Cholera et Diarrhoea Remedy et je l'ai trouvé un médicament parfait, dit M. E. S. Phillips de Poteau, Ark. Il m'a guéri de la diarrhée, et je ne puis trop le recommander. Ce remède gagne toujours la bonne opinion de ceux qui s'en servent. La rapidité avec laquelle il guérit les cas les plus aigus le rend un favori partout. A vendre par Lassalle & Desmarais.

Il y a encore des esclaves dans les possessions allemandes de l'Afrique orientale et les autorités ne sont pas pressées de les émanciper, prétendant toujours que le moment convenable pour le faire n'est pas encore venu. Toutefois, le conseil colonial, qui vient de se réunir à Berlin, a émis l'opinion qu'il serait peut-être pratique de déclarer libres les enfants des esclaves.

Pour ôter un cor gênant — trempez le cor dans l'eau chaude pour l'amolir, ensuite peignez-le avec un peu de Chamberlain's Pain Balm deux fois par jour en frottant vigoureusement pendant cinq minutes à chaque application. Un emplâtre à cor devrait être porté pendant quelques jours pour le protéger du soleil. Comme liniment général pour les foulures, blessures et rhumatismes le Pain Balm se peut être surpassé. A vendre par Lassalle & Desmarais.

La souscription du journal est payable d'avance et si nous l'avons envoyé avant le paiement sans avoir exigé d'avance le paiement c'est que nous avions la ferme opinion qu'à la première demande nos lecteurs affranchis seraient pressés de répondre à notre appel. Nous avons montré de la bonne volonté, nous avons fait plus que la moitié, montrez que vous êtes capable de faire la balance. Si vous ne pouvez venir vous-même envoyez le montant par la poste.

Un Forgeron Sauva la Vie de son Petit Garçon.

M. H. H. Black, le forgeron bien connu du village de Grahamsville, Sullivan Co., N. Y. dit: "Notre petit garçon âgé de 5 ans, a toujours été sujet à des crises de toux, et les attaques ont été si sévères que nous avons souvent cru qu'il se mourait. Nous avons eu le médecin et beaucoup de médicaments, mais le Chamberlain Cough Remedy est maintenant notre seul remède. Il semble dissoudre les glaires coriaces et en donnant des doses fréquentes lorsque les symptômes croupaux paraissent on peut détourner le croup avant qu'il se fixe. Il n'y a pas de danger en donnant ce remède car il contient ni opium ni autre drogue et agit aussi bien sur l'enfant que sur l'adulte. A vendre par Lassalle & Desmarais.

A Village Blacksmith Saved His Little Son's Life.

Mr. H. H. Black, the well-known village blacksmith at Grahamsville, Sullivan Co., New York, says: "Our little son was always being sick and was always subject to croup, and so bad had the attacks been that we feared many times that he would die. We have had the doctor and used many medicines, but Chamberlain's Cough Remedy brought our little boy to his normal state and dissolved the tough mucus, and by giving frequent doses when the croupy symptoms appear, we have found that the dreaded croup is cured before it gets settled."

There is no danger in giving this remedy, for it contains no opium or other injurious drug and may be given as confidently to a babe as to an adult. For sale by Opera House Drug Store and all dealers in medicines.

The man who succeeds in business is the man who advertises. If you don't advertise, it is as if you were a millionaire business man. Holmes and Kaufman, New Orleans, are as well known here as business firms as a number of our own merchants, and their mail orders show big results of steady advertising.

The Commoner.

(MR. BRYAN'S PAPER.)

The Commoner has attained within six months from date of the first issue a circulation of 100,000 copies, a record probably never equaled in the history of American periodical literature.

The unparalleled growth of this paper demonstrates that there is a room in the newspaper field for a national paper devoted to the discussion of political, economic and social problems. To the columns of the Commoner Mr. Bryan contributes his best efforts; and his review of political events as they arise from time to time can not fail to interest those who study public questions.

The Commoner's regular subscription price is \$1.00 per year. We have arranged with Mr. Bryan whereby we can furnish his paper and THE OPELOUSAS COURIER together for one year for \$2.50. The regular subscription price of the two papers when subscribed for separately is \$3.

Accuracy in Prescriptions.

A broader term than many suppose some people imagine it relates only to medicines and not to the bearing of the same name as that appearing on the prescription. This is one step only. To complete the sense of the term each ingredient must be pure—must be capable of exerting the highest medical effect. We believe in accuracy of this kind. It is a great relief to the physicians and the confidence of the public. Will take good care of your prescription. We don't charge extra for this carefulness. Accuracy is here. Opera House Drug Store, A. S. Braud & Co., Proprietors.

Wonder if it ain't about time for you to read a good paper? Try the OPELOUSAS COURIER. No office-holding syndicate or political joint stock company controls its columns. Nobody bosses this ranch but its owner. \$3 per year.
