**Une Femme Eminente de Chicago Parle**  
Prof. Roxa Tyler de Chicago, vice-présidente du Illinois Woman's Alliance, en parlant de Chamberlain's Cough Remedy dit: "J'ai souffert de ce hiver d'un mauvais rhume qui menaçait de tourner en pneumonie. J'ai essayé différentes remèdes mais aucun ne me procura du soulagement et je me sentais de plus en plus malade. Une amie me conseilla de prendre le Chamberlain's Cough Remedy et je l'ai trouvé bon à prendre et il m'a fait un grand bien de suite. Je suis maintenant parfaitement guéri. J'ai sauvé un compte de médecin du temps et des souffrances et je ne serai jamais sans une bouteille de ce remède parfait chez moi. A vendre par Lassalle & Desmarais."

Le sénateur Hanna, en sa qualité de chairman du comité exécutif national républicain, laisse savoir que lui et le comité sont dévoués à la tâche onéreuse et irritante de distribuer le patronage fédéral dans le Sud. Sous le président McKinley, le comité voulait bien se rendre agréable et utile au président en choisissant pour lui de bons fonctionnaires dans le Sud, et c'était beaucoup de travail. Aussi le comité s'est-il emparé de ce fardeau et laisse se débattre le président et les candidats.

**Triché d'un Augmentation de Pension.**  
Un vétérinaire de la guerre du Mexique, un éditeur bien connu, écrit: "Yoyant l'avis de Chamberlain's Colic, Cholera & Diarrhoea Remedy me fait rappeler ce que j'étais soldat au Mexique en 1847 et 48. J'ai contracté le diarrhée et l'augmentation de pension car chaque attaque fut guérie par une dose. Il est sans pareil pour guérir la diarrhée, et agréable à prendre. A vendre par Lassalle & Desmarais."

Le prince Henry, frère de l'empereur Guillaume et amiral de l'armée de la marine allemande, se rend aux Etats Unis pour assister au lancement du yacht impérial dont miss Roosevelt sera la marraine. On dit même qu'il proposera, à cette mémorable occasion, un discours auquel répondra le président. Toute la haute société du pays est réunie par l'annonce de cette visite et ne parle plus que des fêtes et des dîners qui se donneront en l'honneur de l'illustre personnage.

**Le Favori des Mères.**  
Chamberlain's Cough Remedy est le favori des mères. Il est agréable et effectif pour les enfants et guéri toujours. Spécialement désigné pour la toux, le rhume, le croup, etc., il est le meilleur remède pour ces maladies. Il n'y a aucun danger en le donnant aux enfants car il contient ni opium ni autre drogue injurieuse et peut être administré aussi bien à un enfant qu'à un adulte. A vendre par Lassalle & Desmarais."

En patinant sur la rivière Younghogheny, en Pennsylvanie, vendredi dernier, Martin O'Hara, un gars de dix huit ans, et sa sœur Mary, âgée de quinze ans, sont tombés à l'eau et se sont noyés. Leur mère, témoin de l'accident, a été précipitée à leur secours et s'est évanouie de telle sorte qu'elle a pu être sauvée, ainsi qu'un troisième enfant, par des hommes accourus aux cris de détresse.

Des jointures enflées et malades, des douleurs violentes, des muscles raides, pas de sommeil, pas de repos, voilà les signes du rhumatisme. Le rhumatisme est une maladie difficile à combattre mais le "Chamberlain's Pain Balm", l'unique remède qui soulage le malade. Une application soulage le malade.

## The Ladies' Home Journal.

The February issue of The Ladies' Home Journal opens with the first part of Miss Porter's new romance of the South, "Those Days in Old Virginia," illustrated by W. L. Taylor. This is followed by Joseph Bletten's story of "The Girls of Flat G," a tale of four girls who established "bachelors' hall," and the third installment of "The Bug," a serial in a clever satire of the way they do things in the Western metropolis. A most interesting and timely contribution is "My Impressions of American Women," by Mrs. H. C. Taylor, who, as Chinese Minister to the United States, Clifford Howard describes the Modjeska's paradise of a home in Southern California, and Franklin B. Wiley writes of "The Summer Homes of Well-Known People," telling and showing where such famous folk as Paderewski and Marion Crawford and a dozen others spend the warm months. For the children are "The Journal's Puzzle School," a new game, and a description of how to make "smoke pictures." The editorial page is given up to the first of the "Mothers' Meetings," a new department which will appear at intervals hereafter, and several clever poems and short stories are printed in "Under the Evening Lamp." In the departmental section Edward Howard Griggs's talks on education continue; Mrs. Sangster has a special page for "When Days of Illness Come," and all the regular departments maintain the high standard of the magazine. The Valentine cover is by Henry Hut; and the pictorial features include a page of most attractive pictures of dogs, and a double page showing "The College Girl in Music and Drama." By The Curtis Publishing Company, Philadelphia. One dollar a year; ten cents a copy.

**Child Worth Millions.**  
"My child is worth millions to me," says Mrs. Mary Bird of Harrisburg, Pa. "I would have lost her by croup had I not purchased a bottle of One Minute Cough Cure." The little one like the taste and remember how often it helped them. Every family should have a bottle of One Minute Cough Cure handy. At this season especially it may be needed suddenly. Opera House Drug Store.

A great deal of snobbery will be shown in Washington during the visit to that city next month of Prince Henry, of Germany. Emperor William, who has a yacht built in New York, which will be launched in a few days and christened by Miss Alice Roosevelt, daughter of president. Prince Henry is a brother of the Emperor and will represent his august brother on that occasion. Of course the Emperor will not visit Washington and will go with the prince. The prince is the gentleman who was in command of the German ships at Manila, when Admiral Dewey warned him not to get between the American guns and the Manila forts—Mansfield Journal.

**The Mother's Favorite.**  
Chamberlain's Cough Remedy is the mother's favorite. It is pleasant and safe for children to take and always cures. It is intended especially for coughs, colds, croup and whooping cough, and is the best medicine made for these diseases. There is not the least danger in giving it to children, for it contains no opium or other injurious drug, and may be given as confidently to a babe as to an adult. For sale at the Opera House Drug Store and by all dealers in medicine.

Peter Cooper Hewitt, son of ex-Mayor Hewitt, of New York, and grandson of Peter Cooper, is credited with having invented a new mode of electric lighting. The electrical current passes through a mercury-gas conductor, instead of the filament of the Edison device, and floods the gas-charged globe with light. The expense for light is about one-eighth that of the familiar incandescent lamp.

Constipation and health never go together. De Witt's Little Early Risers promote easy action of the bowels without distress. "I have been troubled with constiveness nine years," says J. O. Greene, Depauw, Ind. "I have tried many remedies but Little Early Risers give best results."—Opera House Drug Store.

## A Profitable Investment.

"I was troubled for about seven years with my stomach and in bed half my time," says E. Demick, Somerville, Ind. "I spent about \$1,000 and never could get anything to help me until I tried Kodol Dyspepsia Cure. I have taken a few bottles and am entirely well." You don't live by what you eat but by what you digest and assimilate. If your stomach doesn't digest your food you are really starving. Kodol Dyspepsia Cure does the stomach's work by digesting the food. You don't have to diet. Eat all you want. Kodol Dyspepsia Cure cures all stomach troubles.—Opera House Drug Store.

A revelation, not at all surprising for what was revealed but very surprising for the sources from which it came, was made on the 7th before the Interstate Commerce Commission, sitting at Chicago. It was nothing less than the fact, now well beyond possibility of doubt, that trusts are favored by railroads in the matter of transportation rates. The same old trick that originally enabled the Standard Oil trust to ruin competitors is in vogue, despite other legislation and a federal supervisory commission.

**Thousands Sent Into Exile.**  
Every year a large number of our sufferers whose lungs are sore and racked with coughs are urged to go to another climate. But this is costly and not a safe sure cure. This motto should be adopted by every man who desires to live right and to see his home town flourish and grow.—Ex.

**Children Especially Liable.**  
Burns, bruises and cuts are extremely painful and if neglected often result in blood poisoning. Children are especially liable to such mishaps because not so careful. As a remedy De Witt's Witch Hazel Salve is unequalled. Draws out the pain, soothes the burn, and cures the wound. Beware of counterfeits. Sure cure for piles. "De Witt's Witch Hazel Salve cured my baby of eczema after two physicians gave her up," writes James Mook, N. Webster, Ind. "The salve cured me and the soles of my feet dressed a day."—Opera House Drug Store.

General Miles is now an open candidate for presidential honors. He has long had an inclination in that direction, but since he was reprimanded by the President for his intervention in the Schley case the commanding general of the army has made little if any concealment of his intention to win the Democratic nomination two years hence if he can.

**Beat Out of an Increase of Pension.**  
A Mexican war veteran and prominent editor writes: "Seeing the advertisement of Chamberlain's Colic, Cholera and Diarrhoea Remedy, I am reminded that as a soldier in Mexico in '47 and '48, I contracted Mexican diarrhoea, which has increased in my position, for an every renewal a dose of it restores me." It is unequalled as a quick cure for diarrhoea and is pleasant and safe to take. For sale at Opera House Drug Store and all dealers in medicine.

Now that wireless telegraphy appears to be a success, an enthusiastic professor of a Northern college predicts that in a few years communication will be had between the earth and the planets. ## Announcement.

In another column of today's issue appears the advertisement of the wonder book of American publications—the detail of the compiler's and printer's art—where mechanical excellence, literary perfection and the zenith of accuracy of detail are combined in a volume of over 600 pages that sells at the popular price of 25 cents.

We refer to the 1902 New York World Almanac and Encyclopedia, better known as "The Standard American Almanac."

And so it is. It is more to Americans than is "Whittaker" to the British.

By special arrangement with the publishers of The World Almanac we offer it in connection with one year's subscription to this paper at \$2.

The new features introduced in the advertisement published today are alone worth the price of the book. Besides the features announced there are more than 1,000 other topics discussed and more than 10,000 facts touched upon.

I am now entirely recovered, and saved a doctor's bill, time and suffering, and I will never be without this splendid medicine again." There's the automobile. Do we want to "see a man"? There's the telephone. And there's the "visual telephone." Why can't you call on your bank and ask if it has a straight—Atlanta Constitution.

Until you have investigated the merits of the famous Fish Bros. Wagon

FOR SALE BY FRED L. SANDOZ.

Here is what the manufacturers claim for their wagons: We use only thoroughly air-dried timber of the very best quality using white oak for bolters and haws, white oak reaches and white oak posts. Our axles are made of the very best selected hickory.

Our wagon is thoroughly tested in every particular. Our irons are unusually heavy and both front and hind gears have double braces. Our steering gear is the patent American as the Holmes Patent. Straight bearing Skein, which is concealed by wagon men to be the easiest running on the market.

We use white oak limbs, white oak spokes and white oak felloes, using nothing but the grade known as "A" select.

Our wheel is thoroughly dried. The hubs are expanded by steam. The spokes are driven in gently by a power hammer, making the hub and spokes one solid piece of timber. Every wheel is soaked in boiling linseed oil, rendering them impervious to moisture. The tires are always tight.

Our wagon is painted with three coats of point, striped and varnished. We dip nothing. In buying the Original and popular Fish Wagon you may rest assured that the quality and workmanship are the best, and you are getting the best piece of timber. Every wheel is soaked in boiling linseed oil, rendering them impervious to moisture. The tires are always tight.

When in want of a wagon, please remember the above facts, and also that we guarantee and stand back of everything that we claim. Our wagons will give you the best of satisfaction or else we do not want you to have them.
