Souvent le mal de tête résulte d'un estomac en désordre et de la constipation. Une dose ou deux de Chamberlain's Stomach and Liver Tablets régularisent les fonctions et guérissent le mal de tête. A vendre par Lassalle & Desmarais.

Un incendie dévastateur a eu lieu à New York vendredi soir. La salle d'armes du sixième régiment de l'armée de la Metropolitan Railway and Hotel de Park Avenue ont brûlé. Dix-huit personnes ont péri dans l'hôtel, et les pertes matérielles s'élevaient à plus d'un million de dollars.

Ce n'est pas tout ce que les journaux disent, que ce que les voisins disent aux voisins et les amis aux amis qui font connaître le Chamberlain's Colic, Cholera and Diarrhoea Remedy. Il est aussi naturel à un peuple d'être servi de reconnaissance après d'être servi de confiance qu'il est naturel à un homme de confier son argent à un homme de bien. En avez-vous une bouteille chez vous? A vendre par Lassalle & Desmarais.

Miss Ellen Stone, la missionnaire américaine qui, avec Miss Takiko, avait été capturée par des bandits en Taïqui depuis le 3 septembre, vient d'être remise en liberté, ainsi que sa compagne et l'enfant que celle-ci avait pendant sa captivité. Tous se portent bien et sont arrivés en sûreté à Stramitz.

Il était un grand homme, passé le moyen âge, avec des épaules courbées et penchées. Sa figure était bronzée, maigre et usée par le chagrin; ses mains grandes et endurcies par des travaux. Son histoire était une vie de souffrances. Par une lutte incessante, il est arrivé à élever, éduquer et donner à ses enfants une éducation de la vie. Et, le voilà non encore vieux, et déjà abattu physiquement, trop de travail, des travaux trop durs. Nous ne devons aller loin pour trouver ce qui le trouble. Il est grand temps qu'il y ait un remède. La nature devrait être assistée en établissant l'énergie et les tissus épuisés. A cet effet il n'y a pas de remède qui équivaut au Novoro du Dr. Pierre. L'emploi d'une seule bouteille le démontrera. Ce n'est pas une médecine patulée, ni on ne peut se procurer chez les pharmaciens. C'est vendu directement au gens, par le manufacturier, le Dr. Peter Fahrney, 112-114 South Hoyne Avenue, Chicago, Ill.

Pour faire diversion à la monotonie des procédures du sénat, les sénateurs Tillman et McLaurin, tous deux de la Caroline du Sud, se sont livrés à un combat à coups de poing. Tillman accusa son collègue d'avoir donné son vote en faveur du traité de paix avec l'Espagne en considération de la promesse que lui avait faite l'administration de lui laisser le contrôle du patronage officiel dans la Caroline du Sud. McLaurin a jeté un démenti à Tillman et celui-ci l'a frappé, puis le combat a été interrompu.

Une Bonne Médecine pour La Grippe. Geo. W. Wait, de South Gardner, Me., dit: "J'ai eu les plus mauvaises rhumes, la toux la plus sévère, des frissons et la grippe. J'ai prié beaucoup de médecins qui ne vallaient rien. Le Chamberlain's Cough Remedy est le seul remède qui m'a fait du bien. Une bouteille m'a guéri du rhume, du frisson et de la grippe. Mes compliments aux manufacturiers de ce bon remède. A vendre par Lassalle & Desmarais."

La souscription du journal est payable d'avance et si nous l'avons envoyé durant des années sans avoir exigé d'avance le paiement c'est que nous avions la ferme opinion qu'à la première demande nos lecteurs arrière se seraient empressés de répondre à notre appel. Nous avons montré de la bonne volonté, nous avons fait plus que la moitié, montrez que vous êtes capable de faire la balance. Si vous ne pouvez venir vous-même envoyez le montant par la poste.

Une Bonne Médecine pour la Toux des Enfants. Je n'hésite pas en recommandant le Chamberlain's Cough Remedy, dit F. P. Moran un boulanger bien connu de Petersburg, Va.: "Nous l'avons donné à nos enfants avec parfaite satisfaction, pour le rhume et la coqueluche. Ce remède m'a été recommandé par un pharmacien, comme étant le meilleur remède pour la toux des enfants car il ne contient ni opium ni autre médicament dangereux. A vendre par Lassalle & Desmarais."

L'Imprimerie du COURRIER fait toutes sortes d'impressions, en français ou en anglais, telles que: circulaires, cartes d'affaires, constitutions de sociétés, programmes, lettres de comptes, de lettres, etc., etc. Les prix sont modérés. Pour plus amples renseignements s'adresser au bureau du COURRIER, rue Main, Opelousas, en personne ou par lettre.

Deux Fois Prouvé. Le Vindicator, Rutherfordton, N. C. L'éditeur du Vindicator, a eu l'occasion de se servir de Chamberlain's Pain Balm deux fois, avec des résultats merveilleux dans chaque cas. Le premier fois il s'en servit pour un rhumatisme dans une épaule qui le faisait souffrir depuis dix jours. Deux applications de Pain Balm le soulagèrent de suite et en frottant l'épaule affectée avec ce médicament il fut bientôt complètement guéri. La seconde fois un rhumatisme dans les jointures des cuisses le faisait souffrir le martyr; deux applications de Pain Balm en se couchant le soir le soulagèrent et le lendemain matin il se leva entièrement guéri. A vendre par Lassalle & Desmarais.

The Sunny South.

We publish elsewhere to-day the announcement of the Sunny South, the great weekly literary periodical of the Southern States. Published in Atlanta, Georgia, at the heart of the great South, it bears upon it the impress of its birth-place and environment. For more than twenty-five years the Sunny South has been a recognized factor in the Southern literary world. It was established more than a quarter of a century ago as a Southern story paper and was published for a long time as a weekly and then as a monthly.

About one year ago the paper passed under new management and in less than a year it had jumped from a circulation of 12,000 to nearly 60,000. The first thing the new management did was to make it a weekly publication and to reduce the price to fifty cents per year—less than one cent an issue—and to give it literary and literary ability that money could command or determination secure. In less than a year this remarkable Southern literary paper has become national in character and it now has about as many subscribers north of Mason and Dixon's line as it has in the South. Its columns abound in the best current literature of characteristic Southern flavor, and no literary periodical published anywhere in the country has succeeded in bringing to the attention of Southern writers of note as has been done by the Sunny South.

A striking feature of the Sunny South's development is its introduction during the past year of many new story writers who will be heard from in the near future. The world's literature. In almost every Southern state new literary talent has been developed to such an extent as to put the whole country to talking about the Sunny South. A few months ago the Sunny South offered very handsome prizes for a series of the best short stories by Southern writers, and more than five hundred responses were received. Some of the stories then published in the Sunny South have been reproduced the world over. Others are now being published by it from week to week.

The fact that the price of this splendid weekly literary periodical is only fifty cents a year has had a wonderful effect in giving it an extensive field for the development of its plans for the future. Perhaps no literary periodical ever established has made such rapid strides as the Sunny South in less than a year.

Mrs. Mary E. Bryan, whose name has long been associated with the Sunny South, has been named to take charge of the Woman's Department. Her services will appeal especially to women readers throughout the country, as the striking charm of her own personality pervades every column of her most interesting department. The liberal use of matter by the leading magazines of the United States shows that high regard prevalent for Southern literary talent. The quaint stories of Joel Chandler Harris in folk-lore of the Southern plantations, and the stories by him and by Thomas Nelson Page, Will N. Harben, Harry Stillwell Edwards and others of those interesting phases of human character so plentiful in the South, are read with consuming interest and are seized upon by publishers with great avidity.

As will also be observed from the announcement published elsewhere, the Atlanta Weekly Constitution is of the same nature as the Sunny South at one dollar and twenty-five cents a year (\$1.25) for the two papers. This remarkably low clubbing offer is made to those who order both papers at the same time. The two papers are entirely different in purpose, one being a newspaper and the other a literary periodical; each supplements the other, and the two, when taken together, furnish an invaluable combination to every household. There is only one copy left to be had in this combination, perfect, and that is your home county paper. No freeloader can afford to be without that.

The Atlanta Constitution is too familiar to newspaper readers to make any comment concerning it necessary. It is well and widely known and has the largest circulation of any weekly newspaper published on the western hemisphere, going weekly into more than 150,000 homes. It is the great home newspaper of a majority of Southern readers and covers the world in its comprehensive and well edited news columns. It is to the world of news what the Sunny South is to Southern literature—the one is without a superior as a great news-gatherer and the other is a conspicuous leader in the field of fiction, romance and descriptive writing of general interest. The two papers make an ideal combination for every country home. Sample copies of either or both will be furnished free upon application addressed to either at Atlanta, Georgia.

One dollar and twenty-five cents forwarded to either of the two papers will secure both for one year. We take pleasure in inviting the attention of our readers to this very attractive combination.

For all pulmonary troubles BALLARD'S HOREHOUD SYRUP, taken in the early stages, proves a certain and specific. It is equally effective in chronic and whooping cough, and if used in season prevents the further development of consumption. Price 25 and 50 cents. Opera House Drug Store.

It is claimed that the Mayflower did not sail on Pilgrim Fathers from England to the stern and rock-bound coast. The iconoclast seems never satisfied. It has been claimed that the continental congress did not know what it was doing when it adopted the Declaration of Independence.—Commoner.

Children often inherit feeble digestive power, and colic of a more or less severe character results when food is taken which is at all difficult to digest. WATSON'S CREAM VEGETABLES acts as a general and permanent tonic. Price 25 cents. Opera House Drug Store.

Wm. J. Bryan, editor of the Commonwealth, urges that United States Senators be made to put themselves on record respecting the proposition to elect United States Senators by a direct vote of the people.

No one knows the unbearable torture of a neuralgia from piles unless they are so afflicted. TABLET'S BUCKEYE PILE OINTMENT is a quick, safe, and painless cure. Price 50 cents in bottles. Tubes, 75c. Opera House Drug Store.

The lower branch of the Mississippi legislature has passed a bill imposing a privilege tax on all persons who take orders for the purchase of commodities outside of the State.

Couldn't help getting a cold never cured. Try carrying home a bottle of BALLARD'S HOREHOUD SYRUP, and using it as directed, will cure the worst kind of cough or cold. Price 25 and 50 cents. Opera House Drug Store.

The Jennings papers say that drunkards prevail to a greater extent in that town now than when the open saloon was in full blast.

Women and Jewels.

Jewels, candy, flowers, man—that is the order of a woman's preferences. Jewels form a magnet of mighty power to the average woman. Even the greatest of all jewels, health, is often ruined in the strenuous efforts to make or save the money to purchase them. If a woman will risk her health to get a coveted gem, then let her forthrightly against the insidious consequences of coughs, colds and bronchial affections by the regular use of Dr. Boesche's German Syrup. It will promptly arrest consumption in its early stages and heal the affected lungs and bronchial tubes and drive the dread disease from the system. It is not a cure-all, but it is a certain cure for coughs, colds, and all bronchial troubles. You can get Dr. G. G. Green's reliable remedies at the Opera House Drug Store. Get Green's Special Almanac.

It is rumored that Prince Henry, during his visit to America, will feel around President Roosevelt with a view to purchasing the Philippine archipelago. If such is the fact, we believe the people of the world would be glad to see the president of the United States, who was elected in 1901. The Philippines, through Dewey fell right into Columbus' lap unexpectedly, and she has been nursing them ever since. They are an expensive and treacherous, and will always be a big expense, all the way to Germany, and let our soldiers get back home.—Morgan City Review.

Could Not Breathe.

Coughs, colds, croup, grip, bronchitis, other throat and lung troubles, are quickly cured by One Minute Cough Cure. One Minute Cough Cure is not a mere expectorant, which gives only temporary relief. It softens and liquefies the mucous, draws out the inflammation and removes the cause of the disease. Absolute safety. Acts at once. "One Minute Cough Cure will do all that is claimed for it," says Justice of the Peace J. Q. Hood, Crosby, Miss. "My wife could not get her breath and was relieved by the first dose. It has been a benefit to all my family." Opera House Drug Store.

Now that Miss Stonest is late released and free, we trust that she will come home, marry some good man, believe herself and keep out of his company. That little and one week's cure of her has been very annoying, not to say expensive. If she had been the mother of eight little home-made yankee children, the brigands would never have laid eyes upon her and we would have been spared lots of trouble.

Practically Starving.

"After using a few bottles of Kodol Dyspepsia Cure my wife received perfect and permanent relief from a severe and chronic case of stomach trouble," says J. R. Holly, real estate, insurance and land agent, at New York, N. Y. "She could not eat an ordinary meal without intense suffering. She is now entirely cured. Several physicians and many remedies had failed to give relief. You don't have to diet. Eat any good food you want, but don't overload the stomach. Kodol Dyspepsia Cure will always digest it for you. Opera House Drug Store."

Never in the history of Louisiana has there been a more coldblooded crime than that committed by a tramp Welch the other day. Every member of Mr. Ward Earle's family except a daughter was murdered. The object of the murder was money. Welch was in the employ of Mr. Earl. He was captured in Missouri.

"I was troubled for several years with chronic indigestion and nervous debility," writes E. J. Green of Lancaster, N. H. "No remedy helped me until I began using Electric Bitters, which did me more good than all the medicine I ever used. They have also kept my wife in excellent health for years. She says Electric Bitters are just splendid for female troubles, that they are a grand tonic and invigorator for weak, run-down women. No other medicine can take its place in our family." Try them. Only 50c. Satisfaction guaranteed at Mason's drug store.

With every exertion the best of men can do at a moderate amount of food, but it seems in the power of the most contemptible individual to do incalculable mischief.—Washington Irving.

A Good Cough Medicine for Children.

"I have no hesitancy in recommending Chamberlain's Cough Remedy," says F. P. Moran, a well-known and popular baker, of Petersburg, Va. "We have given it to our children when troubled with bad coughs, also whooping cough, and it has always given perfect satisfaction. It is well recommended to me by a druggist as the best cough medicine for children as it contained no opium or other harmful drug." Sold by the Opera House Drug Store and all dealers in medicine.

Lawyers who have briefs to print are respectfully reminded that the COURIER Printing office is thoroughly equipped for the prompt execution of all kinds of work, and guarantees satisfaction both as to quality and price.

Night Was Her Terror.

"I would cough nearly all night long," writes Mrs. Charles Applegate, of Alexandria, Ind., "and could hardly get any sleep. I had consulted several doctors, but they all failed. I would cough frightfully and spit blood, but when all other medicines failed, three 50c bottles of Dr. King's New Discovery wholly cured me and I gained 50 pounds." It's absolutely guaranteed. Cures Coughs, Hoarseness, Bronchitis, and All Throat and Lung Troubles. Price 50c and \$1. Trial bottles free at Mason's drug store.

The President's memorandum is likely to have one effect, at any rate. "It is a captain's fight," he says. "Captains will probably not be disposed to look out for admirals' signals very sharply in fights hereafter."

It is a concentrated medicine, the dose is small, yet it quickly produces the most gratifying results, digestion improves, the lips and cheeks lose their pallor, the eyes become bright and the step elastic. Price 50 cents. Opera House Drug Store.

It's a guaranteed cure for Eczema, Tetter, Salt Rheum, Pimples, Sores, and all Piles. Only 50c at Mason's Drug Store.

Confederate Reunion Rates.

All roads will probably sell tickets at reduced rates to the Confederate Reunion to be held at Dallas, Tex., April 23rd to 25th, 1902, inclusive. But if you make the trip you want to go the best way. You want all the conveniences obtainable. The Texas & Pacific Railway offers you these. It gives you splendid sleeper and through chair car service. It gives you your choice of route via Memphis, Shreveport or New Orleans. It gives you the very lowest rates that can be quoted. It is the only line reaching the fair grounds, where the Confederate Hall is situated in Dallas. It is the only line with two depots in Dallas, permitting you to alight in East Dallas, or down town in the center of the hotel district.

It was the first line to subscribe to help entertain the Confederates during their stay in Dallas.

It is desirous of your patronage and anxious to have an opportunity to please you.

Twice Proven.

(From the Vindicator, Rutherfordton, N. C.) The editor of the Vindicator has had occasion to test the efficacy of Chamberlain's Pain Balm twice with the most remarkable results in each case. First, with rheumatism in the shoulder from which he suffered excruciating pain for ten days, which was relieved with two applications of Pain Balm, rubbing the oil and getting the relief in a very short time. Second, in rheumatism in thigh joint, almost prostrating him with severe pain, which was relieved by two applications, rubbing with the liniment on retiring at night, and getting up free from pain. For sale by the Opera House Drug Store and all dealers in medicine.

General Pearson rages because this country permits the English government to buy its mules and mules, yet hardly a dispatch comes from the seat of war in South Africa which does not tell of the Boers capturing the horses and mules of the British. It would look from this as if he had no cause for complaint, since he has a goodly number of the American mules and mares, while the English pay for them.—Galveston News.

For the Complexion.

The complexion always suffers from biliousness or constipation. Unless the bowels are kept in order, the complexion is unhealthily. DeWitt's Little Early Risers keep the liver and bowels in healthy condition and remove the cause of such troubles. C. E. Hooper, Albany, Ga., says: "I took DeWitt's Little Early Risers for biliousness. They were just what I needed. I am feeling better now than in years." Never gripe or distress. Safe, thorough and gentle. The very best pills. Opera House Drug Store.

Articles intended for publication in the COURIER should be sent in before Thursday morning if possible to insure their appearance in the next issue. Matter not sent in by Thursday evening or later is apt to be excluded for lack of time or space, unless it is of sufficient importance to justify the delay and inconvenience.

It is not so much what the newspapers say, as what they say to neighbors, or friends, that has brought Chamberlain's Colic, Cholera and Diarrhoea Remedy into such general use. It is as natural for people to express their gratitude after using this remedy as it is for water to flow down a hill. It is the remedy that can always be depended upon, whether a baby be sick with cholera infantum or a man with cholera morbus. It is pleasant, safe and reliable. Have you a bottle of it in your home? For sale by the Opera House Drug Store and by all dealers in medicine.

Don't neglect to furnish the COURIER with news items of general interest. Notices of deaths, marriages, the presence of visitors in your neighborhood, or other local news, if published in your local newspaper and will be published in same as early and timely reported.—Phone 23.

An Honest Medicine for La Grippe.

George W. Wait, of South Gardner, Me., says: "I have had the worst cough, cold, chills and grip and have taken lots of trash of one kind or another, but Chamberlain's Cough Remedy is the only thing that has done any good whatever. I have used one bottle of it and the chills, cold and grip have all left me. I congratulate the manufacturers of an honest medicine on the honestest way of advertising it." Sold by the Opera House Drug Store and by all dealers in medicine.
