Essayez le nouveau remède pour la constipation, Chamberlain's Stomach and Liver Tablets. Chaque boîte est garantie. Prix 25 cents. A vendre par Lassalle & Desmarais.

Le congrès a voté une somme de \$50,000 pour payer les frais de l'enterrement du président McKinley et les honoraires des médecins qui l'ont soigné. Ces derniers auront \$31,000 pour leur part.

Pour un corticis il n'y a rien de meilleur qu'une application libérale de Chamberlain's Pain Balm. Il soulage l'engourdissement immédiatement et guérit complètement. A vendre par Lassalle & Desmarais.

Le vénérable ministre presbytérien B. M. Palmer, âgé de quatrevingt-neuf ans, a été frappé par une attaque électrique de la Nouvelle-Orléans, dangereusement blessé; il a eu une jambe cassée et plusieurs autres éraflées.

L'orient d'une étude sur les pays d'Orient a dû bonifier en lisant sa prose on s'était glissée une coquille amusante. On lui faisait dire: "Après la Chine, le contre que au plus aimé et on l'a découvert dans les plus merveilleuses, c'est le Japon."

Il avait écrit le Japon.

Une Foulure Promptement Guéri. "A une époque j'ai souffert d'une foulure de l'ankle," dit Geo. E. Cary, éditeur du Guide, Washington, Vie. "Après avoir usé plusieurs remèdes, bien connus sans succès, j'ai essayé Chamberlain's Pain Balm, et j'ai été soulagé immédiatement et fut guéri complètement bientôt après. Je recommande ce remède à tous ceux qui souffrent d'un bon liniment. A vendre par Lassalle & Desmarais.

La ville de St. Pierre, la principale de l'île de la Martinique, qui se trouve dans les Indes occidentales françaises, au nord des côtes de l'Amérique du Sud, vient d'être détruite complètement par un tremblement de terre. C'était une ville de 25,000 habitants, et tous ont péri. Ce cataclysme est le résultat de désordres volcaniques.

Méfiez-vous d'un Tox. Un tox n'est pas une maladie mais un symptôme. La consommation et les bronchites, qui sont les maladies les plus dangereuses et les plus fatales, commencent par un toux, et s'ils sont traités aussitôt que la toux commence, sont guéris facilement. Chamberlain's Cough Remedy a très bien réussi et a fait une grande réputation en guérissant la maladie qui cause la toux. S'il ne vous fait pas de bien ça ne vous coûte rien. A vendre par Lassalle & Desmarais.

L'enfant de M. et de Mme Eugène Willford, de Ste. Rose, paroisse St. Charles, âgé de trois mois, souffrait depuis sa naissance sans que l'on put connaître la cause de sa maladie. Dimanche, on aperçut la pointe d'une aiguille qui sortait dans son dos et depuis qu'on l'a extraite l'enfant va beaucoup mieux.

Donner un nom à un bébé est un devoir tout aussi doux qu'agréable imposé aux parents, mais de nommer la maladie est parfois peu aisé à un docteur quand les symptômes sont contradictoires d'après les théories données. Il est bien plus simple de ne pas s'occuper du nom, et d'avoir soin de ce qui constitue la chose principale, c'est-à-dire d'éloigner les impuretés du sang, qui sont le point de départ de neuf dixièmes des maladies humaines.

C'est là ce qu'accomplissent les théories en pratique de Novoro du Dr. Pierre. C'est aussi là la cause du succès obtenu. Cette médecine ne se vend pas dans les pharmacies, mais bien directement au public ou bien par l'entremise d'agents locaux. Pour plus amples renseignements, prière de s'adresser au Dr. Peter Fahrney, 112-114 South Hoyne Avenue, Chicago, Ill.

Dans tous les restaurants de Chicago, on a augmenté le prix des "sandwiches" un jambon de 5 sous à 10s, et celui des "sandwiches" de rôti de 10s à 15s. L'on estime que 300,000 "sandwiches" au jambon sont consommés tous les jours à Chicago, ce qui représente de ce chef seulement une augmentation de \$15,000 que le public va payer chaque jour désormais, tant que le syndicat du bonf existera, ou du moins tant qu'il n'aura pas été forcé de lâcher prise sur le marché des viandes.

Un Remède Remarquable. "C'est avec beaucoup de plaisir et satisfaction que je recommande Chamberlain's Cough, Cholera and Diarrhoea Remedy," dit droguiste A. W. Sawtelle, de Hartford, Conn. "Une dame voyant ce remède exposé à vendre dans un pharmacie, me dit: 'Je crois fermement que cette médecine m'a sauvé la vie l'été passé,' et elle fut si enthousiasmée sur ses mérites que je me suis décidé de la recommander au futur."

Médecament un monsieur extra dans mon magasin à la fin de l'été. Je lui ai donné une dose de cette médecine qui lui a soulagé. J'ai répété la dose dans 15 minutes et il s'est en allé parfaitement guéri. A vendre par Lassalle & Desmarais.

Caution! This is not a gentle word—but when you think how liable you are not to purchase for 75c the only remedy universally known and a remedy that has had the largest sale of any medicine in the world since 1883 for the cure and treatment of Consumption and Throat and Lung troubles without losing its great popularity all these years, you will be thankful we called your attention to Chamberlain's Cough, Cholera and Diarrhoea Remedy. There are so many ordinary cough remedies made by druggists and others that are cheap and good for light colds perhaps, but for severe Coughs, Bronchitis, Croup—and especially for Consumption, where there is difficulty in breathing and coughing during the nights and mornings, there is nothing like Chamberlain's. Sold by all druggists in the civilized world. G. G. Green, Woodbury, N. J. For sale at the Opera House Drug Store.

More trouble ahead! The National Federation of Women's Clubs of America, to which great numbers of Southern women belong, is about to convene in Los Angeles, California, and the everlasting color line question will be the biggest thing of a row. Some of the Massachusetts delegates will insist on admitting colored women's clubs to the Federation and then the battle will be on. Some women may be misled on the right thing in any issue of that kind, even if it involves secession. What a pity Massachusetts can't have about 2,000,000 typical Southern negroes dumped within her sacred borders so that she could get on for all an adequate rejection of common sense on a question she is always meddling with and knows nothing about.—Ruston Loader.

Piles are not only most painful, but also very dangerous, as the inflamed nodules are very apt to take on malignant action and cancer of the rectum is produced. They should be cured. TANNER'S BUCKEYE PILE OINTMENT will cure the most obstinate cases. Price, 25 cents in bottles. Tubes, 75 cents. For sale by A. S. Brand & Co.

The American forces are going to find soon a more dreadful and deadly foe than the Filipinos to deal with. It is the plague. In the provinces of Luzon cases are reported and 1,331 deaths. In Manila alone 605 cases are reported and 488 deaths. Even the plague, with all its fearful suffering and death rate, puts no halt to the spirit of greed that is affecting free, liberty-loving America.

When the liver fails to secrete bile, the blood becomes loaded with bilious properties, the digestion becomes impaired and the bowels constipated. IBERINE has a direct action on the liver and excretory organs, and a dose will cure any case of biliousness. Price, 50 cents. For sale by A. S. Brand & Co.

A New Orleans girl is suing a photographer for \$10,000 damages for giving her photo to a railroad man for use on a "Carnival" advertising folder. The photographer owned up that he did it because her picture was the prettiest thing he ever saw. Since this has failed to modify her it may be inferred that she wants the money.—American.

Rheumatism is conceded to have its origin in a poisoned condition of the blood, and to be most successfully treated by IBERINE, which acts upon the liver, kidneys and other blood purifying organs, thereby vivifying the system of the offending agents. Price, 50 cents. For sale by A. S. Brand & Co.

A municipal election was to have been held in Mermentau on April 23rd, but it was declared off because there were not enough qualified voters to hold it. Only one man in the town had paid his poll tax, and three others were qualified by age. Present town officers will hold over.

Don't despair because you have a weak constitution. The vitalizing principle of IBERINE will assuredly strengthen it. In every drop of IBERINE there is life. There is a stimulating, regenerating power, unexcelled in the whole range of medicinal preparations. Price, 50 cents. For sale by A. S. Brand & Co.

The farmers not only of this section but in all parts of the country should try to profit by the greed of the traders. They should strive to supply the demands of the home market with meats and butter and if they will make the effort the home consumers will buy their products.

Children who are weak, fretful or troublesome should be given a few doses of WHITE'S CREAM VERMIFUGE. They will then become strong, healthy and active, have rosy cheeks, bright eyes, will be happy and laughing all the time long. Price, 35 cents. For sale by A. S. Brand & Co.

In view of the fact that we would still be in ignorance of many things going on in the Philippines if General Miles had not spoken, we can understand why Mr. Roosevelt is willing to allow Miles to remain if the general will agree to talk no more.—Commoner.

Cyclists should always carry a bottle of HALLARD'S SNOW LUBRICANT, in case of accident. It is a greasy oil that will subdue the pain, prevent swelling and discoloration, and quickly heal the wounds. Price, 25 and 50 cents. For sale by A. S. Brand & Co.

The real good advertisement convinces the reader that it is as much to his interest to buy the article advertised as it is to the advertiser's interest to sell. Good advertising pays both the buyer and the seller.—Printer's Ink.

For a stiff neck there is nothing better than a free application of Chamberlain's Pain Balm. It quickly relieves the stiffness and soreness, effecting a complete cure. For sale at the Opera House Drug Store and by all dealers in medicine.

A new political party has been founded in Washington, for the express purpose of trying to secure pensions for ex-slaves. Its members would find it more profitable to stick to wool washing and sawing wood.—Lake Charles News.

Try the new remedy for constiveness, Chamberlain's Stomach and Liver Tablets. Every box guaranteed. Price 25 cents. For sale at the Opera House Drug Store and by all dealers in medicine.

Republican logic continues to be devious and incomprehensible. The G. O. P. organs now inform the people that if they will only starve themselves, so that they can break up the trusts in food supplies.—Commoner.

Now come the physicians of Chicago and say the public health is much better since people have ceased eating so much meat.

A Very Remarkable Remedy "It is with a good deal of pleasure and satisfaction that I recommend Chamberlain's Cough, Cholera and Diarrhoea Remedy," says Druggist A. W. Sawtelle, of Hartford, Conn. "A lady customer, seeing the remedy exposed for sale on my show case, said to me: 'I really believe that medicine saved my life the past summer when I had the shrew,' and she became so enthusiastic over its merits that I at once made up my mind to recommend it in the future. Recently a gentleman came into my store sore with cold pains that he sank at once to the floor. I gave him a dose of this remedy which helped him. I repeated the dose and in fifteen minutes he left my store, smilingly informing me that he felt as well as ever.' Sold at the Opera House Drug Store and by all dealers in medicine.

A correspondent of the Boston Transcript, commenting caustically on the proposition to erect a statue of Benjamin F. Butler in Boston, says that the least we can do is to have a fine number of celebrities of this sort who have been conspicuous as malefactors standing up in the common." He adds: "I shall be pleased to head a subscription list for the purpose. I will subscribe \$25 for a statue of Satan, \$25 for Benedict Arnold, \$10 for John Wilkes Booth, \$20 for Aaron Burr, \$5 for Gaius Julius Caesar and \$5 for Czolgosz." The writer also suggests the addition of horns and a tail to the Butler statue.

Don't Start Wrong Don't start the summer with a raging cough or cold. You all know what a "summer cold" is. It's the hardest kind to cure. Often it "hangs on" through the entire season. Take it in hand right now. A few doses of One Minute Cough Cure set you right. Sure cure for coughs, colds, croup, grip, bronchitis, all throat and lung troubles. Absolutely safe. Acts at once. Children like it. "One Minute Cough Cure is the best cough medicine I ever used," says J. H. Bowles, Groveton, N. H. "I never found anything else that acted so safely and quickly." Opera House Drug Store.

"To-day the House passed 149 private pension bills." Of course every bill presented was passed, of course also no question was asked, as every member is accorded the privilege of presenting any friend he may select, and no member objects, because all are in the same boat, and all want to pension as many voters in their districts as possible. We send them to the penitentiary for robbery and to elect men to Congress for the same offense. But, they tell us there is no harm in robbing the government, because they all do it. More is the pity.

Like a Drowning Man "Five years ago a disease the doctors called dyspepsia took such hold of me that I could scarcely get through my meals. I tried many remedies, but nothing helped me. As a drowning man grabs at a straw I grabbed at Kodol. I felt an improvement after a few bottles, and am sound and well." Kodol is the only preparation which exactly reproduces the natural digestive juices, and consequently is the only one which digests any good food and cures any form of stomach trouble. For sale at the Opera House Drug Store.

After declaring that the Filipinos are "treacherous," "full of deceit," "not to be trusted," and "incapable of friendship," the administration organs seek to excuse the brutality of General Smith's order by saying that supposedly friendly natives attacked soldiers who were surprised and unprepared for fight. What about the officers who were unprepared for a fight in the midst of such people? The logic of the administration organs always shows up with enough kinks in it to make it look like a worm fence.—Commoner.

Dangerous If Neglected. Burns, cuts, and other wounds often fail to heal properly if neglected and become troublesome sores. DeWitt's Witch Hazel Salve prevents such consequences. Even where delay has aggravated the injury DeWitt's Witch Hazel Salve effects a cure. "I had a running sore on my leg thirty years," says H. C. Hartly, Yanketown, Ind. "After using many remedies, I tried DeWitt's Witch Hazel Salve. A few boxes healed the sore." Cures all skin diseases. Piles yield to it at once. Beware of counterfeits. For sale at the Opera House Drug Store.

The Inter-State commerce commission has issued a bulletin showing for the three months ended September 30, 1901, a grand total of 725 killed and 2,023 injured in train accidents of all kinds in the United States. The total number of train collisions was 1,327 and derailments 1,002, causing damage aggregating \$1,842,234 to cars, engines and roadways, exclusive of damage to merchandise.—Ex.

A Sprained Ankle Quickly Cured. "At one time I suffered from a severe sprain of the ankle," says Geo. E. Cary, editor of the Guide, Washington, Va. "After using several well recommended medicines without success, I tried Chamberlain's Pain Balm, and am pleased to say that relief came as soon as I began its use, and a complete cure speedily followed. This remedy has also been used in my family for frost-bitten feet with the best results. I cheerfully recommend it to all who may be afflicted with a sprain of the ankle by the Opera House Drug Store and by all dealers in medicine.

Congressman Broussard has called for a study of the plan by which he wishes the Cubans without reducing the tariff. What the plan is is a dead secret, locked in the bosom of the Iberian statesman, until it is unfolded to the Cubans. There is ground for fear that it will not prove a permanent one, for the Louisiana planters unless it can change the forces of nature herself.—American.

Beware of a Cough. A cough is not a disease but a symptom. Consumption and bronchitis, which are the most dangerous and fatal diseases, have for their first indication a persistent cough, and if properly treated as soon as this cough appears, are easily cured. Chamberlain's Cough Remedy has proven wonderfully successful, and gained its wide reputation and fame by its success in curing the diseases which cause coughing. If it is not beneficial it will not cost you a cent. For sale at the Opera House Drug Store and by all dealers in medicine.

The director of technical education for France writes that no effort will be spared to make the exhibit of French technical and industrial education worthy of the plans of this exposition. The value of this exhibit to Americans may be estimated from the fact that French ideas in this field of education dominate the industrial education of Europe.

Wants Others to Know. "I have used DeWitt's Little Early Risers for constipation and torpid liver and they are all right. I am glad to endorse them for I think when we find a good thing we ought to let others know it."—Irene Heine, Quincy, Ill. They never grip or distress. Sure, quick pills. Opera House Drug Store.

Accuracy in Prescriptions. A broader term than many suppose some people imagine it relates only to chemicals or preparations bearing the same name as that appearing on the prescription. This is an old step only. To complete the sense of the term each ingredient must be pure—must be capable of exerting the highest medical effect. We believe in accuracy of this kind. It has given the esteem of the physicians and the confidence of the public. Will take great care of your prescription. We don't charge extra for this carefulness. Accuracy is here. Opera House Drug Store, A. S. Brand & Co., Proprietors.

At the Dallas reunion before the regular session began General Robert Cobb of Kentucky introduced an aged negro by saying: "Some people say we fought to keep the negro in slavery. I want to introduce to you a 'nigger.' He is not a colored man. One of those who stayed at home and raised corn and bacon for us while we were fighting. His name is Andrew White and he is the only negro member of Camp Eli Hufstader of Arkansas." The band played the "Kentucky Home" and Cobb and White were accorded a seat of honor on the platform with the white folks by a rising vote.
