Have You Heard of the Lion's Mouth? The Old Venetian Idea is Adapted by a Progressive American Newspaper to Meet Modern Requirements.

Collier's Weekly is conducting a very novel and interesting competition for its readers each month. To enter the contest all one has to do is to review the issues of Collier's for the current month and answer the two or three questions which are printed in each issue, giving such opinion and suggestions as will aid in improving the paper.

The first prize each month, awarded for the most helpful suggestion, is \$50 in cash, with a second prize of \$25 in cash, and eighteen other prizes of sets of books, ranging in value from \$23 down to \$5, making in all \$329 of value.

Catarrh of the Stomach. When the stomach is overloaded; when food is taken into it that fails to digest, it decays and inflames the mucous membrane, causing the nerves, and causes the glands to secrete mucus instead of the natural juices of digestion.

Night Was Her Terror. "I would cough nearly all night long," writes Mrs. Chas. Applegate, of Alexandria, Ind., "and could hardly get any sleep."

One of the best things said lately was by a Missouri editor. In addressing his Sunday school class he said: "Fame has taken men from the forge, the plow and the carpenter's bench, but she was never known to reach over a picket fence and snatch a dude out of a hammock."

The Foundation of Health. Nourishment is the foundation of health, life, strength. Kodol Dyspepsia Cure is the one great medicine that enables the stomach and digestive organs to digest, assimilate and transform all foods into the kind of blood that nourishes the nerves and feeds the tissues.

A practical woman remarked the other day that the most interesting things in the newspapers to her are the advertising columns. "Long ago," she said, "I quit buying of those who didn't advertise. It always seems to me that the merchant who advertises invites me to trade with him, while the one who does not advertise is merely trying to get the idea that he doesn't care enough for my trade to ask it. Then, too, I have found that the merchant who advertises has fresher goods, for the reason, I suppose, he sells more."

Brutally Tortured. A case came to light that for persistence and unmerciful torture has perhaps never been equaled. Joe Golobick, of Colusa, Cal., writes: "For 15 years I endured insufferable pain from rheumatism, and nothing relieved me, although I tried everything known. I came across Electric Bitters, and it is the greatest medicine on earth for that trouble. A few bottles of it completely relieved and cured me."

"Why don't you run a paper like this?" said a merchant to a publisher, throwing down a blanket-sheet city daily. "Why don't you run a store like this?" said the publisher of the country sheet as he turned the paper over and pointed to a full page advertisement that brought the city publisher \$420 an issue. The subject was then changed.

No Pity Shown. "For years fate was after me continuously," writes F. A. Gulledd, of Verona, N. J., "I had a terrible case of Piles, causing 24 tumors. When everything else failed, Bucklen's Arnica Salve cured me." Equally good for Burns and all aches and pains. Only 25c at Mason's drug store.

The convention advocates clear of the population basis of representation. We want to know why the disfranchised negroes of Texas and Madison parishes should be voted in a Democratic convention. The convention advocates will please not all speak at once.—Guardian-Journal.

Working Night and Day. The busiest and mightiest little thing that ever was made is Dr. King's New Life Pills. These pills change weakness into strength, listlessness into energy, and brain-fog into mental power. They're wonderful in building up the health. Only 25c per box. Sold by Mason, the Druggist.

Place your valuable papers in a safety deposit box in the St. Landry State Bank.

See A. C. Skiles for Lumber, Shingles, Bricks, Lime, Sand and Cement.

Dr. Kendall's treatise on the horse can be had at this office for 25 cents.

The Commoner published a definition of democracy a few weeks ago, and since that time has received others, the briefest of which is that democracy means "The people to govern." That is the essence of democracy and the test of a democrat. Platforms must agree with this definition and apply the definition to the questions before the question can have consideration.—Commoner.

The briefest definition of the republicanism of the g. o. p. is: "The Trusts to govern." Just as on the record of that party for the last few years and ask yourself if it should be allowed to rule and ruin: "Cuban Postoffice Scandal"; "Philippine War Scandal"; "Embezzled Beef Scandal"; "P. O. Department Scandal"; etc., etc., etc., too numerous to mention. The g. o. p. will have to hire an army of whitewashers to get their dirty elephant in shape to be presentable.

A Surgical Operation Is always dangerous. Do not submit to the surgeon's knife until you have tried DeWitt's Witch Hazel Salve. It will cure when anything else fails. It has done this in thousands of cases, and here is one of them: "I suffered from bleeding and protruding piles for 20 years. Was treated by different specialists and used many remedies, but obtained no relief until I used DeWitt's Witch Hazel Salve. Two boxes of this salve cured me 18 months ago, and I have not had a touch of the piles since."

—H. A. Tisdale, Summertown, S. C. For Blind, Bleeding, Itching and Protruding Piles, no remedy equals DeWitt's Witch Hazel Salve. Sold by Mason's drug store.

In these States it is supposed that a person cannot be arrested for debt under any circumstances, but Louisiana has it otherwise. If a person is about to leave Louisiana for another State, and is a debtor, a creditor can have him arrested and the debtor will be placed in jail and will have to remain there until he gives bond or makes a surrender for the benefit of his creditors.—Town Talk.

Just About Bedtime Take a Little Early Riser. It will cure constipation, biliousness and liver troubles. DeWitt's Little Early Riser are different from other pills. They do not grip and break down the mucous membranes of the stomach, liver and bowels, but cure by gently moving the secretions and giving strength to these organs. Opera House Drug Store.

Race riots in Delaware, Illinois and Indiana are where they belong. They will give the negro rioters and their philanthropic friends a chance to get acquainted with one another.—B. R. Advocate.

Stationery such as Box papers, Tablets and all kinds of writing material; School Books, School Bags, Straps, Pencil Boxes, Lead and Slate Pencils, etc., at the Opera House Drugstore—A. S. Braud & Co., Proprietors.

Hundreds of jobs of printing are sent away from home that can be as well done at home. Examine our work, see our samples and get our prices before ordering your stationery.

King Peter What'shisnameofit of Serbia is the latest convert to Hiram's "let well enough alone" platform.—Commoner.

The militia of Indiana appears to have given up the idea of restoring the peace in that great Republican State.
