Give It Assistance.

One of the great institutions of the State, and one that is doing a vast amount of good to suffering humanity, is the Eye, Ear and Nose Hospital of New Orleans.

Since its existence in 1880, it has given treatment to 71,889 poor people, to whom 35,942 consultations were given, and on whom 12,009 operations were performed.

Safeguard the Children.

Notwithstanding all that is done by boards of health and charitably inclined persons, the death rate among small children is very high during the hot weather of the summer months in the large cities.

"During the 88 years of my career," says Russel Sage, "I have never taken a vacation."

About ten years ago Mr. Sage came near taking an enforced vacation, as the dynamites were after his gold, and had not one of his clerks pulled him out of danger and thereby was crippled for life.

Brutally Tortured.

A case came to light that for persistent and unmerciful torture has perhaps never been equaled. Jon Golobick, of Colma, Calif., writes: "For 15 years I endured insufferable pain from rheumatism, and nothing relieved me, though I tried everything known."

The Russo-Japanese war is productive of a number of singular things. Japan has sent millions of gold to the United States for war supplies, and this gold, or a great deal of it, was sent to Paris to settle the Panama account.

Night Was Her Terror.

"I would cough nearly all night long," writes Mrs. A. M. Apple of Alexandria, Ind., "and could hardly get any sleep. I had consumption so bad that if I walked a block I would cough frightfully and spit blood, but when all other medicines failed, three \$1.00 bottles of Dr. King's New Discovery wholly cured me, and I gained 50 lbs."

Low Rates on Southern Pacific-Sunset Route.

Morgan's Louisiana & Texas Railroad and Steamship Co. will sell tickets from Opelousas, La., to St. Louis, Mo., and return, daily, with return limit until Dec. 31st for \$24.00; body limit, \$28.80; 15 days' limit, \$36.00; Coach excursion, selling May 31st to July 31st, \$15.45, on account of the Louisiana Purchase Exposition.

Chamberlain's Colic, Cholera and Diarrhoea Remedy.

This remedy is certain to be needed in almost every home before the summer is over. It can always be depended upon even in the most severe and dangerous cases. It is especially valuable for summer disorders in children. It is pleasant to take and never fails to give prompt relief. Why not buy it now? It may save life. For sale by all druggists and dealers in patent medicine.

We cheerfully admit that Mr. Knox in the Senate will be just as dangerous to the trusts as Mr. Knoeka was in the cabinet.—Commoner.

Working Night and Day.

The busiest and mightiest little thing that ever was made is Dr. King's New Life Pills. These pills change weakness into strength, listlessness into energy, brain-fog into mental power. They're wonderful in building up the health. Only 25c per box. Sold by all druggists.

"Skipper Mary," a contribution to the Fourth of July number of The Youth's Companion, C. A. Lawrence tells the story of a girl who knew just enough about sailing a boat to put the lives of her friends and herself in great peril. The story teaches a useful lesson if those who they would heed it.

Card of Thanks.

The Sisters Marianites of Holy Cross, in charge of the Academy of the Immaculate Conception, tender their sincere thanks to all who contributed by their labors, their donations and their presence to the success of the exhibition, and in particular Hon B. J. Lill, Adair Radd, Mr. and Mrs. J. Sandoz, Miss Lucille and Messrs Sidney, Robert and Charles Sandoz, whose music added a charm to the evening's entertainment; Mrs. Henry Comeaux, Mr. Jack Ferrodin, and a kind benefactor who generously donated five beautiful gold medals; Mrs. Jennie Thompson, Mrs. Robert Chachere, Misses Arsene Hollier and Lucille Larcade, who kindly took charge of the refreshment tables.

Millionaire's Poor Stomach.

The worn-out stomach of the over-fed millionaire is one of the most public prints as a horrible example of the evils attendant on the possession of great wealth. But millionaires are not the only ones who are afflicted with bad stomachs. The proportion is far greater among the toilers. Dyspepsia and indigestion are constant nagging enemies to the people, and they suffer far worse tortures than the millionaire unless they avail themselves of a standard medicine like Green's August Flower, which has been a favorite household remedy for all stomach troubles for over thirty-five years.

If the new Attorney General does less than the late Attorney General, then the new Attorney General will have to have some one to help him do nothing.—Commoner.

Read This.

Lake Charles, La., Aug. 1, 1903.—This is to certify that I have been cured of kidney and bladder trouble by the use of the Texas Wonder, Hall's Great Discovery, and I can cheerfully recommend it to persons suffering in the same manner.

A Texas Wonder.

One small bottle of the Texas Wonder, Hall's Great Discovery, cures all kidney and bladder troubles, removes gravel, cures diabetes, seminal emissions, weak and lame backs, rheumatism, and all irregularities of the kidneys and bladder in both men and women; regulates bladder troubles in children. If not sold by your druggist it will be sent by mail on receipt of \$1.00. One small bottle is two months' treatment, and seldom fails to perfect a cure.

Secretary Shaw says that figures will soon be issued to show that wages have increased in greater proportion than the price of the necessities of life.

When the average housewife gets a hold of the report she will put some receipted grocery and dry goods bills by the side of it and make that report look like a session of the Ananias club.—Commoner.

Cured of Chronic Diarrhoea After 10 Years Suffering.

"I wish to say a few words in praise of Chamberlain's Colic, Cholera and Diarrhoea Remedy," says Mrs. Mattie Burge, of Martinsville, Va. "I suffered from chronic diarrhoea for ten years, and during that time tried various medicines without obtaining any permanent relief. Last summer one of my children was taken with cholera morbus, and I procured a bottle of this remedy. Only two doses were required to give her entire relief. I then decided to try the medicine myself, and did not use all of one bottle before I was well, and I have never since been troubled with that complaint. One cannot say too much in favor of that wonderful medicine. I am ready to testify for it by all druggists and dealers in patent medicine."

Before you give the boy a toy pistol for his birthday, get him a box of "Lockjaw," contributed by a prominent physician to the Fourth of July number of The Youth's Companion. You can give him other things that will make just as much noise with much less danger.

No Pity Shown.

"For years fate was after me continuously," writes F. A. Gullledge, of Verbena, Ala. "I had a terrible case of piles, causing 24 tumors. When everything else failed, Bucklen's Arnica Salve cured me. Equally good for burns and all aches and pains. Only 25c at all drug stores."
