Newspaper Law.

- 1. Subscribers who do not give express notice to the contrary are considered as wishing to continue their subscriptions.
- 2. If subscribers order the discontinuance of their periodicals, the publisher may continue to send them until all arrears are paid.
- 3. If subscribers neglect or refuse to take periodicals from the office to which they are directed, they are held responsible until they have settled the bills and ordered them discontinued.

Personal Government.

There are some editors, fortunately of limited number, who, seemingly, do not know or appreciate the difference between the criticism of the acts of public men and what is styled personal attacks.

Cause of Lockjaw.

Lockjaw, or tetanus, is caused by a bacillus of germ which exists plentifully in street dirt. It is inactive so long as exposed to the air, but when carried beneath the skin, as in the wounds caused by petroleum caps or by rusty nails, and when the air is excluded the germ is caused to activity and produces the most violent poison known.

A North Louisiana Paper.

The Shreveport Journal, the leading afternoon paper of North Louisiana, full Associated Press dispatches, and news features 18 to 20 hours in advance of any other paper in this section, may be secured delivered by mail to any postoffice for 50c per month or one year for \$5.00.

Saves Two From Death.

"Our little daughter had an almost fatal case of whooping cough and bronchitis," writes Mrs. W. K. Haviland, of Armonk, N. Y., "but when all other remedies failed, we saved her life with Dr. King's New Discovery. Our niece, who had consumption in an advanced stage, also used this wonderful medicine, and today she is perfectly well."

Saved His Life.

J. W. Davenport, Wingo, Ky., writes, June 14, 1902: "I want to tell you I believe Ballard's Snow Liniment saved my life. I was under the treatment of two doctors, and they told me one of my lungs was entirely gone, and the other badly affected. It also had a lump in my side. I don't think I could have lived over two months longer. I was induced by a friend to try Ballard's Snow Liniment. The first application gave me great relief; two 50c bottles cured me sound and well. It is a wonderful medicine, and I recommend it to suffering humanity." 25c, 50c, \$1.00.

Confessions of a Priest.

Rev. Jno. S. Cox, of Wake, Ark., writes: "For 12 years I suffered from Yellow Jaundice. I consulted a number of physicians and tried all sorts of medicines, but got no relief. Then I began the use of Electric Bitters, and feel that I am now cured of a disease that had me in its grasp for twelve years." If you want a reliable medicine for Liver and Kidney trouble, stomach disorder, or general debility, get Electric Bitters. It's guaranteed by all druggists. Only 50c.

Cures Winter Coughs.

J. E. Gover, 101 N. Main St., Ottawa, Kan., writes: "Every fall I have been my wife's trouble to catch a severe cold, and therefore to cough all winter long. Last fall I got her a bottle of Horehound Syrup. She used it and has been able to sleep soundly all night long. Whenever the cough troubles her, two or three doses stops the cough, and she is able to be up and well." 25c, 50c, \$1. Sold by E. C. Roger & Son, Arnaudville.

Delinquent subscribers and others indebted to us are again earnestly requested to come forward and settle.

Cures Chills and Fever.

G. W. Wirt, Nacooches, Texas, says: "My daughter had chills and fever for three years; he could not find anything that would help her till he used Herbine. His wife will not keep house without it, and cannot say too much for it." 50c. Sold by E. C. Roger & Son, Arnaudville.

Parties having personal or other items of interest who wish mention of them in these columns, should call or drop us a note through the post-office, always giving their real names as a guaranty of good faith.

SANDOZ'S BURGON.

Chamberlain's Cough Remedy.

No one who is acquainted with its good qualities can be surprised at the great popularity of Chamberlain's Cough Remedy. It not only cures colds and grip effectually and permanently, but prevents these diseases from resulting in pneumonia. It is also a certain cure for croup. Whooping cough is not dangerous, when this remedy is given. It contains no opium or other harmful substance, and may be given as confidently to a baby as to an adult. It is also pleasant to take. When all of these facts are taken into consideration, it is not surprising that people in foreign lands, as well as at home, esteem this remedy very highly, and very few are willing to take any other after having once used it. For sale by all druggists and dealers in patent medicine.

We are living in an age of misrepresentation. Villages are called cities, common schools are called high schools, high schools are called colleges, and colleges are called universities. Every man with a few thousand dollars is called a capitalist, and capitalists are called trust magnates. Every thirty cent politician is called a leading public man, and leading public men are called statesmen. Everything turned out of a medical college is called a doctor, and ordinary doctors are called specialists. Every fifteen-cent dandy around town is called a "promising young man," while the fact is he isn't worth fifteen cents in dog meat, and every old dodger is called "one of our most promising citizens," when in fact the community would be better off without them.

Many Mothers of a Like Opinion.

Mrs. Palmer, of Cordova, Iowa, says: "One of my children was subject to croup of a severe type, and the giving of Chamberlain's Cough Remedy immediately brought relief. Many mothers in this neighborhood think the same as I do about this remedy, and want no other kind for their children." For sale by all druggists and dealers in patent medicine.

The New York World

THIRICE-A-WEEK EDITION.

Read Wherever the English Language is Spoken.

The tickets are now made up and the most interesting Presidential campaign of the United States has known since 1860 has begun. And it is the most important, too. Which will it be, Parker and Davis or Roosevelt & Fairbanks? Nobody knows yet, but The Thrice-a-Week World will tell you promptly, fully and truthfully every movement of a hot and thrilling campaign. The real newspaper now prints facts rather than hopes, and it has always been the effort of The Thrice-a-Week World to tell the thing that has happened exactly as it happened. Thus you can judge for yourself and form your opinion.

There is also a great war going on in the East, where The World has a brilliant staff of correspondents in the field, and their reports are found regularly in the columns of The Thrice-a-Week World.

The Thrice-a-Week World's regular subscription price is only \$1 per year, and this pays for 150 papers. We offer this unequalled newspaper and the Opelousas Courier together one year for \$2.65.

The regular subscription price of the two papers is \$3.40.
