Some Seasonable Advice.
It may be a piece of superfluous advice to urge people at this season of the year to lay in a supply of Chamberlain's Cough Remedy. It is almost sure to be needed before winter is over, and much more prompt and satisfactory results are obtained when taken as soon as a cold is contracted and before it has become settled in the system, which can only be done by keeping the remedy at hand. This remedy is a widely known and so altogether good that no one should hesitate about buying it in preference to any other. It is for sale by all druggists and dealers in patent medicine.

Warranted.
A young couple recently purchased a baby carriage at a local store, and having the child with them, placed it in the carriage and started home. On their way they passed a number of people who were looking at them, then at the child, smiled blandly and appeared greatly amused. The notion of their friends was a matter of great annoyance to the young people, and was wholly unexplainable until they reached home. As the child was in the carriage, they took the carriage to the front of the vehicle which read: "None better; our own make."

Full of Tragic Meaning.
are these lines from J. H. Simmons, of Casey, Ia. Think what might have resulted from the fact that he had not taken the medicine about which he writes: "I had a fearful cough, that disturbed my night's rest. I tried every thing, but nothing would relieve it, until I took Dr. King's New Discovery for Consumption, Coughs, and Colds, which completely cured me." Instantly relieves and permanently cures all throat and lung diseases; prevents grip and pneumonia. At all drug stores; guaranteed; 50c and \$1.00. Trial bottle free.

How to Cure Corns and Bunions.
First, soak the corn or bunion in warm water as long as the water is hot, and then apply Chamberlain's Pain Balm twice daily, rubbing vigorously for five minutes at each application. A corn plaster should be worn a few days to protect it from the sun. As a general liniment for sprains, bruises, lameness and rheumatism, Pain Balm is unequalled. For sale by all druggists and dealers in patent medicine.

Up to Date.
We have recently added, and will continue to keep supplied with new and improved type and printing material, cards, paper, envelopes, etc., and can promptly execute any job printing required at the lowest prices.

Plans to Get Rich
are often frustrated by sudden breakdown, due to dyspepsia or constipation. Bruce and the Dr. King's New Life Pills. They take out the materials which are clogging your energies, and give you a new start. Cure headache and dizziness too. Sold and guaranteed at all drug stores; price 25c.

Vote the republican ticket! reads a campaign slogan posted at a cemetery fence in Philadelphia. The cemetery fence in Philadelphia has been carrying the city for the republicans for several years.—Commoner.

Dr. Kendall's treatise on the horse can be had at this office for 25 cents.

Democratic Opportunity.
Mr. Bryan has announced through the columns of his paper, The Commoner, that the principal cause of democratic defeat this year was that the men who secured control of the party organization at St. Louis sounded a retreat when a charge should have been ordered along the line. He insists that conditions demand radical action, and that the people want something definite upon which they can rely. The Commoner, he announces, will carry on a campaign of education, advocating tariff reform, the overthrow of private monopolies, labor legislation, municipal ownership of public utilities, public ownership of railroads and telegraph systems, an income tax, the election of federal judges by the people, the election of United States senators by popular vote, direct legislation, and the collection of postmasters by the people whom they are to serve.

The New York World.
THIRICE-A-WEEK EDITION—READ WHEN EVER THE ENGLISH LANGUAGE IS SPOKEN.
For the autumn season now at hand the most valuable paper to you will be the New York Thrice-a-Week World, because it offers you more at the price than any other paper published anywhere in the United States.

A North Louisiana Paper.
The Shreveport Journal, the leading afternoon paper of North Louisiana, contains Press dispatches, and news features 15 to 20 hours in advance of any other paper in this section, may be secured delivered by mail to any postoffice for 50c per month or one year for \$5.00. Invaluable as a medium for keeping in touch with the gubernatorial campaign now on in earnest. News agents wanted in every town to handle the Journal, secure new subscribers and make collections. Liberal commissions.

President McCurdy and his family have considerable evidence at hand to prove that they have very successfully naturalized the Mutual Life Insurance Company.—Commoner.
