Southern Shoe Factory

OF JOHN HANSEN, 33 and 35 Canal street, New Orleans. TO ALL SOUTHERN CITIZENS. I am of the same opinion as yourselves and am determined to help build up the manufacturing interest of our native State in order to help the laboring classes and keep the money, which would otherwise go to the North, at home. About a year ago I started my Factory, and by using the best material and paying my hands promptly, I have been enabled to extend my business and support 200 women and children that would have otherwise left the State. In order still to increase my Factory, I would earnestly call upon the merchants, not only of the city, but of the whole country, to give me their aid and encouragement. Come and see me. JNO. HANSEN. 102 1/2
