His Sweet Norton, a deep tinted red wine, his own pressing, allows double dilution in the drinking glass and remains as vinous and sweet, as the best sweet Catawba unwatered. Both he sells at \$1 gallon, 50c the half gallon. Chr. Xander's Rye Whiskies at 75c, 65c, 50c and 50c the full quart, are free from fusel poison of some age, kept in heated storage, and compare advantageously with any whiskies at their price. Equally so his Brandy, Gins and Rum are pure and well developed, and the moderate use of them ever cause a headache. He has an array of ever so many standards of Wines and Whiskies stored in his cellars and warehouse. Remember the Number 909, No branch houses
