

KEEP HIM THERE.

(From Living Hymns—Air, "Meet me There.")

There's a man you all know well,
Lone "right smart" in a short spell
In the White House now doth dwell,
Keep him there.

When our mills were helpless—dead,
Every workman filled with dread,
Hardly earned enough for bread,
Keep him there.

CHORUS

Keep him there,
Keep him there,
He has served you best of all,
Keep him there,
Oh! McKinley is a man,
Who for RIGHT will always stand,
Keep prosperity at hand,
Keep him there.

Who responded to their call
Gave protection to us all,
Benefited great and small,
Keep him there.

Opened up the silent mills,
Brightened valleys, plain and hills,
Nobled workmen pay their bills,
Keep him there.

(CHO.)

Heard poor suffering Cuba's cry,
"Help, oh help us, 'ere we die,"
Sent "our boys" there on the fly,
Keep him there.

In a short decisive fight,
Showed the world how great our might,
Helped poor Cuba in her plight,
Keep him there.

(CHO.)

Past four years have been the best,
Ever known in East or West,
'Deed our people have been blest,
Keep him there.

Vote, eh, vote for him, I say,
Don't let any get away,
Vote to let McKinley to stay,
Keep him there.

COL. TORREY FOR VICE-PRESIDENT.

In another column of this issue of The Colored American, we set forth at some length the availability of Col. Jay L. Torrey, as the nominee for Vice-President of the United States. The record speaks for itself and is bound to carry great weight with the thoughtful delegates to the Philadelphia Convention. The Great West must be reckoned with and Col. Torrey is typical of the breadth, generosity and sturdy characteristics of that thriving section of our land.

Judge Torrey has long been nearly as well known in the Capital City as in his Western home, and is thoroughly familiar with public affairs and public men. His extensive public experience, his record at the bar and his recent conspicuous service in the Spanish-American war as the Colonel commanding the Second U. S. Volunteer Cavalry, better known as the "Torrey Rough Riders," have led to the suggestion of his name for nomination by the republican party as Vice-President of the United States, and the suggestion now offered in the form of a motion, seems likely to be passed by a large majority.

Col. Torrey is sound on the question of human rights, and has always contended for the equality of all citizens in the enjoyment of privileges guaranteed by the Constitution and laws.

If Col. Torrey is nominated, as he should be, he will be a tower of strength in the campaign, and his efforts will be of the highest value to Mr. McKinley and the party everywhere. If elect.

ed, Col. Torrey will make an unusually able Vice President and will illustrate the simple beauty of our American system of government—that he who is willing to work and sacrifice, may rise from the humblest environment to the highest atmosphere of fame, fortune and eminence. We would be pleased to record in our next issue the news of Col. Torrey's nomination.

DOCTOR
SHEA'S

MARVELOUS
MEDIUM

Gives the names of dead and living friends tells who and when you will marry also of business journeys lawsuits, absent friends health or anything you wish to know, no matter what it is. He can call up your spirit friends and show them to you. Can make them rap all around the room. He asks no questions don't ask you to write names of him. Don't try to pump you in any way. He tells you right off. He is thoroughly imbued by leading spiritualists everywhere, received from them a gold medal and special license to practice his wonderful powers; credentials no one else can show can give thousands of references to both white and colored patrons. Twenty-five years' practice—seven in Brooklyn—will show you that he can do all he can. Can tell what business is best for you and where, how to win speedy marriage with the one you love. How to be successful in all your doings in short what is best to do. He will succeed when all others fail. Positive satisfaction or no pay. Call and see. You will find it lack to consult this Christian gentleman. He has a medicine that will cure drunkenness; can be given patients not knowing it. Thousands through him are now

RICH HAPPY AND SUCCESSFUL
with all their undertakings, while those who neglect his advice are still laboring again poverty. Through his perfect knowledge of chemistry he can impart to you a secret that will overcome your enemies and win you friends. His aid and advice has often been solicited; the result has always been the securing of speedy and happy marriages and all your wishes. In love affairs he never fails. He has the secret of winning the affections of the opposite sex.

It is the curse of Spiritualism that in all large cities there are a class of men and women who claim powers they do not possess. They have neither gifts, credentials, nor references. Surely the colored people are not so wanting in sense as to throw their time and money away on such. Dr. Shea refers to the Hon. Charles Miller, capitalist, 2811 Atlantic Avenue; the Hon. William Demore, architect and builder, 47 Cleveland Avenue, and Mr. Arthur Sewell, ship builder, South Brooklyn. All have known him for the past ten years. He gives a free test of his power to all. The doctor has practiced five years in New Orleans, St. Louis, Memphis and Louisville, understands thoroughly the diseases, spells or influences the race is subject to. He has now and always had large patronage from them

Brooklyn, August 15, 1891—This letter is to certify that I came to New York from Albany. I was a stranger in a strange city, out of work and out of money. I had no luck in anything I undertook. What to do I did not know. A friend advised me to go and see Dr. Shea. I did. He told me the cause of my troubles; he took me in and treated me as a brother. Through him I got a good position that very week. I had been to others, they took my money and did me no good. I bless the day I first met Dr. Shea I would advise all in bad luck, sick or in trouble to go to him at once.
Sincerely,
Albert Ayers,
2927 Atlantic Avenue.

Brooklyn, August 15, 1891—This letter is to certify that my husband had gone away and had been absent two years. I mourned for him night and day. I gave him up as dead. Hearing of the wonderful things Dr. Shea was doing I resolved to consult him. He told me that my husband was alive and well and where he was; told me he would come home and when. To my joy all of it came true. He is home now, came back like one from the dead. I also wish to say that this month I lost \$250. I am a poor woman and I was almost insane. I went to Dr. Shea and he told me I would find my money and to my intense joy I find it as he told me. I thank God there is a man so gifted in our midst, that can help people and tell them what to do.

A SENSATION IN BROOKLYN—MINISTER'S STATEMENT

I wish to state that one of my parishioners was sick and in trouble for a long time, Mrs. Brown, 37 Gay street. No one seemed to understand her case. She had several doctors but none of them seemed to know what was the matter. None could do her any good. It was my duty as her pastor to call and see her. Hearing of the wonderful work being done by Dr. Shea the last few years, I thought I would call and see him myself. I found him a sympathetic gentleman. He gave me a wonderful test of his powers, told me to send him a lock of patient's hair, which I did by her daughter. He told at once what was the matter, and in a short time cured her and well. Her family had seemingly been under a cloud. Now all is changed. All are well and prosperous. I can truly and heartily recommend Dr. Shea, to all those in sickness or distress of any kind. Rev. William Johnson, pastor Lebanon church, Brooklyn.
