

# OZONO!

## King of Hair Dressings.

### WHAT IS OZONO?

A preparation prepared solely and distinctly to improve the condition of the hair of the negro race. Not a worthless, offensive, obnoxious, greasy mass of injurious nostrums, but a delicately perfumed unguent, beautiful to look upon; made to adorn the lady, polish the gentleman, benefit youth, and gladden old age. OZONO straightens knotty, nappy, kinky, refractory hair. OZONO does this alone. No hot irons are necessary; no plastering down with grease. OZONO individually straightens, without any outside assistance. It will cause the hair to come back on bald spots. It will restore gray hair to its natural color. It will cause the hair to grow long and straight, soft and fine, and beautiful as an April morn. It will cure all itching, burning, running, humiliating Scalp Diseases: Dandruff, Tetter, Scurf, and Eczema. Itch cannot live after OZONO has been applied. It is as pure as the dew-drop, beautiful as the morn, and harmless as the rippling water in the babbling brook. Cleanliness is next to Godliness; filth is a crime. If your hair is short and harsh and kinky; if your scalp is covered with scurf and dandruff, or itch, or eczema, it is doubtless your fault alone. If your little ones' heads are a mass of crusty, scaly, flaky scurf, teeming with germs and microbes, that are invisible to the naked eye, but which are sapping the life from the hair and destroying it forever, and you allow this state to go on, it is a crime. It is your place to stop this—a duty you owe to yourself, to your child, to your Maker. OZONO is your remedy. OZONO will positively and permanently remove all the diseases, and straighten and beautify the hair, making it silky and glossy and black as the raven's wing. OZONO, as compared with other hair remedies, stands as high as the mountain peak, fair as the lily, and glorious as the sun. OZONO is King. The price is 50c. a box. It requires about four boxes to complete the treatment.

### OUR GRAND OFFER.

Write to us at once, enclosing the small sum of ONE DOLLAR, and we will immediately forward to you four large boxes of OZONO. We will also send you one large bottle of ELECTRIC SKIN REFINER, which makes rough skin soft and brightens the blackest skin, making it several shades lighter. Now, there is much fraud practiced with face bleaches. Understand, we do not advertise this bleach to make one white. God alone can accomplish this, and it would be miraculous. Unpin your faith from frauds. We assert that our Refiner will soften rough skin and brighten black skin, but it can do no more. Take our advice; don't fool with any bleach that is advertised to make you white; it is more apt to poison you. We will also include one fancy jar of ELECTRICAL SKIN FOOD, which is a sure remedy for all Skin Eruptions, Pimples, Black Heads, Liver Spots, and all Skin Diseases. It will remove Wrinkles, Scars, Facial Blemishes, and will positively take out Small-Pox Pits. This is saying a great deal, but it is true. It makes the old look young and the young look younger. And, lastly, to prove our liberality, we will add a one-pint package of ANTI-ODOR. This remedy removes all smells and odors arising from the human body. Its uses are too numerous to mention. Full directions go with all goods. This grand aggregation is worth \$3.50. Send \$1.00, mention the name of this paper, and you will get the goods at once. We ship all orders same day goods are received.

We wish to state that we are a thoroughly reliable firm, having many thousand dollars in our business. We refer to the editor of this paper, or to any business house in Richmond. Our remedies and our business is founded on the altar of truth. Write your name and address plainly.

#### IN THE SOCIAL WORLD.

Hon. George A. Myers and Wife Entertained by Representative Washingtonians.

One of the most unique social functions that has taken place in Washington for a long time was the reception given by Hon. John P. Green and wife Friday evening, June 15 at his capacious residence, 1942 9th street, in honor of Mr. and Mrs. George A. Myers of Cleveland, Ohio. The advent of Mr. and Mrs. Myers to this city had already been heralded abroad and when recherche invitations were received by the select set those who were fortunate enough to receive them were promptly on hand at the reception hour. It lasted from eight until 12 o'clock and there was not a moment of cessation between the hours named. The parlors were beautifully decorated with flowers and exotics of all kinds, while the first floor was given over to those who had charge of the culinary art. Mrs. John P. Green and the ladies who assisted her were kept busy receiving and introducing the large number of guests who were present. Mr. and Mrs. Myers were received in the front parlors where they were introduced to the guests of the evening. A magnificent repast was served in the dining rooms and the nature of the entertainment was a pleasant memory to all who were there. To give a complete list of those who were present would consume too much
