### City Paragraphs.

Am I going with the Amphions July 19th? Well I should say.

Mrs. A. J. Cooper will be at Cottage City, Mass., this summer.

Liberty Baptist Church's new auditorium opens for public worship tomorrow.

My, those boys will look handsome in those new suits! Concert by moonlight July 19th.

Program Saturday July 19th: to home, to dinner, to the Amphions moonlight outing.

Mr. G. W. Parker, of Omaha, one of the most capable clerks who served in the Census, has gone home.

When found make a note of it: 2nd grand Masonic excursion Friday, August 1. Where? Why, to Glymont?

Every man or woman who believes in race elevation should read and lend financial support to The Colored American.

The Amphions! The Amphions! The Amphions! July 19th! July 19th! July 19th! 6:00 o'clock! 6:00 o'clock! 6:00 o'clock!

By moonlight with the Amphions. My! what a treat! And with my best girl, July 19th, via the steamer River Queen.

The Dampers Pleasure Club No. 1, will give their first picnic of the sea,

son at Eureka Park, Hilldale, D. C., next Tuesday.

Father J. Harry Dorsey, who was ordained recently in Baltimore, will preach to-morrow morning at St. Augustine's church.

Mr. J. S. Collins left the city last Friday for Lenox, Mass., where he goes to take charge of the Aspinwall. He took twenty men with him.

Prof. Hugh M. Browne, circulated among friends last week. He is perfecting his plans for next season's work at his school in Philadelphia.

True to their usual mannerism the Amphions will on July 19th, be especially uniformed by Keen in natty outing suits of blue coats and white flannel trousers.

The refreshments on the 2nd grand Masonic excursion Friday, August 1st, will be served by the ladies of the Social Chapter. Only two trips to Glymont; last chance ladies.

Miss Lola Johnson, instructor of music in the public schools, sang before Secretary Shaw, of the Treasury Department and his family one day last week by special invitation. Miss Johnson is not only a talented singer, but a most accomplished pianist.

Mr. Richard Green, of the Treasury Department, left the city last Monday night for Lake Champlain, where he will remain with Secretary Shaw and his family during the summer. Mr. Green is a valuable attache of the Treasury Department and is well liked and highly respected by all of the officials. He has been in the service for many years.

Farther Dorsey for St. Augustine's.

There is a rumor afloat, and it is rapidly growing to formidable proportions, that Father J. Harry Dorsey the newly-ordained young priest, may soon be assigned to the pulpit of St. Augustine's Church of this city. No fault is found with Father Dougherty, but those who espouse the calling of Father Dorsey, feel that his coming to St. Augustine's would be in line with the new policy of the Catholic Church—to assign colored priests to work among their own race.

Mrs. Ann Eliza Johnson.

The many friends in the community were shocked to hear of the sudden death of Mrs. Ann Eliza Johnson which occurred at her residence, 1739 K street northwest, Thursday night July 8th. Mrs. Johnson has been a resident of this city for more than forty years, and an active member of the Berean Baptist church ever since its organization, twenty-five years ago. Her family has been prominently connected with the social and business life of our community for many years, and her loss will be severely felt by a large circle of friends in the church and the community at large.

The odd Fellows Tharked.

I take this method of expressing my sincere thanks to the Odd Fellows' Relief Association for the prompt payment of \$182, on the death of my husband, Lewis Bryant, also to thank the Odd Fellows, and many friends for their kindness and sympathy in the hour of my bereavement.
