

## Washington Under the Calcium.

Get the children ready for school—Mr. Travis Glascoe continues to improve.

Lawyer Thomas L. Jones spent his "cutting" at Atlantic City.

Mr. B. Reynolds Arnett has gone to Pittsburg, to remain until October first.

Messrs. Mulligan and Rogers are handling all the latest periodicals and magazines.

Mr. Lawrence Bradley is at the Home Club, Lawrence, Mass., for a brief period.

Mr. Walter Hill, of Pittsburg, is visiting his cousin, Mrs. Mary J. Carver, 48 Hanover Place.

Mrs. Jennie Rogers, of 1011 Fourth Street, N. W. has moved to 1012 Seventh Street, N. E.

Miss Ida Jenkins of the Recorder's Office has returned from Atlantic City, and resumed her duties.

Miss Hattie B. Williams, of the Bureau of Engraving and printing, is at home again from Rockville, Md.

The G. A. R. Encampment means many a dollar of "ready money" for the festive Washington landlady.

Messrs. Charles C. Russell, Morgan Houser and William Burrell made a flying visit to Hampton last week.

Galbraith A. M. E. Zion Church has a Sunday Lyceum in view, if the proper man can be found to preside over it.

After two delightful weeks at Atlantic City, Mr. Harvey Arnett, stopped a few days here, the guest of his brother, Mr. B. Reynolds Arnett.

Persons visiting Washington or stopping over for a short time can secure first class board and lodging at M. J. Bundy's, 1642 10th st., n. w.

Miss Mamie Arnett, sister of Mr. B. Reynolds Arnett, spent a few days in the city enroute to her home in Ohio, after summering in Virginia.

The Asbury M. E. Church Choir made its initial appearance for the fall season last Sunday, greatly improved in voice, after the summer vacation.

The Second Baptist Lyceum, of which Mr. S. E. Lacy is president, is planning an entertainment for the purpose of liquidating some outstanding obligations.

Prof. and Mrs. George William Cook have been conducting a Summer School at Martha's Vineyard, Mass. The Professor also had charge of a hotel at that point.

Miss Essie Burrell, of Pierce Place, has returned from Willisville, and will spend the remainder of her vacation in Pittsburg, reaching Washington about the first of October.

Among the attractions at the opening of the Second Baptist Lyceum on the First Sunday in October, will be the Monumental Orchestra, under the leadership of Prof. Charles Hamilton.

Miss Alice Freeman, of 1430 Pierce Place, has returned from a very pleasant stay with her parents in Caroline County, Virginia. Miss Freeman has for several years been an attache of the Kann dry goods emporium.

Prof. L. B. Moore, Dean of the Teachers' College of Howard University has been absent from the City this week lecturing to the teachers of Baltimore County, Md. He has been invited to deliver other courses of lec-

tures before the teachers of Frederick and Rockville, Md., also to the teachers of the State of Delaware.

Mrs. J. B. Dellinger, of Greensboro, N. C. is in the city, the guest of Mrs. Elizabeth Henderson, 1407 East Capitol street. Mrs. Dellinger is the wife of Dr. Dellinger, a leading physician of the Old North State, and who, as a member of the Third North Carolina regiment, rendered conspicuous service in the Spanish American war.

Miss Sarah Janifer, one of our popular school teachers, has just returned from the Young Peoples' Christian and Industrial Congress, at Atlanta, Ga. She is an active member of Galbraith A. M. E. Zion Church and is now interested in a movement to raise four thousand dollars (\$4,000) to liquidate the debt of said church. She is meeting with great success.

Recorder John C. Dancy has returned from an extended itinerary, which included the National Negro Business League at Richmond, the republican state convention at Greensboro, N. C., and the Bishop's Council of the A. W. E. Zion church at Louisville, besides a short stay at New Albany, Ind., where he was the guest of Mr. and Mrs. Henry Sterrett, the leading family of that enterprising city.

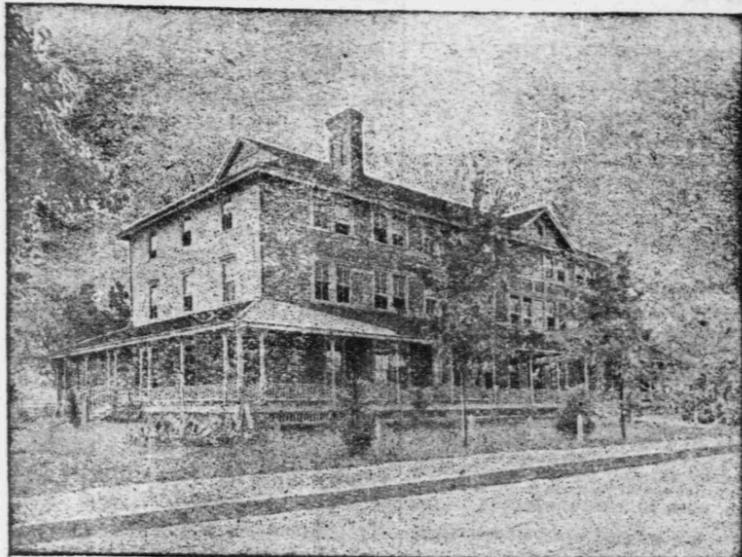

The Amphions gave several concerts in Richmond last week, performing at the First Baptist Church and other places. The attendance, while not as large as the merits of the singers deserved, was representative and appreciative. A later visit, when the counter attractions are not so numerous, will no doubt pay well. Director J. Henry Lewis is sparing no pains to make the Amphions known wherever the language of music can find a hearing.

Rev. James E. Robinson of Harper's Ferry has secured the services of Mr. Alex. H. Brooks to deliver an address to the Young People Sept. 21, 1902. Suffice that all who will avail themselves of the opportunity to go from here will be delightfully entertained. Mr. Brooks is a cultured young man, an entertaining speaker and always entertains with whatever he produces. We hope for quite an exodus of young folks to Harper's Ferry to hear our genial friend.

Next Thursday a number of prominent young gentlemen will give a private picnic at Lake View Park. The affair will not be in the charge of a regular club, but by subscribers who will be entitled to two invitations each, and an allowance of commissary provisions, candy, ice cream, etc. A souvenir fan will be given to each lady. Mr. A. G. Booker is Chairman of the Committee on Arrangements and Mr. Walter A. Pinchback will assist in getting things together.

It is quite likely that the commencement orator at Livingstone College next year will be Judge Robert H. Terrell, who now occupies a large space in the national eye. Last year the speaker was Mrs. Mary Church Terrell, whose brilliant address gave such eminent satisfaction. She was chosen over Rev. J. Albert Johnson, when the question of orator of the day was in debate. The latter will be remembered as having preached for a while at the Metropolitan church in this city. If Mr. Terrell is selected for the next commencement, Livingstone will be sure to enjoy a literary and forensic treat.

## OPPORTUNITIES FOR THE MINISTRY.

THE PHELPS HALL BIBLE TRAINING SCHOOL. Connected with the Tuskegee Normal and Industrial Institute at Tuskegee Alabama.

Offers exceptional opportunities to young men wishing to prepare for the Christian ministry. The chief aim of the instruction is to afford young men and women a comprehensive knowledge of the English Bible and to implant in their hearts an ambition to dedicate their lives to the elevation and Christianizing of their race. Students are required to do missionary work in the various churches and Sunday Schools near the institution and to report on same each week.

The teaching in the Bible school is wholly undenominational, the intention being not to oppose or antagonize any theological work now being done, but rather to assist all denominations.

Phelps Hall is three stories high. It contains a Chapel, Library, Reading Room, Offices and three recitation rooms, besides forty rooms for dormitory purposes. Rev. Edgar J. Penny is in charge of the work, and is assisted by Rev. B. H. Peterson and Rev. J. H. Gadson. A special course of lectures is given each year in the Bible School by Dr. C. O. Boothe, of Selma, Ala., Rev. George W. Clinton of North Carolina, and Dr. H. T. Johnson of Philadelphia. Other notables also lecture from time to time.

The teaching is free. The cost of board, including furnished rooms, light, fuel and laundering, is Eight Dollars per month. Students are afforded an opportunity to work out from Two to Three Dollars of this amount per month. In some cases, arrangements can be made to work out the entire sum. Lack of means need debar none.
