

WILL BE HINKLE'S GUEST.

Preparations for the Reception of Tom Johnson and his Circus.

When Tom Johnson, with his automobile, "Red Devil," and his caravan reaches Columbus to make his stand, he is to be entertained at the home of Mayor Hinkle, and the mayor of Columbus proposes to entertain him in a manner that will be a pleasant diversion from politics. He has already engaged Clarence White, the celebrated colored violinist, of Washington, D. C., and Mr. Jesse G. Tyler, the colored pianist and composer, now at Oberlin Conservatory of Music, to furnish the music for the entertainment. Mr. White is now at Oberlin, his alma mater, for a visit. These two are regarded as the greatest musicians of color, in their line, in the country.

Trained Young Men Wanted

The demands in all parts of this country, and in several foreign countries, for well trained men of our race in the direction of scientific and practical agriculture are so great that this institution is willing to offer exceptional advantages to young men who wish to come here and take either a regular or post graduate course in agriculture. We cannot begin to supply the demands that come to us for trained men in the direction of agriculture. The positions for which these trained men are wanted are those in most every case which pay high salaries.

We are especially anxious to get hold of men who have received, as far as possible, a good education before coming here, and are ready to enter upon a thorough course of agricultural training.
