AFTER ELECTION ECHOES.

Nearly everybody who is anybody has resolved after the election to do this, that, and the other thing. The colored people as a race are great on making resolutions, but greater on breaking them. Since the ordeal of the election has passed, The Colored American would like to know a few things.

When will the leading colored women of charitable pretensions get together and interest themselves in the girl's reform school, exclusively for "colored" girls?

When will some of our legal lights cease hippodromeing by denying their race?

Why colored people do not cease knocking each other, and get together for some common purpose?

When will another "Jim Crow" car line be admitted into the nation's capital?

When the Palais Royal began to discriminate against colored teachers in their restaurant department, when said teachers are patrons of this great store?

How many candidates will show up for every office now held by colored men?

When will the colored people learn how to spend their money with the merchants who seek their trade and who are willing to recognize and contribute to colored enterprises?

When will the rings in the colored schools be broken up?

How many of our leading business men will go broke on the races?

How few are the men you meet whose personal efforts secured the election of Roosevelt and Fairbanks?

When will the gush writers in and out of Washington city, who have records here, learn how to hold their tongues?

ORANGE BLOSSOMS.

Invitations are out announcing the coming nuptials of Mr. H. Eugene Wilson, of this city, and Miss Sarah Myrtle Roger, of North Carolina. The wedding will take place Thursday evening, November 24th, at the Baptist church at Readville, North Carolina, and the reception will be held in this city, Wednesday, November 30, from 8 to 10, at 1311 Third Street, N. W.

A BEAUTIFUL CHRISTENING.

Little Hortense Josephine Gray, the seven months' old daughter of Mr. and Mrs. James W. Gray, Jr., was christened at St. Mary's Church on 23d St., last Sunday morning. Rev. O. S. Mitchell officiating. The choir rendered special music, and the congregation was very large, being augmented by the friends of Mr. and Mrs. Gray. The services were very pretty, and little Hortense is said to have acquitted herself in a way which met the approval of all.

A WONDERFUL FACE BLEACH
...AND HAIR TONIC...

both in a box for \$1.00, or three boxes for \$3.00. Guaranteed to do what we say and to be "the best in the world." One box is all that is required if used as directed.

A WONDERFUL FACE BLEACH.

A PRACH-LIKE complexion obtained if used as directed. Will turn the skin of a black or brown person four or five shades lighter, and a mulatto person perfectly white. In forty-eight hours a shade or two lighter will be noticeable. It does not turn the skin in spots, but bleaches out white, the skin remaining beautiful without continual use. Will remove wrinkles, freckles, dark spots, pimples or bumps or blackheads, making the skin very soft and smooth. Smallpox pits, tan, liver spots removed stop using the preparation.

CRANE'S HAIR TONIC

that goes in every one-dollar box is enough to make anyone's hair grow long and straight, and keeps it from falling out. Highly perfumed and makes the hair soft and easy to comb. Any person sending us one dollar in a letter or Post-Office money order, express money order or registered letter, we will send it through the mail postage prepaid; or if you want it sent C. O. D., it will come by express, 25 cents extra.

In any case where it fails to do what we claim, we will return the money or send a book free of charge. Packed so that no one will know the contents except receiver.
