WRAPPED IN A HOT MIST.

GOTHAM'S TOILING DENIZENS HAVE ALL THE STARCH TAKEN OUT OF THEM.

A Wave of Heat and Wet Which Haunts Over the City Like a Fall-Humidity Has Climbed Up Five Degrees and We Are Threatened with Three More Days of It—Sunstroke in Store for Many.

Heavy and humid the atmosphere settled down on the city like a pall this morning. It was moist and uncomfortable—a sort of wet blanket which would even have a depressing influence on "the remnant."

It was oppressively hot, but Lieut. Purcell, of the United States signal station, said cheerily:

"We ought to be thankful that it's no worse. If it were not for the clouds and the westerly winds which we are enjoying it would be insufferably hot."

"This cloudy condition of things and these easterly winds will probably continue for two or three days. What will happen after that is behind that cloud. It may be a comfortable cold wave or a simoon. There may be some rain."

When the first observation was taken this morning the thermometer registered 78 and the humidity was 70. At 10 A. M. a water-glass in addition to the air which argued ill for people and animals on the pavement.

"The barometer has been gradually rising, which is a favorable sign, while instead of a mercury in the thermometer accommodatingly dropped a peg."

Reports from stations throughout the country shows the storm centre to be in the Lake region, where the lowest barometer is reported.

The barometer is high on the Atlantic coast in Florida and at Nova Scotia, and between these two points the wind which is cooling off New York in a measure is rushing in to the lakes."

At noon, according to Lieut. Purcell, the temperature was 81 degrees and the humidity 83 per cent.

"From present conditions I anticipate a 'kickup,' said the Lieutenant, 'and we may have a very hot day with low rain.'"

The wind is southeasterly and blows a gentle zephyr of two miles an hour.

New England's northern parts are coolest today, and Boston gets a report with 62 degrees in the shade."

The following were reported as having died from the heat:

Minnie Willgoose, aged sixty-four years, at 510 West Thirty-sixth street.

Daniel Magee, aged six months, at 531 West Forty-fourth street.

Joseph Sadler, of 139 Ludlow street, at Bellevue Hospital.

Daniel Foley, aged seven months, at 414 West Fifty-third street.

Mrs. Joseph Abrecht, at 11 St. Mark's place.

A. Robbett, at 113 Fulton street.

Michael Carney, aged fifty-one years, a boiler-maker at 294 West Twenty-seventh street.

Harriet Hulse, aged forty years, at Eighty-ninth street and East River.

There were numerous casualties due more or less directly to the heat.

Three-year-old Annie Waters sat on the sill of the fourth-story window at her home, 316 Monroe street, last night and got a breath of fresh air. She fell to the yard and was instantly killed.

Albert Estler, twenty-four years, 746 Greenway street, an iron roller, while at work in the Union All Power Co. at 177 Bank street, was overcome by heat. He was sent to St. Vincent's Hospital.

Fannie Macdonell, aged fifty-four, of 417 East Eighty-fourth street, was overcome by the heat at Eighty-fourth street and First avenue, and removed to the Presbyterian Hospital.

John Schenker, thirty-three years, of 79 Suffolk street, was overcome in front of No. 34 Suffolk street, and was taken home by his friends.

Up to noon to-day 135 deaths were reported for the past twenty-four hours—at the rate of 835 for the week—an excess of 300 over the average.

Of this number at least 60 per cent. reach children under five years of age in the tenement district. Last week there were 814 deaths, against 1,002 the week previous. Seven hundred were of children under five years of age, 138 were in tenements, and 125 in institutions.

Mayor Hewitt before the Grand Jury.

Mayor Hewitt before the Grand Jury. It was closed with a prayer in the presence of the grand jury.

His visit may have some connection with the fact that Assistant District-Attorneys Fitzgerald and Dos Passos called at his office previously and had a long and earnest conference with his Honor.

The occasion of the visit is said to be the matter of the alleged violation in the presence of a week ago, to the effect that the firm of Cooper, Hewitt & Co. had treated its employees at Ringwood, N. J.

Cowdery Will Stand for the Presidency.

Chicago, Aug. 6.—John H. Cowdery, the candidate of the United Labor party for the presidency, was asked what he would do about the union of the two factions of laborers of a single party at Cincinnati yesterday. He declared that he had no intention of withdrawing his candidacy on that account.
