

RHODA COLT. Had an Easy Victory in the Baby Race at Guttenburg. MONEY MAID WON BY SHERIFF. Miss Williams, a 10 to 1 Chance, Defeated the Hope Colt in the Second.

SPECIAL TO THE EVENING WORLD. GUTTENBURG RACE TRACK, Feb. 14.—The largest crowd of the week was at Guttenburg. The programme was especially attractive and several of the races on the card were sure to be chukkers. Many expected that the cold weather would dry the track out, but the warm sun kept the ice in a soft condition, and it will be for some time to come, until the undergrowth is thoroughly dried out. The state of the track just before the race was such that the horses were going to be a little better than usual, and a chestnut colt by Lullaba, dam Lone O'Or, brought \$475 each. Lullaba brought \$350 and Glenfield \$200. The first race, with Defiance and Stonington, looked a good thing for Marie Lovell. At least the fair-weather thought so, for she pounded her down to even money long before the horses were sent to the post. The fact that Clayton rode made it seem doubly certain that she would win. Orion with Jones was a good second choice and was strongly played. These two were about the only ones played. The others went by at long odds. The favorite was very easily, and Orion got the place. Extra best of the others. Beeton opened up an even money favorite in the second race and as far as it was thought that it was a good thing. The Hope colt was quoted at 5 to 1 and the money went on him in wads. His price went to 7 to 5 while Beeton receded to the same figure. Kemple Billy next in favor. Miss Williams was quietly backed at odds of 15 to 1 and better. She won very easily and landed a snug pile for her backers. The Hope colt beat Beeton two lengths for the place. The third race was of unusual interest because it was for babies at three furlongs. Zingari, a youngster from Capt. Cooney's stable, was made a favorite. The Ella Lakeland filly was second choice and the Rhoda colt third choice. Then money went on the last named at a furious rate and the odds were soon declared off. Money had not yet with a mishap and was scratched. The new betting Zingari was still the favorite, with the Rhoda colt and the Ella Lakeland filly second and third choices. The Rhoda colt with very little favor, and the Ella Lakeland filly was only a long shot at the post, for which Miss Fox was mainly responsible. The other horses were: Straight, \$7.75; place, \$3.85. Orion paid \$3.00.
