SUPT. MILLER'S STORY.

THE STATEMENT OF A WELL-KNOWN MAN OVER HIS OWN SIGNATURE.

His Suffering of Eighteen Years Ended at Last Through the Skill of Doctors McCoy and Snow, Who Will Treat All Cases for \$5 a Month and Furnish All Medicines, Including Doctor McCoy's New Catarrh Cure, if Treatment is Begun Before January 1st.

Dr. John S. Miller is the General Superintendent of the Hunsford Company, at 67 West Street, New York City, who makes coffee and sauce grinding machinery. Mr. Miller lives at 38 Second Street, Brooklyn. He says: "I have been a victim of catarrh at intervals for eighteen years. My greatest trouble was in my stomach and throat. At times for the past ten years I would build up after eating. I was short of breath and had pains all over my chest and stomach. I could, perhaps, eat one meal a day, but only with distress, and I had no appetite for food during the remainder of the day."

"On awakening in the morning I felt tired and exhausted, after a night of unquiet or heavy sleep. I had to hawk and clear my throat of the vast amount of mucus that had accumulated during the night. My stomach was sore, and I felt generally 'broken up' and unfit for any work. My tongue was always heavily coated. Sometimes I would have a dry itching or burning, which gave me another disgust for food. I felt sore and lame all over, as if some one had pounded me from head to foot with a mallet."

"I feel I am now perfectly well, for Doctors McCoy and Snow have cured me of those symptoms. I can eat three good square meals a day now and enjoy them. I have no distress or discomfort in my stomach, and the mucus and scabs have been banished, and I feel like a new man. I shall be glad to substantiate these statements, and shall be pleased to tell my experience to any who may suffer as I did. This statement is a true story of my case."

DOCTOR MCCOY'S NEW REMEDY. It Has Already Proven Itself a Wonderful Medicine. Doctor McCoy's new remedy for catarrh has found favor from the first with its patients, and the hundreds of testimonials which speak highly of it and the wonderful and rapid cures effected in their condition since they have been using this wonderful medicine.

DOCTOR WALKER'S SNOW. Doctor Walker's Snow has become associated with Doctor McCoy, and his name is well known in New York City that it is only necessary to quote his record as it appears in THE MEDICAL AND SURGICAL REGISTER of the United States, which reads: "Graduate University City of New York, 1880; College of Physicians and Surgeons, New York, 1881; ex-Honorary Physician Bellevue Hospital, New York City, 1882; Instructor of Gynecology, University City of New York; President of the Society for the Prevention of Cruelty to Children of the City of New York."

DOCTORS MCCOY AND SNOW. In announcing his new discovery for the cure of catarrh, Doctor McCoy proposes to convince the public that what he claims is true, and to do this Doctors McCoy and Snow will treat all patients suffering with catarrh for \$5 a month and furnish them with all the necessary medicine included in the new remedy, free. All those availing themselves of this offer before January 1 will be treated until cured at the same low rate of \$5 a month.
