Bankrupt Sale--August & Minzie's and Other Stocks--Greatest Value in Years.

An Earnest Word to Thinking Buyers.

Does it hurt the quality of Men's 25c. Box to sell them at 10c.? Does it make a really good Umbrella any poorer to sell it for 47c. instead of \$1.19, the usual price?

Does it lessen the value of a Blanket to cut one, two or three dollars right off the price? Is a \$7 Clock any worse because we chose to mark it down temporarily to \$2.39?

Not a bit. It makes all these things easier to get. The goods offered at this sale are of just the same quality as those sold here and in other large houses every business day in the year at regular prices.

To be enabled to sell for a few days at such decided reductions is a capital advertisement for us. It gives you a chance to save money away beyond what it is possible in ordinary business.

It doesn't require any great amount of figuring to see that it will pay you to buy now, not only for present needs, but with an eye far into the future.

A Notable Offer.

When you come to the August & Minzie Sale of Dry Goods keep in mind that we have a great Furniture department on the Third Floor--elevators and easy stairways.

To make it worth your while to become acquainted with it we will allow a direct cash discount of 10 per cent. from the present market price on every piece of Furniture bought.

Four facts should be borne in mind in connection with this offer:

FIRST--That all prices were originally made on a close Dry-Goods basis, and are low--extremely low.

SECOND--That for reasons incident to the Annual Stock Taking, SOME prices have already been reduced--in such cases you get 10 per cent. off the reduced prices.

THIRD--That the assortments are broad enough to meet everybody's needs.

FOURTH--That no matter how low the price, every piece of furniture is guaranteed of perfect material and sound construction.
