### GARDNER'S JURY OUT, TWO DOCTORS IN JAIL.

End of the Parkhurst Society Agent's Long Trial.

The Case Was Given to the Jury at 4.05 This Afternoon.

The Recorder's Charge Regarded as Eminently Fair.

Every seat in Part II. of the Court of General Sessions was occupied today.

Dr. Saia R. Chase, of 251 West Thirty-second street, and Fredrick Diemer, of 229 West Forty-eighth street, were before Justice Koch in the Jefferson Market Court this morning, charged with having performed a criminal operation upon Miss Margaret Manzoni, who is dying at the home of Dr. Chase.

The young woman formerly lived at 365 Myrtle avenue, Brooklyn, and in her apartment statement taken last night by Coroner Schultz, she said:

Mr. Florence F. Donovan, of the State Board of Arbitration, is the father of my child. He lives at 123 Nineteenth street, South Brooklyn.

Miss Manzoni went on to say that she first learned of Dr. Diemer by reading her advertisement in the papers, after she found out that she was in a delicate condition.

She said she went to 229 West Forty-eighth street, where Dr. Diemer performed three operations on her, for which she paid \$100, and promised to pay \$100 so that she could be moved to a more comfortable place, where she could recover her health.

She said she was taken to Dr. Chase's house last Thursday, where she now lies at the point of death.

Coroner Schultz says Miss Manzoni told him that Donovan gave her \$100 with which to pay for the operations.

When the prisoners were brought to court this morning by Capt. Price and Detectives Curry and Hay, of the Twentieth Precinct, they both refused to make any statement until they had obtained counsel.

The Diemer case was continued to this morning by Capt. Price and Detectives Curry and Hay, of the Twentieth Precinct, they both refused to make any statement until they had obtained counsel.

### "JACKDAWS STRUT IN PEACOCK'S FEATHERS."

Has Senator Sherman deserted the Republican party? His votes and actions in the Senate indicate that he is making an effort to out-Peffer Peffer.—Morning World Editorial.

Meeting of the Law, Scientific and Academic Departments.

NEW HAVEN, Conn., Feb. 8.—That the vote taken at the Yale meeting a week ago regarding the new code adopted by the athletic team captains will not be allowed to stand was assured by an article in the Yale News, the official University organ, this afternoon.

A meeting is called at the request of the representatives from the Law, Scientific and Academic Departments, who have appealed to L. B. Laughlin, editor of the News, to issue the call. It will take place at 10 o'clock to-night and a vote will be taken on two propositions:

To temporarily ratify the once rejected rule.

To appoint committees from the various departments of the University to draft new constitutions for the athletic associations.

BLANKETED A WOMAN.

A Daring Thief's Unique Method of Robbery.

Brooklyn police are on the hunt for a thief who adopted unique methods of robbery.

The man went to the apartments of John Nixon, 480 Tenth street, South Brooklyn, and pushing Mrs. Nixon away from the door entered the room, caught up a blanket from the bed and, throwing it over the woman's head, stifled her cries.

He then proceeded to ransack the bureau drawers, keeping Mrs. Nixon's screams and threats in silence. The thief only found \$3 in bills with which he made his escape.

EXECUTORS SUED FOR A FORTUNE.

Two Plainfield Men Charged with Robbing Samuel Hurley's Estate.

William S. Hurley, a fur merchant, of 30 Wallabout Market, has brought suit before Justice Barrett, in the Supreme Court, against William and Jacob Miles, of Plainfield, N. J., for an accounting of moneys which they, as executors of the estate of Samuel Hurley, father of the plaintiff, are said to have obtained from the estate by fraud and forgery soon after Hurley's death in 1885.

There are two suits against the brother. The claim against William is for \$100,000, and that against Jacob is for \$100,000.

The deponents make a general denial, and William Miles offers a document purporting to be a release of all claims by Samuel Hurley which was made to him in 1890. This the plaintiff declares to be a forgery.

NEW YORK ON HAWAII.

MRS. MARSHALL'S STORY.

Testifies Regarding the Double Tragedy in Her Flat.

Mrs. Mary Marshall, wife of Walter Marshall, who shot and killed Roger Dingfelder, fired two bullets into his wife and then killed himself at 109 Third avenue, Jan. 10, made a statement concerning the tragedy in the coroner's inquest proceedings to-day.

Marshall, she said, walked into the kitchen, saw Dingfelder sitting in a chair, asked who he was, and on being refused information shot the man dead. He shot her twice as she ran down the stairs and then turned the pistol on himself.

Mrs. Marshall denies that her conduct toward Dingfelder was in any way improper. At the time of the shooting her only child, a girl, was in the room, which she had just taken her little girl, which she suspended after being discharged from Bellevue a few days ago.

"If the Society," declared Mrs. Marshall, "found that I was not a woman of good moral character they would have refused to give up the child; but upon investigation they ascertained that the installation made by me at the time of the tragedy was without any foundation in fact."

She will occupy the house where the shooting occurred. The proceedings will be resumed Feb. 11.

CAN'T GET THE PANAMA BOOKS.

Investigation by the Congress Committee Unexpectedly Blocked.

WASHINGTON, Feb. 8.—The Panama investigating committee is having a great deal of trouble to get the books of disbursements of the American committee.

Mr. Colne, the former Secretary, was to have brought all the books this morning from New York, but returned with only one book (that which he himself kept) when disbursement agent, stating that Mr. Hayward, his successor, had declined to give him the books since he (Colne) turned over the finances to Mr. Appleton, of Boston, and other witnesses did not appear this morning and the investigation will not be resumed later in the day.

IS SIR JOHN ABBOTT DEAD?

Word Reaches Ottawa that the End Came at Rome, Italy.

OTTAWA, Feb. 8.—An unofficial report in circulation here to-day to the effect that Sir John Abbott, ex-Premier of Canada, had died in Italy, whether he went some months ago in search of health.

Lisbon Mail would have defeated Marguerite yesterday if she had had just one race in her. Marguerite does not give a cent for the next Summer and Maid's lack of condition that enabled Marguerite to get up and win.

How Not got away in front yesterday in a running start. Leigh never relinquished the lead, and he was held and landed the filly a winner by a head. The crowd were all for Phyllis, who would have won hands down.

Young Lottery was pounded for a real good thing in the opening event yesterday. Many kept off because an unbroken horse was not on the track to mount. Houben, however, has been doing good work at Gloucester and was again improved by Dowd to ride Young Lottery.

Harry was the real good thing in the fourth race, and she won. It will be her last race for some time, however, as she is now in the hands of a trainer who would have favorite, ran a queer-looking race.

The story is now going the rounds that the Big One of Guttenburg was negotiating for the purchase of a share in the Clifton racetrack, but were crushed out of the deal by George Fox, who had bought the track and bought the young man's stock while the others were hanging about the track. The truth is that the young man is very little interested in the track, and is very little truth in this report. If Will Engeman was negotiating for the purchase of a share in the Clifton racetrack, it would be a bluff in order to make George buy him out. The Guttenburg people don't want any part of Clifton.

Green Bay ran second in a race at Clifton yesterday. The race was a close one, but Hane, his owner and rider, struck Cliff Jones, who was riding Jim Hane, in the chest, and Hane claimed that Jones struck Green Bay with his whip.

Col. C. H. Gillock, Secretary of the West Side Park Club of Nashville, will represent the club at the meeting of the Latonia meeting this season. Latonia's judge, W. B. Chatham, is acting as Goby.

Sorrento was badly interfered with on the far turn yesterday. This hurt his chance materially, but it is not likely that he would have been in the first three even if there had been no interference.

There have been 128 declarations made for the American Derby. Among that number are Hattie, Harvest, Glad, the "Carmen" colt, Faithful, Halcion, Fries, Simmons, Liffboat, J. J. McCann, and many others. The American Derby will be formally raised upon the Janan steamers City of New York and City of Paris at New York on Washington's Birthday, Feb. 22.

The event will be celebrated with great pomp. Many distinguished people have received invitations to be present.

Forty-three Go to the Island.

James Dennis was held in \$600 bail at Jefferson Market Court to-day for keeping a disorderly house and for keeping a gambling table. He was held in \$500 bail for the same offenses. Capt. McLaughlin, the younger, last night went out to the island for two months each.

An Illinois Currency Idea.

SPRINGFIELD, Ill., Feb. 8.—In the State senate to-day Mr. Brands presented a resolution asking the Illinois members in Congress to urge the withdrawal of all paper currency, and instead issue a like amount of aluminum coin, to protect the people of this country from cholera, which is transmitted by paper money. The resolution went over under the rules.

### EXTRA.

TALK OF THE TURF.

Remarkable Success of the Talent in Picking the Winners Lately.

KING CRAB'S OWNER DEAD.

Rumored that Guttenburg's Big Four Were Negotiating for Clifton.

The talent have got form down to a fine point on the allport track. Monday they picked every one of the six winners and other horses of good quality passed the judges' fire. It is a matter of wonder that they can pick even one winner on a Monday the track was a mixture of ice and snow, with a hard bottom. Yesterday the horses ran in lumpy mud and the track is as hard as iron. Nevertheless, no matter in what shape the going is, the talent pick right and other horses follow day by day, much to the disgust of the paddlers. While there are some few cases where the running of certain horses is not true, as a rule public form is maintained.

Christian Cornelien, well known to racing men as the owner of King Crab, owned and other horses of good quality. Monday evening, of apoplexy. He had been suffering with heart trouble for some time.

Jockey George Taylor turned up at New Orleans yesterday. He has been expressed that Taylor did not ride at the Winter meetings here this year, but his friends are of the opinion that he is desirous of riding on the big tracks this year, and that he will be kept quiet. It is said that he will surely be granted a license providing he comes to New Orleans at Guttenburg this Winter.

Jockey Fred Littlefield is also at New Orleans. He has been on a visit to the Morris farm in Texas. He is remaining over for some time, but he has the hope of inducing Jockey Sargent, a clever light-weight at the Crescent City track, who stepped in next Summer and ride for his father, C. Littlefield.

Lisbon Maid would have defeated Marguerite yesterday if she had had just one race in her. Marguerite does not give a cent for the next Summer and Maid's lack of condition that enabled Marguerite to get up and win.
