TO WAGE WAR ON GAMBLERS.

Judge Lippincott's Charge to the Hudson County Grand Jury.

He Declares the New Race Track Laws to Be Illegal.

At the opening of the April term of the Hudson County Court in Jersey City to-day, Judge Lippincott delivered a charging to the Grand Jury, in which he called their attention to the betting at the Hudson County race track, pool-selling at Harrison and policy playing in Jersey City and Hoboken.

The first attack of the Court was upon the violation of the law against the sale of liquor on Sunday. The Judge advised that as such violation was known to be constant in Jersey City, indictments should be found immediately against the men who disregard the law.

Judge Lippincott then turned his attention to the policy-shops. "Policy playing is extensively practiced and carried on and flourishes more or less openly in the city," he declared, "and the places where it is carried on are known to the police authorities."

"I insist upon it that you at least make an effort to stamp out these gross and iniquitous practices," he said. "If this unlawful business continues in force it will be charged to your neglect and disregard of duty."

The Judge insisted that the existence of pool-rooms at Harrison and Hoboken be made to receive attention from Judge Lippincott.

The Judge also said that "green-rooms" of the courts.

Herbert W. Knight, the young lawyer from Newark, engaged as one of the counsel in the trial of Robert W. Buchanan, charged with poisoning his wife, has had a special effort to conceal himself. He usually wears dark-colored eyeglasses.

"Did he say he thought it was a good thing to marry her?" "Why did he think it was a good thing?" asked Recorder Smyth. "He didn't tell me that," said the witness.

ALLEGHENY FIRE SPREADING.

Many Mills and Dwellings Gone and Others Burning.

PITTSBURGH, April 4.—A fire is raging on South Canal street, Allegheny. It started in Godfrey & Clark's warehouse, a four-story building, shortly before 3 o'clock and spread rapidly to Eberhart & Ober's all-wood, elevator and warehouse adjoining.

At 3:30 o'clock these buildings were entirely destroyed and the flames were still spreading, with a high wind blowing. The entire Fire Department is at work and Pittsburgh has been asked for assistance. The loss to Godfrey & Clark is \$65,000 and Eberhart & Ober, \$100,000.

At 4 P. M. the flames spread to three dwellings on Main street. Up to this hour the loss \$250,000 to \$300,000.

Among the buildings destroyed are Eberhart & Ober's warehouse, elevator and main-house, Godfrey & Clark's paper warehouse, Cupp & Voelger's planing mill and lumber yard, fifteen dwellings and the Hope cotton mill.

The games are now spreading toward the river, and twelve large tenement houses are threatened. The occupants of the tenements are moving out. The fire started from a defective fuse.

CHARGES SERVED ON BRENNAN.

His Attorney Gets Official Copies from the Accusing Clubs.

Official copies of the charges preferred before Mayor Gilroy against Street-Cleaning Commissioner Brennan by the City and other clubs yesterday, were served on Commissioner Brennan's attorney, Assistant Corporation Counsel Dean, this afternoon at 3:30 o'clock.

Mr. Dean said that it would take at least a day to draw the reply to the charges, and that as the Mayor had allowed Commissioner Brennan ten days to answer he could not say when the reply papers would be made ready.

An informal meeting of the City Clubs' Committee, which drew up the charges against Commissioner Brennan, was held this afternoon in the office of the chairman, Edmund Kelly, in the Equitable Building.

No decision was arrived at as to bringing additional charges against Commissioner Brennan.

On another occasion Dr. Buchanan had been reported by the jury to cross-examine the colored man, and then departed.

A number of other details were looked after, and then District-Attorney Nicoll announced that Drs. McIntyre and Watson would be held up for witnesses, but as they were engaged on an important surgical operation and would not be in court until this afternoon, a recess was taken.

After recess the first witness called was Henry O. Horach, a saloon keeper, of 159 Boulevard, who said he was introduced to Buchanan by Lawyer Davidson.

The witness said that Lawyer Davidson came to him one day and told him that he had been introduced to Buchanan by that name.

"But of the way of what?" asked Mr. Osborn.

"Out of the way of reporters, especially," Mr. Osborn reported, "I told him I could do so, and found a room for him with a friend of mine, Mrs. Ruddy, which was Buchanan's wife. He afterwards learned. He brought his wife and child. I think he was introduced to me as Dr. Potter, but I introduced him by that name to Mrs. Ruddy."

WANT TO ADJOURN APRIL 20.

So the Democratic State Senators Decide in Caucus.

ALBANY, April 4.—The Democratic State Senators, in caucus to-day, passed a resolution making the Personal Registration bill a party question.

The caucus also decided to ask the Assembly to agree upon Thursday, April 20, as the date for final adjournment.

Flunked Ballot Clerk Bill Signed.

ALBANY, April 4.—Gov. Flower has signed Senator Funkh's bill authorizing the New York City Police Commissioners to appoint ballot as well as poll clerks, and providing that the election officers in New York City shall reside in the Assembly district in which they serve, instead of in the election district, as now.

Young & Smith's Army License Petition, also grateful to the paroled dry state.

Elizabeth Traced Licenses in Court.

TRENTON, N. J., April 4.—The license which was granted by the Elizabeth Common Council to the New Jersey Jockey Club, at Elizabeth, has been brought into the supreme court on a writ of certiorari, granted by Judge Van Dyke on the application of James Alexander, LeRoy B. Miller and Robert Moore, who opposed the application for the license granted to the Jockey Brothers.

PHIL DRYER WOULD LIKE TO SEE IT A LAW, BUT DOUBTS ITS PASSAGE.

There was a conference at Guttenberg yesterday afternoon between John G. Carr, representing the Hudson County Jockey Club, and Messrs. M. F. Dwyer and L. O. Appleby, respectively representing Elizabeth and Linden. The matter of granting licenses was said to be the subject of the talk. No information was divulged by either of the three race track magnates. Just why Elizabeth and Linden should consult Guttenberg as to dates is a question. The jockey clubs are entitled to the dates upon which they raced before the strong hand of the law locked their gates. It is probable that the representatives of Elizabeth and Linden fear that the Hudson County club will race in opposition, and no doubt the meeting was for the purpose of finding out in just what attitude Guttenberg stood. It is said that another meeting will be held shortly, and the outcome will be awaited with interest.

The Executive Committee has decided to accept Counselor Bill Brien's entrance into the Detroit race track. This action of the Executive Committee was real kind, especially as there were no other reasons why the Council's horses should have been disbanded. It is not probable that anything further will be heard of the "hot matter."

Philip Dwyer expresses doubts that the Section bill will ever become a law. If it does pass, said Mr. Dwyer, it will be a great thing for the jockey clubs, but he believes that anything further will be heard of the "hot matter."
