

MORE GOLD GOING ABROAD.

In All \$2,500,000 Leaves on To-Morrow's Steamers.

Little Effect on the Stock Market, Which is Dull but Strong.

The export movement of gold continues to attract attention in financial circles, but has little effect upon the markets for securities, partly for the reason that bankers generally look for a cessation of shipments before long and partly because of the extraordinary ease in money.

The balance of trade being so largely in our favor, the chances are that before the end of the year the return flow of the yellow metal will be larger than the present efflux.

Additional shipments for to-morrow include: Baran, Magoun & Co., \$200,000; Keasler & Co., \$30,000; Zimmerman & Forsyth, \$100,000; Hoskier, Wood & Co., \$250,000; Kidder, Peabody & Co., of Boston, \$500,000.

Lazard Freres announces they will not ship \$100,000 to-morrow as expected. This leaves the total to be sent away \$2,500,000.

The prospect of speedy action by Congress on the tariff had an influence on the stock market this morning. The dealings were, of course, purely professional, but the undertone of speculation was strong, and the bulls were in control.

American Sugar rose 7/8 to 108 3/4; do. foreign, 1/2 to 97 1/2; Burlington & Quincy, 1/4 to 79 1/8; Distillers, 3/4 to 25 1/8; Missouri Pacific, 3/4 to 30 3/4; Lead, 1 1/4 to 1 1/4; Chicago Gas, 2 1/2 to 66 1/4; Union Pacific, 5/8 to 18 3/8; Atchafalpa, 3/8 to 13 3/4; St. Paul, 1/2 to 62 1/8; and Northern Pacific, 3/8 to 18 3/8. Lead subse- quently dropped to 29 7/8.

Money remains easy at 1 per cent. on call, and foreign exchange firm at 47 1/2 for bankers' sixty-day bills, and 45 3/4 for demand.

In London bar silver declined to 20s. per ounce. Commercial bar here fell to 84, and Mexican dollars to 51 1/4.

Stocks were in the main strong, and still higher quotations were recorded. The special features were Chicago Gas, Lead, Sugar and the Grangers. The volume of business was quite moderate so far as the general market was concerned, and at intervals speculation was positively dull. A fair demand prevailed, and lead command 1/16 premium on New York Central and Louisville 1-12s.

DAVID MARKS CAUGHT.

He Will Be Extradited for Cutting Dougherty. David Marks, the young tailor who slashed Hugh Dougherty with a carving knife at 115 West One Hundred and Thirty-fourth street on Wednesday evening, was arrested in Jersey City last evening, and is held there to await the action of the New York authorities. Frank Marks, David's brother, who had committed as a suspicious person by Justice Simms in the Harlem Police Court yesterday, was discharged this morning, there being no evidence to connect him with the assault on Dougherty. Justice Simms issued a warrant for the arrest of David Marks, who has expressed his willingness to return without extradition papers. Dougherty's condition is still serious.

BORN IN AN AMBULANCE.

Mother and Baby Doing Well at Bellevue Hospital. Ellen Londergan, aged thirty-six, of 44 Monroe street, gave birth to a boy baby while being removed from the Forty-second street station of the Sixth Avenue Elevated Railroad to Bellevue Hospital last night. She had been visiting friends in Harlem, and started home about 1:30 o'clock this morning. At Forty-second street she became very ill, and was assisted to the waiting-room of the station. A hurry call was sent to Roosevelt hospital, and Dr. Lowrey answered. He decided to remove her to Bellevue, but the child was born on the way. The woman is a housekeeper at the above address. Both mother and child were doing nicely at the hospital this morning.

She Has Religious Mania.

Ellis Miles, thirty-five years of age, of 64 Howard street, Newark, was taken to Morris W. Carr, of the Church street station, having in an irrational manner at West and Central streets, about 3 o'clock yesterday afternoon, she was taken to Chambers Street Hospital. CAN DRINK IN 8,986 PLACES.

Excise Board Reports That Number Are Licensed.

More Permits Than That Were Issued, but Some Have Two.

Mayor Gilroy received from the Excise Board today its report for the year ending April 30. The report shows that 9,028 licenses were issued during the twelve months, and that 8,986 licensed drinking-places of all kinds are in existence. The discrepancy between the number of licenses and the number of places is accounted for by the fact that more than one license was issued for the same place. There is a decrease of 266 in the number of licenses. The total number of drinking-places other than hotels and restaurants is 7,247. The 8,986 are classified as follows:

INSANE OVER COXEY.

Schmitt Admits He's Crazy and is Committed to Bellevue. John Schmitt, a grocery clerk, eighteen years old, of 18 St. Mark's place, was committed to Bellevue Hospital by Justice Koch, in the Essex Market Police Court, to-day to be examined as to his sanity. Schmitt is crazy about Coxeys. He is constantly writing letters to Coxeys, but he does not send me any reply. I don't understand it. Schmitt became violent yesterday and chased the people out of the house where he resides with a cheese knife. "I'm mad, Your Honor," said Schmitt. "I am constantly writing letters to Coxeys, but he does not send me any reply. I don't understand it."
